## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of "Stories From Heaven", many Revelations describe edifices to be built on Saint Joseph's Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a "City Of God". Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God's Plan in a monetary way. Donations became less and less, because the men in the Church said, "Don't give." They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men's lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of "Stories From Heaven" continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered  
spontaneously and continuously  
as witnessed by all those present  
at the time.**

## OUR HEAVENLY MOTHER

**“My daughters, I am your Heavenly Mother. You have heard of a tearful Madonna. I am that One. The tears I shed are for the children straying from My Way, who are doing many things in a sacrilegious way against The Heavenly Father.**

**Hell is like an open gap with flames licking out, with the stench of burning flesh, with the screams of horror so dreadful that it is unbearable to hear; and yet satan keeps promising man fun, laughter, cheer. Nothing is real where he is, only to be dreaded, only to be feared.**

**This *Miracle Of The Beloved Saint Joseph* has been given to the world to save the world; that is to say, to save mankind. My children, never before has a Miracle such as This been placed upon the world. It is here, it is now, and I say to every child: ‘Come to It, listen to It, accept what It says. Follow It, and as you do, you will find Heaven at the end, at the beginning,**

**instead of the horrible place that satan stands for, stands in.'**

**I am shown in many ways with The Child, which is one of My favorite ways, for as I hold Him I feel closer to God's Love through Him; for, remember, My daughters, He was The Second Person of The Blessed Trinity, so it would be impossible to hold Him close and not feel Eternity, not feel The Heavenly Father's Love.**

**There is one Vision I love to hear children grow close to and that is the Vision that has been put on Medals called 'Miraculous'. You see, My children, it says what children look to God for: Miracles, Love, tenderness, openness, giving, outstretching, enfolding.**

**Children should become aware of what each Vision means, the purpose it is and how God holds it dear. Children of all ages should be taught the purpose of each Miracle, of each Vision.**

**Children should be told of *The Miracle Of Saint Joseph*, the Greatness It is, the Power It is, the Beauty It is, the Degree It is, the Love It is, the Strength It is, the Truth It is.**

**God has told children through Scripture, through many true prophets, the Way to Him. You live in a time now where man is trying desperately to put God in a level, on a level, with a level, of human relationship alone. This cannot be. He is Superior, He is Real, He is Divinity.**

**As you accept your daily way, I am ever protecting you, ever waiting for you to say, 'Mother, help me today,' and when you least expect to see openly a sign of My answering you, God permits it, for He knows exactly when it is best for you.**

**Too few children really pray. They talk about it, they think about it, they make plans to do it, and then the slightest thing gets in the way. My, so many do not even make excuses. They just go their selfish way.**

**The tears I shed are many, and I say: 'You, My daughters, must pray more and make it a point to get to the Railing of Love. Exert a little energy, accept a little sacrifice, extend yourself in penance, and you will receive reward not visible to you, but felt within you. Strength will be yours. No excuses.'**

**My daughters, as I stood at the foot of the Cross, I heard excuses: excuses of why different men took part in the horror before My Eyes, excuses for so many things, to the point I had to close them out, for when I gazed upon His Body, I knew that the Love He had was so Deep, so Great, so Powerful, that only this Greatness showed.**

**My daughters, when you deal with man, you will find excuse; not logic, just excuse; not strength but weakness; not love for God, but self-love, self-determination, self-preservation, self-esteem, self-acknowledgment, self-acclaim, self-power. What is self? Nothing, without God. Man pretends it is.**

**Please, My children, do not look for lightning bolts in the sky. Do not listen for thunder clashing all about. Do not wait for the sky to open, the ground to move and shake. Believe Me, then it would be too late. Use your daily way, your daily life; pray. It will be through prayer that you will gain Heaven and All that is Here.**

**I, your Mother, speak, and as I extend My Hands to you, I say: 'Cover yourselves with My Mantle every day.**

**Cling to Me and while you do, pray.  
Hope will ever be your way and pride  
will dwindle, giving you light and  
freedom.'**

**I bless you with My Love, God's  
Way. So be it."**

## SAINT BERNADETTE

**“My beloved daughters, I am Saint Bernadette. My children, you walk in a very privileged way, and through this way you can gain Sainthood in Heaven. Use every means of good to help you on the road to Here, the road to God. Be aware that as you walk each day through, it is not the end but the beginning for you.**

**As you examine your conscience, be fully aware that you go over the day and plan to improve on your actions, your thoughts, your ideas, your love, for the next day. If you follow such a pattern, you will find each day a growing matter.**

**So many children are well-fed in the physical way, and yet are anemic, are starving in the Spiritual way.**

**Never make excuses for not receiving The Beloved Holy Sacrament. Make the most of each day, and as you carry The Beloved Host within your being, pray. Pray to better understand, to better know God’s Plan.**

**Keep** ever on your person the Beloved Holy Rosary. It is the greatest weapon against evil man has.

**When** you are ill, bless yourself often with the Water blessed by the Man of God. Use it much and accept the truth of it.

**Visits** to The Blessed Sacrament should be cherished by you, for in doing this you please The One Who created you.

**I** bless you, My children, with Truth, and I bless you through *The Miracle Of The Beloved Saint Joseph*. Honor Him, pray to Him, and ask Him to protect you and He will. He never denies a child His Protection, for remember, He was The Protector of The Divine Son and of The Son's Mother. You are Blessed with God's Love, God's Will. So be it."

SEPTEMBER 22, 1971 AT 2:40 P.M.

## SAINT JOSEPH

**“My son, My daughters, I am Saint Joseph. Your love, your Faith, your trust in This Miracle of Mine grants you much Grace.**

**Do not feel that the blows of the physical life are so horrible, for through them you have gained more Grace. Dedicate each hour of the day to God’s Way. Do not feel that earthly measures, earthly means, earthly ways are all there is to life. Not so. Use the physical way to help your Souls grow in Grace, in Light, in Perfection.**

**So many men walk through each day, unaware of what the day should be and how much it should accomplish spiritually. So many accept that the physical progress is all they need. Not so. As the physical grows, there are limits to it. As the Spiritual must grow, there is no limit to your growth. Be wise, children, and do not look only for material gain, but look for the Spiritual growth and teach others the same.**

**As you make *The Sign of The Cross*, do it with dignity, purpose and love. As you pray, be respectful, loving, giving, sharing, humble.**

**You see, My children, as you step over the threshold to This Miracle of Mine, you are truly Blessed by The Divine: first, for your Faith; second, by your trust; third, by your love; fourth, by your desire to reach God.**

**I bless you with a Greater Love than you know, and I bless you with the Truth. I bless you with Grace to help your Spiritual grow. A Personal Word of Special Love I give to you now: Be happy with what you are, what you have, who you are, and all those who are close to you. So be it.”**

SEPTEMBER 22, 1971 AT 10:05 P.M.

## SAINT BERNADETTE

**“My beloved daughters, I am Saint Bernadette. I speak tonight with much Direction, for I know you are equal to the amount I must give. First of all, My children, never be taken in by the weaknesses of others, by their selfish needs, by their injustice to God. So many times you encounter worthless things. Pass them by, and go on to worthwhile, meaningful tasks.**

**This *Miracle Of Saint Joseph* is for mankind to understand God’s Will, God’s Plan. Please, be assured that your way is important to God. Begin today by promising Him you will grow more in love with Him and will obey Him. Make a list of the things that will help you better understand the Purpose of life, His Plan.**

**Be fully aware of the importance of purity. It is not a thing of the past or a thing for the very young. It is for all ages, all children. Purity is many things. It is a physical thing and a Spiritual thing. It has a dignity, a purpose.**

**The next thing you must develop is the will to be obedient. Obedience says many things. It says the Ten Commandments. It says accepting God's Will without question. It says truth is your aim. Obedience is strength, is service, is giving. Obedience, in itself, says peace, tolerance, compassion, love.**

**The next thing you must place much attention on is self-discipline. Watch your angry moments, be cautious of your impatience, and do not criticize or gossip.**

**My children, these are things that can create more love within you and can give you more desire and strength to be a Saint.**

**Now let Us, you and I, concentrate on action: the act of receiving The Holy Eucharist, the act of kneeling to Him Who Is; the act of devotion in His Honor, His Name; the act of serving in some way, His Way; the act of open prayer, holding the Holy Rosary, alone or with others; the act of sharing what you know, what you feel, God's Way.**

**My children, develop your love for God and never limit yourselves in His Way, and never allow any man**

**to detour you from what you know is God's Plan.**

**I bless you with The Father's Love and with the Faith that will bring you closer to Him. I bless you with Trust, I bless you with Truth, I bless you with Light, and now I say, 'Amen'."**

**SEPTEMBER 23, 1971 AT 5:10 P.M.**

**SAINT BERNADETTE**

**“My beloved daughters, I am Saint Bernadette. I could speak in a language unknown to you. It would not help you, so I speak with terminology, with accent, with tone, with Words you understand.**

**All the disappointments that other men present must not cause you discontent. As a child is conceived, a will is given to the cells of life. This will is present from that moment on, and through this will you will make choice all through your life. Sometimes you will decide in the wrong way. Sometimes you will commit yourself in a definite pattern. Other times the weakness you feel will be reflected through your will and results will come from this.**

**Keep in mind, My children, at all times, that the will you have must be guided by God, and that is why it is so important that you constantly place yourselves in His Care, alert to the fact that His Will is Far Greater than yours, Far Wiser than yours, Far**

**Stronger than yours, and you must ask Him to help you do what His Will knows best.**

**My daughters, you live in a time worse than Sodom and Gomorrah. Please do not involve yourself with the disastrous, horrible happenings around you. Keep in mind at all times, that The Beloved Heavenly Mother wants you to imitate Her Way and follow the Words of God to the letter.**

**Remember, you cannot live another's life along with yours. You must live your life to the fullest, but always with this in mind: Am I living in obedience to God's Way, God's Will, and am I alert to The Divine? You have reached an age where you must dedicate time, service, love, God's Way. Action is loved by God. Please, My daughters, let part of this action be in prayer.**

**First of all, be always conscious of The Holy Eucharist that is there, open to you, waiting for you. Be ever conscious, also, of the Holy Rosary. Keep it on your person at all times. Pray it. Fondle the Beads, and ask The Heavenly Mother for your needs. It is a Strength I cannot tell, a Power I**

**cannot describe. The reason I cannot give you these facts is this: Your little human way cannot comprehend the Magnitude that The Holy Eucharist is, nor the power and the love that the Holy Rosary gives.**

**Keep in mind, My children, the importance of modesty, the beauty of purity, the dignity of truth, and the integrity Faith is. Trust in God and bend your will to His.**

**I bless you with God's Love and with the Heart of The Son and with the Light of The Holy Ghost; Three in One. So be it."**

SEPTEMBER 28, 1971 AT 12:30 P.M.

## SAINT JOSEPH

**“I am Saint Joseph. The time has come to the world for a new learning regarding the Beauty of Heaven, the Magnitude of God. It is through This Miracle that Souls will be saved.**

**You live in a time worse than Sodom and Gomorrah. You live in a time that man caters to weakness. You live in a time of heresy, of doubt. You live in a time of promiscuity, fear, negligence, disobedience, distrust, no self-discipline. You live in a time governed by man in a selfish way. Be aware, My children, of these things, so you can pray.**

**Pray for the release of Souls. Pray for the children who are beginning to stray. Pray for the ones who are being taught wrong things, untruths. Pray that God will help you. You live in a time in which man places much emphasis on satisfaction, progress, material gain. You live in a time that man looks for acclaim. Please, My daughters, pray.**

**Children are not being taught how to pray, the necessity of prayer, and the Purpose of life. Children are being neglected, scandalized, misled.**

**As I speak now, I speak from a Realm of Heaven. The Purpose of your life is to one day spend time, spend Eternity Here. You must be fully aware of prayer.**

**The Beloved Father stands on the Altar of Love, waiting each day for children to walk forward, receive Him in a special, given way. Few do. Few accept the privilege, the Gift. It is through this Gift of The Holy Eucharist, The Beloved Host, that man gains strength. It is Divine Transfusion with human means. Keep this in mind at all times.**

**Never have off of your person the Holy Rosary. It is strength. It is love. It is protection.**

**There is a great need for children of all ages to be taught Reverence in the House where God resides. Children of all ages are not reacting in dignity. They are acting in pride. There is so little example given. There is so little humility shown. There is so little truth explained.**

**Many men are seeking emotionalism, stimulation, excitement, where God reigns. This is not good. The Heavenly Father is Peace, Solitude, Comfort, Consolation, Counseling. He is Love. This Love is a Secure Love, not the type of love man is accustomed to, is aware of, projects, invites, deals with.**

**God's Love is Pure, Sensitive, Flexible, Joy, Happiness, Peace, Tranquillity. When man speaks of love, it means he is reaching for an ultimate feeling, closeness, belonging, possessiveness.**

**My daughters, Heaven has handed out thousands upon thousands upon thousands upon thousands upon thousands of Words, teaching children the Way to Here. As you read, listen to your heart. Remember, the desire to pray comes with the habit of doing it; and whenever you pray, do not forget to say: *'I love You, God. Thank You for this day.'***

**I bless you with The Father's Love and I bless you with Truth. I bless you with The Son's Heart, the Ultimate Love for you, and I bless you**

**with The Holy Ghost, the Light of All Truth. So be it.”**

SEPTEMBER 28, 1971 AT 3:35 P.M.

## SAINT JOSEPH

**“My daughters, man has experienced much with wind tunnels, using them to perfect an invention of man. In some ways, man fears the effects of wind, for many times wind is dangerous, destructive.**

**So many men now are whirling around in so many directions that they cause a great tragic wind, disturbing all who come in contact with them. Some wind carries with it turmoil, sin, tragedy. This type of wind is guided by children who love to experience the unfit, unsure, undignified parts of life. They race, they run, they twist, they turn, never to find peace. Pray for this kind of child. Sometimes the hurt they give is sadness.**

**Right now, so many men are feeling useless, dependent, alone, insecure, depressed, hateful, envious. Courage is not in their sight. Goal seems to be for others, not them. Challenge seems nowhere around. Faith should be the guiding hand.**

**You live in a time worse than Sodom and Gomorrah, a time of much sorrow, grief, despair, anxiety, pressure. Satan is using these things, and on the other hand, he is using self-love, self-protection, self-acclaim.**

**My children, wherever you can, instruct all you meet to pray. Sometimes it would be best to just do it by example rather than say. I know the conflict in your hearts today. Each child before Me now, suffers in a different way. Please, My children, pray.**

**Now that you have set aside a time, let Us, you and I, climb. Let us begin in the morning, not with despair but hope. Let us walk through the day cheerful, not anxious. Let us perform our tasks, one by one, and as we do, offer them to The Holy One.**

**I know that your cares, your worries, your concerns are for loved ones. Place all under the protection of My Mantle, and then trust that God will see fit to extend to them Love, Justice, Mercy, Care; soon.**

**I bless you with Faith. I bless you with Trust. I bless you with Hope. So be it.”**

SEPTEMBER 29, 1971 AT 3:50 P.M.

## SAINT JOSEPH

**“My beloved daughters, man has a habit of singling out a specific way for himself. He looks to what pleases him and then seeks it. Sometimes he becomes disappointed with his own choice. It is strength-giving to man, for it shows man that he has a will to use, a will to make decision with. Very often man does not realize the beauty of his will, the significance of his will, the purpose of the will. So many things can be brought to man’s eyes: good, bad; and it is man’s will that determines whether he will follow, or which one he will follow.**

**I am Saint Joseph and as I speak to you from the Heavenly Realm, it is God’s Will I do so. Heaven is alert to God’s Will. All The Saints Here do His Will. When The Saints, Who, as man, walked the earth, it was through their actions, the use of their wills, that made them serve The Heavenly Father. I, too, was among them.**

**This Lesson I give to you today is to make you aware of your will;**

**the happiness it can be to you or the sadness it can be, the dilemma it can cause or the truth it can follow.**

**All children of all ages should be alerted to their wills. It should be made known: the dignity of the will, the greatness of the will, the purpose of the will. Man should recognize that to be weak, takes his will to decide; to be strong, takes his will to decide; to walk the fence, takes his will to decide.**

**In the time you live, you have a great opportunity to serve God with your will. You have the Teaching here, with My Words. You live in a time that can, must, will, produce many Great Saints, for you live in a time where it is important that man understand what is good, what is truth, and man stand up for it, to it, in it, in his will. The evil one cannot take your will, but you can allow him to use it. Only a foolish man would allow this.**

**You partake in My Miracle, in My Way. I will now teach you how to pray. Pray with your will. To pray, submit your will to follow God's Will. When you kneel to pray, do not allow the world to draw you away; use your**

**will to stay. Do not let anxiety or thoughts in a worldly way confuse you and make you stop. Use your will to remain where you are, to pray.**

**As you pray, make it a habit to examine your conscience every day. The Ten Commandments are your guide. The Holy Eucharist is your strength for It is God; no man can deny. The Holy Rosary gives you meditation on Important Events, Critical Events, Times that have given you the support from God necessary for the Salvation of your Souls.**

**Man screams out, ‘I do not know how to pray!’ God says, ‘Let your will become so accustomed to doing My Will that prayer is a necessity, a need, a habit, a love.’ So be it for today.”**

OCTOBER 2, 1971 AT 11:25 A.M.

SAINT BERNADETTE

**“My children, I am Saint Bernadette. I know that My speaking to you this way and in this manner is unusual for you, but nonetheless true. I walked the earth in the way you do, human; and there were many days I faced the day with much sickness, much fear, much anxiety, and when a Vision was about to be, there was excitement, for I knew The Heavenly Queen would speak with Great Love for all mankind. This *Miracle Of Saint Joseph* is as This, only This Miracle is Constant, Momentary, Visible, Personal, Loving, Giving, and All Tenderness.**

**The world in which you now live is worse than Sodom and Gomorrah. Satan has worked many things to diminish the Soul and make man grow in his way. Please, My children, do not forget that the flesh you are will one day no longer be, and it will be the Soul you have that will come to Eternity. In the time you live, so much importance is placed on the physical desire, the physical sight, the physical emotion, the physical place,**

the physical feelings. I ask you on this day, direct from Heaven Where I stay, that you become wise and walk in wisdom, and you pray.

The beloved Holy Rosary is not a prayer of only My day. It is a prayer of now and you must use it as protection every day. I speak to God's sons in the room now. Never allow yourselves to be without it on your person, for when you do, you let yourself open to the horror around you. When you feel the sight of sin, the emotion of sin, the fear of sin, the intent of sin, put it in your hand and fondle it and plead to Her to help you. She will, right then.

The Holy Rosary is for all mankind, all religions, and for men all over the world. It is a weapon of truth, a weapon designed by Here.

The first prayer on these Beads says, *'I believe in God.'* Remember, children, He is your Creator, He is King.

The next bead says the prayer The Son of The Father gave to man. It says, *'Our Father Who art in Heaven.'* Through this bead, through this prayer, you acknowledge God Who is Here. The small space between this

bead says, 'Breathe, child, meditate on what is to be.'

The next bead says you desire Faith and you speak to Our Lady about this Faith. You call on Her. She is your Heavenly Mother and She is Queen of Heaven. She listens to your desire, for it will be through Faith you will grow in God's Way.

And now you travel to the next bead which is hope, and as you desire hope in all things, it gives you a goal, a desire, a way. Our Lady hears this prayer, for after the desire you say, '*Hail Mary, full of Grace.*'

And now you travel to the next bead. Do it slowly. Don't rush, please; and then you say, 'Charity'. As you live in a very selfish world, this bead says much for your Soul, for you must learn charity to have love. So you say to Her, '*Hail Mary*', and you draw Her Attention to your needs: Faith, Hope, Charity.

And now you are on your way, traveling the Great Mysteries of all days. You begin by the Annunciation. This alone says that you believe that The Son of God was Immaculately Conceived, and that you understand

it had to be to save you, and you understand also, that God loved you so much He gave you Example with His Magic Touch, for as you say the Annunciation, you recognize the Birth that had to be; and now you go on ten times, saying '*Hail*' to The Queen, and for each step along the way, you meditate on a special day.

Now, if you travel these Beads with love and understanding, you will grow in Faith, in Hope, and in Charity, for these Beads are the way for you to come Here one day. Remember, the Beads were given to help mankind have strength. Always say the Beads before the end of day, and how pleased Our Blessed Mother is when a child takes the time to not only say the first five, but fifteen, for then the child covers every place, every Important Event that occurred.

So now, remember, as you pray the Holy Beads, do it a holy way, and as you do this, offer up the prayers for those who have strayed and those who have not yet seen This Place.

It was at Fatima that The Beloved Saint Joseph appeared, blessing the world, holding it dear, and as He did,

**He held in His Arms the Child Who was to save mankind. So you see, again here, in your time, your day, The Beloved Son of The Father and The Beloved Father of The Son have come again.**

**I bless you with God's Love today. So be it."**

## OUR HEAVENLY MOTHER

**“My children, there are many, many children speaking of Visions of Me all over the world. As they do, some are true, some are not. There are special places I do appear, always to save mankind and tell him to hold life dear, and as I speak to a chosen few, or as I appear, the Power from My Being radiates through the air.**

**It is sadness to Me when children differ with What I say. It is sadness, also, when they determine I would not come that way. My reason why I appear as I do is always to warn mankind, to help him reach The Divine. God’s Power is What I use. God’s Way is what I follow. God’s Will is how I serve.**

**As you sit and experience moments of Heaven’s Way, they are as My Visions in other places far away. The closer union you have here is loved by All of Heaven, for as I speak through *the child*, My Words are direct from Heaven.**

**My Rosary must flourish throughout the world, for through it**

**is the strength to change the world. So many men are neglecting it and using excuses to destroy it. Why? For satan wants to get rid of it. It is the strength, it is the power needed to change the world. I have taken a Special Rosary — you cannot see It — and I have placed It around the world, for the Power of It holds the world as God Wills it, and the Power seeps in, in many places you do not know.**

**The Churches who follow My Son must make much of the Rosary, as one. It must be spread and it must have special attention, and children must gather to say the fifteen decades, for as they do, they will learn the Important Issues, with Important Dates that Heaven has left in view.**

**You know, My children, God loves you. As I leave you with Grace, with more Faith and more Trust, I leave you with My Motherly Love, for what mother could not reach out to children who ask for help; and as you do I hear you, and as you seek My Way, I say, ‘Pray My Rosary every day.’ So be it.”**

### SAINT JOHN VIANNEY

**“My sons and My daughters, I am Saint John Vianney. So Many in Heaven are standing by, as man would put it, to speak to children on this night; children who want to do what is right.**

**In the time in which I lived, children had the same problems as you, and many of them did not know how to solve them, their way. In the confessional I listened to heartache, to hurt, and to many things that were easy to solve if the child would only pray.**

**The time in which you live is worse than Sodom and Gomorrah. You must survive it and you must keep in mind you are meant to be a Saint. Sainthood was not something just for the time in which I lived. Sainthood is for you and for all mankind to desire, to strive for, to gain. You live in a time right now that you can become a Great Saint. The question you ask, ‘How?’ The answer is simple: learn to love**

**God, learn to serve God, learn to pray; learn to seek the truth, God's Way.**

**You live in a time when so many men are prideful, egotistic. They want power, and now I say, 'All these things pass away.' The truth is that they are only weaknesses, in so many ways. A humble man is a strong man, a giving man, a serving man, and in most ways, a happy man. A man who worries only for himself is a selfish man, is a prideful man, is a man with little else to do.**

**Right now the power that is sought is sadness to Here, for it is only a temporary thing. The real power of life is governing your own Soul fully, strongly, hopefully, lovingly.**

**You ask many times, 'How do I know what is God's Will for me?' I say to you now: 'That is easy for thee. Do you pray in the morning? Do you tell Him that you are grateful for the things you have? Do you truly ask Him what He wants you to give?' 'A little time,' He might say. Would you be willing to give the time? Most here in the room with *this child* might say, 'I'll give You time, God, every day.'**

**My little ones, you are God's Love, you are God's Creations, you are God's favored children. You see, time with Him would be special to Him. Faith in Him would be special to Him. Trust in Him would be special to Him. Begin the day with no excuses, by receiving The Holy Eucharist that He Is. Right now you live in a time where man is trying to diminish this Great Love of His. The desecration to This is sadness to Him. It is happening all over the world. That is one of the reasons for This Great *Miracle Of The Beloved Saint Joseph*: to teach children the Magnitude of The Holy Eucharist, to teach children What He Truly Is, and to warn them of the desecration.**

**The evil one is constantly devising a plan against God. Your prayers, your love, your service diminishes his plan. Nowhere in time, even in Sodom and Gomorrah, was there so much sin, was there so much crime. Promiscuity is an accepted thing. Homosexuality, against God in every way. Man is seeking escape through narcotics, through alcohol, and God says, 'Child, do not destroy yourself in this way.' There are cults forming in every way, every direction.**

**Men are seeking leadership in these cults. They are not seeking God's Way, but power for themselves. This is weakness, My children, for they do not really teach God's Love.**

**I could go on and on but I say, 'The confessional is one way to clean your way, to clean your heart, to clear your mind, to begin anew, another day.' Another great thing for man to follow is to examine his conscience every day. Do it fairly, look at what you have done, and then ask yourself how you can improve on the following day to come.**

**As I leave you with these thoughts tonight, Another Saint will speak. I bless you with God's Love, My loved ones, and I say, 'Tonight is a good night to begin the path to Sainthood, God's Way.' So be it."**

## OUR HEAVENLY MOTHER

**“My beloved children, I am your Heavenly Mother and I speak with Much Love tonight. Tonight is a beginning for many of you here. In the many Visions of My Way I have told children how to pray. I have warned them of sad occurrences that could be, and I have asked them to watch out, for I cannot bear to see the little ones like thee in such turmoil, drawn down by the enemy.**

**The beloved Holy Rosary must be on your person at all times. It is your safety. The Beads must be said, for through the meditation on them you think of all Important Events God has designed for thee. There are many men smugly laying plans against Divine Way. They can be wiped out, My little ones, if you learn to pray My Beads of Love each day.**

**When it was said that Bishop will fight Bishop, this is true. There are many men being misled and they are looking for things to bear the wrong fruit. Be wise, My little children, and**

**I say this with Much Love, ‘Be careful who your friends are, and please, walk carefully, for much evil and many devils surround you many times.’ Temptation comes in many ways and the only thing that can help you is The Divine.**

**Do not overlook What I have said, for many times I have watched the Angel guarding you, draw you away from someone’s side. He is as real as you, and God gave Him to you for such times. The little children must be taught to walk with caution, for if they do not, they will fall. I cannot bear to see this, for what parent does not want a child to be safe?**

**So please, My little ones, on this night I leave you in charge of all those close to you. Drop My Words, one by one, and tell them about the Holy Rosary they must hold tightly. Please, My children, keep this night close to you for Heaven truly spoke, and as I leave, I bless each one of you with My Love, with Truth, and I say, ‘Keep My Holy Rosary in front of you each day.’ So be it.”**

OCTOBER 14, 1971 AT 8:15 P.M.

## OUR LORD

**“The Heavenly Mother spoke to you of the Holy Rosary. Now, as I speak, I speak to you of the Crucifix. When the prayer is said on this, you draw attention to The Holy Trinity, of Which I am The Second One, The Son, Who died upon the Cross for you.**

**My speaking to you in this way is unusual, that is true; but the time in which you live is important to Us, and that is why We have given the world The Miracle as Such. A long time ago The Heavenly Father Decreed that This Miracle would be. The time is now, My children, that The Son Who was obedient, Who was My Father in an earthly way, must be seen, must be heard, must be Honored, must be Revered, your way.**

**Right now the doors are closed to Churches all over the world, where I stay. So many men are turning away from visiting there each day. The evil one has placed many atrocities this way, forcing the doors to be closed and locked to keep you away. This is**

sadness Here in Heaven, for you see, a child is not only in need in the day, for there are many nights a child could visit Us and return in peace.

Also, My little ones, they are taking away the beauty of prayer in this way. They are not teaching children such as you to pray, to have devotion, too, to the Heavenly Way. Man is striking out the idea to pray. He is too busy doing other things in his way. If you could see what We do see from Heaven in your day, the sadness is sometimes more than We can bear. The children are looking for thrills, looking for ideas, looking for contact, looking for stimulation, every way.

I have come to you on this night to add My Love to Those Who have already spoken through *this child* to you. Beware of the evil one, for he envies you each day. You have time to come to Us. Keep it that way. Each Drop of Blood that I did shed on that day was carried up to Heaven by the Angels, in a special way. You will see It when you arrive Here, for It is being kept to show the children what was done by men who followed someone else, and did not have the courage to stand up for truth or what they felt.

**Right now, in the time you live, there are many, many men so positive in their action, and they are sinning every moment of the day. They are so full of self-love that the evil one says he no longer needs to prod them, for they belong to him. We have not given up on these Souls yet, so prayer from you, sacrifice and penance, will be the answer Here for Them. Each Soul you save through sacrifice of yours is Grace-giving to you in a way nothing else can give.**

**I say to you this night, ‘Be wise, My little ones, do as the beloved Saint said. Begin the road to Sainthood right tonight.’ The Words I speak are Mine, the voice I use is *the child’s*. The Wisdom is Almighty God’s; the Love you receive, Divine. So be it.”**

OCTOBER 15, 1971 AT 11:05 A.M.

SAINT TERESA OF AVILA

**“My beloved sons, My beloved daughters, I am Saint Teresa of Avila. I come swiftly today, but I come with Love and I come with much purpose.**

**To the sons in the room who are seeking advice, who are seeking a way, who are seeking help, I say, ‘Devote your life to God in many ways.’ Pray, as *the child* did say, for the Words were Mine in the beginning, and if you feel a particular field is for you, seek it; but as you seek it, beware of the pitfalls it has, for man has a way of falling into sin when he becomes so eager to get his way. Many times I walked the earth, seeking a place I knew had to be, but, as you, I discovered I had to pray to find the correct way.**

**Right now, in the world, you live in a time worse than Sodom and Gomorrah. Heaven has said it again and again. It is true. You do live in a time such as this and it is sad for you. Many men are placing much importance on the knowledge of the day, on books written by other men and**

what they did say. This is good to a point, but remember this, My children: Do not follow other men for they will lead you wrong. You must stand where you are on your own energies, your own capabilities and your own love, and go forward from there.

Do not ask other men which way you should travel for you will find their opinions will differ from God's, and they will see you in a different light than is good for you. There are many children now being misled by those who are counseling them, for the counselor says, 'I see this in you, I see that,' but the child would be wise if the child would look to God for the answers he needs. Right now many men are leading other men and do not have the ability to do so. You, My children, must seek out the truth, sift it from the wrong, and then follow through.

Today, many men are celebrating My Way. I say to them, 'Better you pray.' So be it."

OCTOBER 15, 1971 AT 11:15 A.M.

SAINT THERESE OF LISIEUX

**“My children, This *Miracle Of The Beloved Saint Joseph* is for all mankind. Through It, you are being taught the Way to The Divine. There are many issues, through It, that you should follow to the letter, for as you walk in the worldly way it is so minor, for the little way you walk must lead you to the Heavenly Realm. There are many things you fight for now, and I say to you, ‘Are they worth the energy you spend and the thought that comes from you?’**

**Many men call Me ‘The Little Flower’. I smile at this when I hear them say, ‘She found the Little Way to God.’ It is true, the ‘Little Way’ was Mine, but for many here now in this room, I suggest this way for you.**

**Ask yourself: If you walked through a field of flowers, would you knock them down or would you step in places so as to not destroy the flowers?**

**I will walk in the field with you now. We will enjoy the beauty, you and I.**

**Naturally, the color will be stimulating to the eye. One of us will like red, one will like blue, one will like green, for you see, we are all different. What we look at appears different to us. This is good, and that is how you must stand in the world, strong in what you know is truth for you.**

**Let us walk now, you and I. Let us gather flowers to place at the Feet of The Holy God. There are many large flowers in our vision now, and there are many small ones, and the odor from them seems to be greater by far. We must think logically and we must look at what the bouquet will appear to be when it is full of our pickings for The Divine Three. One of you will say, 'I want only roses.' One of you will say, 'I like the little flowers for they smell so good to me today.'**

**Now, when we come to the end of this beautiful garden, you will find all our bouquets are different: some big, some small, and yet, all a different kind; and so it is with your lives as you walk each day.**

**When you stand before The Father, the bouquet that you will hand Him will be your way, so I suggest on**

**this day, ‘Do not step over the flowers you think are not for you, but gather those too, along the way, and be sure that the bouquet is as large as you can hold, for in reality, this bouquet will show your love to God alone.’ So, as you lay it at His Feet and you do say to Him, *‘It is my gift to You, God; I picked them, not out of whim but with love, and I gathered as many as I could,’* in reality, this bouquet will be your acts of love. It will be the service that you rendered every day. It will also guarantee Sainthood, as Mine did one day.**

**I bless you with The Father’s Love and with the Grace He gives, and I say, ‘Begin today the bouquet to give to Him, and as you do, remember this: Keep picking as you go, so you will enjoy the beauty every day.’ So be it.”**

OCTOBER 19, 1971 AT 11:32 A.M.

## OUR HEAVENLY MOTHER

**“My children, as you gather in the Name of a Beloved Son, Saint Joseph, I have been requested by God The Father to speak to you in a special way.**

**There have been Visions of Me all over the world and I have spoken to children such as thee, leaving Messages to be honored and to be passed on, to save children from the evil one. Again I speak through *a child* such as thee, alerting you to the horrible things in the world. As you take part, in a small way, in This Miracle of The Beloved Saint, you have the responsibility to leave here and say What you heard today.**

**As I appeared to children in other places, the Messages were given to those who stood around, who could not hear My Voice or sound. In a Vision of this kind, if I had appeared to all mankind it would not have been good, for so many children, wanting to see Me, could not have stood the Vision at that time. So God prepared the**

little ones for The Divine; and so it is through This Miracle of The Beloved Saint: *One child* has been prepared to receive the Words, to pass Them on to you Direct from Here.

I heard you speak of different places who are dedicated to God in special ways. The evil one is attacking every place where His Name is being said, being used, being taught. The reason for the beloved Holy Mother Church to be under such attack at this time is this: This was begun by The Son of God Who was My earthly Son at that time. As He spoke to the multitudes, He gave Direction, He gave Hope, He gave Love. He taught all children the Way to The Divine; and now again, in your time, *a child* has been chosen through whom Heaven speaks and teaches, as it was done a long time ago.

Holy Mother Church is on the line of attack and satan is using every means to destroy this beautiful way that The Son of God began one day. The Bishops, the Cardinals, and all those in their charge, need prayer, need help, need love, and yes, respect from those of you who follow in this way. The one thing that is missing,

that is so necessary now, is respect for the Hierarchy; for, you see, they too have Souls that must be saved, and when they feel a lack of love from you, their human way strikes out in many ways.

There are many, many children following in a religious vocational way, who need help, who need prayer, who need your strength, and it saddens them, it weakens them when they hear you say in a discrediting way, 'They are falling away.'

As I stand Here in the Heavens Where I am, I beseech each child before Me now in this special way, to pray for those who want to save their Souls, who want to follow God in a special way. Do not criticize them but pray, for you see, My little ones, the prayer will give them aid, the prayer will make them look to what is right, and your support in a human way will help them, God's Way.

It is true there are many, many, many cults being formed, and those who are leading these cults are not capable of leading anyone God's Way, but man desires power, recognition, and desires his pride to be fed, so he

**puts himself in charge of things like this so other men will look to him instead of Holy Mother Church, who is truly at the head.**

**I have warned you many, many times that many things would occur against God's Love, God's Will. You live in a time now, worse than Sodom and Gomorrah, and yet so many children say it is not so. The promiscuity all around is a horror to be seen. The sin that takes place right now in the world is sadness as We look upon it. God says, 'Help those children turn away from the evil one, for as long as they breathe there is hope; as long as they pray, there is hope.' So you see, God does not give up on children such as thee.**

**As I speak, there are Many Saints surrounding Me Here and They All want each of you to one day come Here. The narcotics that is around is a horror to see, for it is destroying the minds, the bodies, the wills of so many, many men. The beloved Holy Mother Church is aware of so much of this, and yet they cannot reach all the Souls, and that is why The Miracle of this Beloved Saint Joseph is so Important to the world, for It is reaching you as**

**an individual Soul, so you, in turn, can reach others with your love for God, with your hope, to help others to not turn away from God.**

**If you were to see Me now in view, as I am: My mantle is blue, My dress is white, and the sandals on My Feet are white as snow, for you see, Heaven is All Beauty, and Heaven is All Aglow for The Saints Who have arrived Here, and the Souls Who have come Their Way. There is nothing but a Brilliant Light surrounding Everyone Who stays. The Angels are a Beauty to behold and The Heavenly Father smiles upon Them and says, ‘The songs must continue on till all mankind arrives Here.’**

**Heaven is a Beauty that no man could describe, and that is why, if you were to see one touch of It right now, you would die, for you could not return to the physical as you know it to be, for the Beauty of Heaven would overpower thee. If you knew how much you are loved by The Trinity, you would remain on your knees many hours, giving thanks for such a Love as this.**

**My children, as you sit and I speak to you, you are a few of the thousands**

**upon thousands upon thousands upon thousands upon thousands that must hear the Words from Here.**

**Keep in mind this schedule that I will give you now, and it will help you grow in love with God Who is Above: Open each day with a prayer, not for yourself alone, but for others whom you know and others whom you do not know.**

**Say a prayer for the religious men and women who have walked along the way of learning how to help you in God's Way. They need your prayers, they need your love, they need your understanding, they need your respect of how they stand.**

**The third thing on the list should be The Holy Eucharist, for through This you receive Divine Transfusion, which is the Ultimate; and never let a day go by that you do not pray the words of love My Way, My Holy Rosary. Learn to meditate on the Mysteries as you know them, for as you walk through the beads, the Fifteen Decades say to you special things, Important Events, Important Ways. It tells you what went before to help you along the way, and as you walk through each day,**

radiating your love for God, others will snap it up and will want to follow along, for they will see within you an inner peace, an inner love, and they will know there is something special about you that they cannot even talk about. So as you do this, little ones, remember, God does love you.

Now, at the end of day when all has been done, it would be wise to examine your conscience so you could improve the next day. First of all, ask yourself if you did pray, and then say: Did you help others in this way by radiating God's Love, not by talking or shouting, but by giving them love, God's Way?

You see, My children, this is important, for as The Son did walk the earth and taught to many thousands, He radiated love for God The Father; and as He taught, He did not reprimand, but He was Example to every man, and the Apostles that followed along learned from Him and how He walked, even when He did not speak. They watched His Actions, and then they would repeat what they did see, what they did feel, and this is how they learned to follow The Divine Son around that part of the world.

**So as you leave today, remember All that was said. Keep It close to your hearts, and do not forget to pray for those, other than yourself, to help them understand that they, too, are loved by God.**

**Oh, My children, I bless you from the Heavens in the Sign you love to see, in The Name of The Divine Three. So be it.”**

OCTOBER 20, 1971 AT 11:10 A.M.

### SAINT TERESA OF AVILA

**“My beloved sons, My beloved daughters, I am Saint Teresa of Avila, and I truly come through *this child* to you on this day. My way was a quick way, a busy way, a full way, a good way. I walked the earth in the habit of a Carmelite Nun. I now stand in Heaven with the earthly past gone, but I return always to help children such as you through dilemma, through sorrow, through fear, and yes, I intercede many times, asking God for you. It is not a burden when you are a Saint. It is all service of love. I ask you on this day to let everything you do be an act of love, for as you walk in the earthly way, you will find things easier if you act and feel this way.**

**There are many, many things occurring around you now. They are sinful, they are sad, and it is a horror to be seen by Us, Who stand in the Realm where all things are evident to Us. Men are disguising evil with small bits of good, to attract all of you. Be wise, My children, and do not allow yourselves to look at only the top. Sift**

what is right from what you see, so you will not stray from The Holy Trinity. As I speak to you here, through *this child*, with Love, I have given you much to think about, to act upon, and to follow in your human way.

It is true I gathered many women to follow along the way. It is true that I depended on The Beloved Saint Joseph to lead me in the right way. His Power and His Strength and His Love were a source of great comfort to me; for I felt that, as a Man, He walked solely with The Holy Trinity; and I knew in my heart, and with what wisdom I did have, that to lean upon this Saint was wise, for He walked the way of self-discipline, obedience and trust, and I knew He would never lead me away from God, Whom I knew one day I must face. So you, too, must walk in Grace, in hope, in love, in obedience, trust, the Divine Way.

Right now, Here in the Heavens, thousands of Saints await your prayers. Do not feel you do not receive your request, for always God does give you something when you pray, and He always gives you more than you could think of in the right way.

**So as I leave, I bless you with Much Love on this day; first, for your Faith, then for your trust, and then for your coming This Way. So be it.”**

OCTOBER 21, 1971 AT 8:00 P.M.

**SAINT FRANCIS OF ASSISI**

**“I am Saint Francis of Assisi. I come to This Miracle with Great Love but I come with great firmness, and I say to the sons in the room now, ‘Be cautious, be conscious for the magnificence of sacrifice and penance,’ and I say to you also, ‘Do not be led by other men to places you know that are full of sin, for when you do this you are weak and you are bound to be sorry afterwards.’**

**As I walked the earth I walked with many men. I walked, not in great power, but in humility and love for God, Who was All Power, Who is All Power.**

**I come to you through This *Miracle Of The Beloved Saint Joseph*. Through This Miracle I say to you now: ‘Be aware of Sainthood. It is for you. Each man in the world now is entitled to Sainthood.’ Yes; and now I say, ‘Will you gain it?’ Remember, My sons and My daughters, that as the child is conceived, a will, a Guardian Angel and a Soul is put there for many**

reasons, and to give purpose to the life that is real. You use your will each day of your lives to do what God wants or what you please. Would it not be wise to do His Will first? for when you do, you will find your will, will not seem as important to you.

Many men are starving all over the world. Right now, there are many men who say: 'Let them starve. They could have walked another way.' What selfishness there is, perhaps not just among you, but the world is suffering much from this. Satan says, 'Be selfish, be envious, be prideful, for these things will give you power among men.' God says, 'Walk in humility, obedience, self-discipline, trust and love, and do not worry about being great among men.'

As I walked the earth and I knelt to pray, I said to God one day, *'Please help me to know what You want of me and help me never to stray.'* As the Wounds were inflicted upon me and God did not console me, I knew that I had acquired a cross. It was like The Son had walked with one day. The pain was there but so was the Grace. The dignity was there, and I say, 'It took much self-discipline to withstand others gaping at these Wounds,

**and wondering why I, the man, had acquired these from God.'**

**You see, My children, the time in which I lived was, in many ways, as yours: sadness to God. There were many men seeking power and many men asking for great favors from one another. Man must change for man must say, 'God is the only Way.'**

**I bless you on this night with the way I walked. It was not easy for Me, and I say, 'It had many Graces and I want you to share Grace this way.' So be it."**

OCTOBER 21, 1971 AT 8:30 P.M.

## OUR LORD

**“My beloved sons, My beloved daughters, nowhere in your time did you expect to hear My Words Divine, so direct, so complete. I walked the earth one day as you. I was man, and yet within My Being I had the Wisdom of Divine Plan. I knew the day was to be that I would suffer for man. As you, I shut out this thinking, for I could not bear to face the ordeal, and yet I knew that the flesh I would give up, that I would suffer with, was the Greatest Way to show you God’s Love for you.**

**I say to you now that the Chalice of Sacrifice is overflowing. The Chalice you are used to seeing is small, compact, and in this Chalice are The Divine Three.**

**As I stood on the earth I stood as you: alone, frightened, and many times when My Body hurt, I wanted to cry out, ‘*God, help Me!*’ There are many times Here in Heaven when I experience listening to another child, on a bed of illness, in the way of fear, cry out, ‘*God, help me!*’ You are heard,**

**you are loved at these moments, and also in moments of peace.**

**My children, no moment of the day goes by that God does not watch over thee. The trials of the human way are given to man for a special way, a special purpose; God's Plan. It will be through these trials that you will gain God's Eternal Plan.**

**Heaven is like nothing you know on earth. Heaven is Love, It is Trust, It is Joy, It is Happiness, It is Peace, It is Tranquillity. As you sit with *this child*, this is what you feel from her, through her. Is this not so? It is Our Love she gives to you, on the moment, at the moment. We designed it to be so.**

**Right now there are many children of all ages lying ill, asking God or a beloved Saint to help them in some way. The prayers are heard and love returned for Faith the child has in this way.**

**The time in which you live right now has many problems, many sins. Man is trying to conquer all these things. A wise man will turn to God for comfort, for consolation, for love, yes, and for confirmation.**

**You see, My children, you live in a time that so many men are trying to forget The Divine, for there are some walking around saying My Name quite loud, but if the truth be known, they are only following a crowd. They do not know what I desire and they do not feel My Love. They are too busy being emotional, and yes, arguing over how I would react if I were standing among them. These are foolish children, for they are not following God's Way, but they are following their own thoughts or another man's ideas.**

**There are many, many self-made leaders who do not know the way to lead. They do not have the capacity to follow. This is sadness, for there is strength in following truth. I followed The Heavenly Father.**

**Right now, the time in which you live, there is much scandalizing to the little ones. You see, the little ones, if given half a chance, could sift out truth, for, in their innocence, in their love for God, they have a certain amount of wisdom, but there are so many men who are eager to break down this wisdom and implant practical knowledge. There is much sadness in**

**God's Way because, you see, children are thinking nothing of straying.**

**The Holy Eucharist, Which I Am, waits for each man each day. Ask yourself on this night, how many excuses you give to not receive The Holy Trinity; and yet, if a friend were to ask you to spend this time with him, you would find very little excuse and you would give in to him. We stand each day on the Altar, in the Chalice, just for you. How many will remember that it is Our Love that makes Us wait for you?**

**There is a chalice overflowing and God The Father does say: 'The children must turn to prayer, to accepting truth; it's got to be this way,' and through This *Miracle Of The Beloved Saint Joseph*, Who fathered Me in an earthly way, All Heaven speaks and says, 'Be sure you learn to pray.' Man is shouting he wants peace. Oh yes, he does. The peace he wants is on his terms, not Ours.**

**The Heavenly Mother stands right close to Me. She pleads each day with The Heavenly Three for Souls who cannot see God's Way. Her Way is that of a Mother, and through Her Love**

for you, She constantly pleads that We will watch over you. The Love She has for every child is far beyond your knowledge, and I say to you tonight, 'Place the little ones in Her Care, for as you do, She will always be there.'

The Holy Rosary Heaven holds dear, and each son who is in My Presence now should have it on his person. Hold it close, for it is the greatest protection against the evil one.

Also, My sons, seek help from the beloved Saint Michael, and when you feel danger near, when you feel in fear, say the prayer that He holds dear. His Mightiness is as Great as you have heard it to be. The Sword He carries is the Sword of Love for The Holy Three. It is not a sword as you know a sword to be, for that would not be strength, you see.

You, too, My sons, must carry this sword that He does carry, for when you do and as you do, you will feel strength and you will never tarry. When God says it, a decision has to be made.

Keep in mind, My little ones, The Holy Eucharist, the Holy Rosary

**prayer, and no matter what any man says, you must hold it dear.**

**I bless you with The Father's Love and with the Truth We are. I bless you with The Heart I gave for all mankind, and every Drop of Blood I shed at that horrible time was picked up by the Angels and brought to God, to remain in the Heavens till the end of time; and I bless you with The Holy Ghost, the Light, the Wisdom, the Love, the Truth, that will help you in Faith, for you see, the path you walk is right for you. So be it."**

### SAINT MARTIN DE PORRES

**“My beloved sons, My beloved daughters, I have requested through *the child* that This be taken in a special way, for I wanted to be sure that Each Word I did say was securely done and could be read every day. I am the Saint you have requested to be present. I am Saint Martin de Porres.**

**As I use *this child*, I use her in God’s Way. She is as a chalice overflowing with Wisdom, Heaven’s Way. As the flowing takes place, the Words are to be picked up by mankind throughout the wide world, in every place.**

**I come on this day and I grant each child here God’s Grace. Mankind is fast becoming aware of the Beauty of Sainthood through This Miracle of Many Words, Much Love, Great Direction, All Truth; teaching mankind the power, the dignity, the integrity, the greatness of self-discipline, obedience, trust, Faith. As the chalice flows and man picks up the Words, man must**

**take the Words and follow What They say.**

**In My time there were many men against My way. So it is now, in your day. The confusion all around causes man to have little Faith, little trust. The turmoil that is evident in daily living gives man a great amount of despair, and yes, causing man to misinterpret what is truly there. All Heaven has gathered so that mankind will be aware of the Reward of a good life, of the Gain that awaits man after the physical strife.**

**Right now, in the world, there are groups of men trying to destroy the Church of your choice. They are gathering in groups, praying their own way, not accepting the Way that was laid down by The Heavenly Son one day.**

**My children, you are part of the world and yet, in reality, a great Part of Heaven, for the Soul you have must return to God, glowing with Grace, radiant with Love, no matter what your race.**

**There are many, many, many, many men who are fighting for good causes. Perhaps the cause is justified,**

perhaps the cause is good, but the method used has an undercurrent of the evil one's ways. Where he is, there is no peace. Where God is, and His Way, there is all peace.

The joy you radiate when you gather with each other is human joy. It gives you pleasure. It lifts you for the moment. Is this not so? It is a temporary joy, but if you will be wise enough to pick up the Words from the chalice of Love, you will find Eternal Joy. This is what God wants for you. This is what I want for you, for the Joy of Heaven, the Happiness Here, the Love that is Here, is far beyond your knowledge.

God is saturating the world with *This Miracle Of The Beloved Saint Joseph*. He is giving It in this manner to help all men better understand the Power He is, the Beauty He is. If you could but see the agony all around, the despair, you would cling to Each Word from Here. You are protected by God, for you could not stand the sin if you were to see it the way God sees it from Here.

Keep in mind each day the chalice that overflows, but keep in

**mind the necessity for you to follow God's Plan. You see, My children, you are handed the opportunity direct. You are handed a Touch of Heaven direct, through a means, through a manner you can accept.**

**I bless you with The Father's Love, and indeed, Mine too. So be it, My cherished Souls, for from Here I will always help you."**

### SAINT FRANCIS OF ASSISI

**“I am Saint Francis of Assisi. All mankind is asking for answers, direction, and man wants a definite plan as to how to walk, how to think, how to live, how to love, how to do all things. I say to you now, ‘What merit would there be if God gave you a constant plan to walk in, if it directed every moment of your day?’ There would be no you shown forth. There would be no way for you to gain strength, and there would be no allowance to the privilege of you using your will for the sake of your Soul.**

**In My day there were many, many men who wished like you wish, who thought like you think, and who acted like you act. I said to them and I say to you: ‘Ask God to hold your hand, but for His sake, for your sake, for the sake of your Soul, use your will to serve Him, to act out your actions of love for Him, and to help other men by your actions, your thoughts, your words, your deeds.’**

**You see, My children, the Plan is there, the Love is there, the Purpose is there, the Direction is there. It has been handed down through time to all mankind, but man has become lazy, indifferent, and he wants it to face him line by line, word for word. I say to you now, 'Use the physical you have, the physical you are, to follow God's Plan.'**

**All over the world right now, men are devising ways to make things easy in their day, and they are saying to other men, 'We have the answers to all things.' Not so. You know, My children, it takes service, it takes obedience and it takes trust to help your Soul grow in the glow of the Divine Way. If you were to see your Soul now, here in the room with you, each Soul would have a glow and each glow would be a different degree.**

**Ask yourself on leaving this dwelling today, how would your Soul glow? How would your Soul radiate your love for God? God's Love is in your Soul, so it would be your love for God that would show. It would be wise to carry each day the sight of your Soul, and in this way you will be aware that more acts must be done, more**

obedience must be given God's Way, more sacrifice must come from within you, and yes, more penance must be your idea each day.

You know, My children, Heaven is divulging many secrets through *this child*. Heaven is pouring Words out in many ways to all children all over the world, and now I say to you: 'After you hear the Words, what will you do? Will you ignore Them or will you follow Them, or will you pass Them by, saying, "I will pick Them up when I am ready to, one day"?'

My children, God is giving you His Hand, and I say: 'Be wise; take It. Do not try to understand for it is too great, but walk as a child with your hand in His.' Remember, it is wisdom that you walk in when you walk this way.

I bless you with God's Love and I bless you with the Heart of The Son, for through this Heart He saved mankind. Again mankind needs saving, but not in the Ultimate Way it was done once before. This time the saving is different, and now I bless you with the Light of The Holy Ghost, Three in One. So be it."

SAINT JOSEPH

**“My beloved sons, My beloved daughters, all through time man has asked The Heavenly Father to reach him in a personal way. No closer touch can man have today than This Miracle of Mine. This Miracle is to saturate the world with Words Divine. The need is greater than you know, and the task a tremendous one, and it does not show. You live in a time worse than Sodom and Gomorrah, and if you will but remember, The Heavenly Father had to destroy the sin, the corruption, and all those who partook in this way of life.**

**As I speak to you from Heaven Where I am, I speak to you through a *child* such as you. The Words are direct through her being. As she sits with you, she is of flesh. I am no longer of flesh. I am of The Divine Way.**

**There are Many Saints Here Who want to speak to you, to tell you the importance of walking God’s Way, the peace it will be for you each day; but before I leave, I want to say: ‘Be aware**

**of the cults surrounding you today. Be aware of the promiscuity others take part in. It is sin. It is against God. Beware of the dread of narcotics, for through these things satan will take your mind.'**

**Please, My children, do not fall into the pits of weaknesses just to be a part of mankind. At the moment of conception God made you a part of mankind, but the Greatest Part of you is your Soul, and always keep It in mind. As you want the outside of you to be attractive to all mankind, be sure, My children, that you allow your Souls to glow in the Heavenly Way for Eternal Life.**

**As you sit in this room, as you gather together in God's Name, each of you has a Soul that must one day return to God in a Glow of Light, in a Ray of Light, in the truth in which It stood. If, at this moment I were to bare your Souls before you now, I wonder how you would feel. Would you enjoy what you did see, or would you ask Me to hide It from the eyes of others? If you feel you might react like this, keep in mind, My children, that at all times of day and night, your Heavenly Father has your Soul in sight.**

**So when you leave this dwelling on this precious night, be aware of the Soul that walks with you, that glows because of you; and when you pray, remember too, to promise God that through this prayer you will work to help the Soul He gave you glow to a Greater Light.**

**I bless you with The Father's Love and with the Heart of His Son, and I bless you with more Light from The Holy Ghost. Remember, My children, one day We must see Each Other as a Glow. So be it."**

NOVEMBER 4, 1971 AT 8:04 P.M.

SAINT ANNE

**“My beloved children, The Heavenly Father has requested My coming to you tonight. I am Saint Anne.**

**All children cherish the love of a doting grandmother, for her love is always a delight. It is a giving love. It’s a serving love. It’s a tender love and a love that gives warmth to a child. As this love is a human way, a human love, I say to you on this night, ‘I, your Grandmother, come with much delight.’ I enter the room in a human way; that is to say, My Words speak out so you understand What I say, but in truth I am in Heaven, Here to stay.**

**As I once lived upon the earth as you, I walked the physical way as you; and as I walked this way, I loved the children when I watched them play, for I knew that one day they must grow and take responsibility their way. I always wondered how sincere they would do this in their way.**

**As you know, My Daughter had to play, and when She was so very small**

and I would stand by, performing the chores and seeing that She was taken care of in my way, I could not help but know that She was Special in some way; for the Charity She had, the Love She showed, was something Special, and very often I would say to Her beloved father, 'I wonder what God has planned for This Child one day.' He would smile proudly, and yet in his way, did not realize the Magnitude that She must walk in one day; and so you see, as time went on, God did show Her what He wanted, and as He showed Her this Special Road, I gained a Son through Her.

Now, The Son that I did gain was a Special Son to all mankind. He, too, was Special to you in every way, for it was through His Life and His Service to The Father that you have the opportunity to gain Heaven. Remember this through all your lives, and yes, stay close to Me, for I love all children, for I am your Grandmother, and as I say this to you tonight, please, My children, pray that all children will get to know the Beauty of God's Way.

As I leave, I ask each son here in My Presence to cherish the way, and follow God's Plan in saying the Holy

**Rosary each day. You may wonder why I point out, with such distinction to the sons, a special request from a Grandmother: because, I did have a Grandson. So be it.”**

## SAINT ATHANASIUS

**“My sons, My daughters, I am Saint Athanasius. I lived a long, long, long, long, long, long time ago, and at the time I lived in the world there was much heresy, much trouble going on. I found at that time, that I had to stand up for the truth that had to be known. I also found that I had to fight men who stood arrogant in their way. I also found that I had to make plans to win the arguments against the evil way. I also found, the more I fought for truth, the more I delved into it, the more I accepted it, the more peace I felt.**

**I can remember a time that a great argument was about to take place. There were very learned men on the other side, and there were very, very many who were against what I was talking about. Before I entered the room, I realized that to state my case, to win the argument, to prove to these men that I stood in truth and they had to accept the truth because it was the Will of God, I couldn't do this on my own. I had to be prepared, but I knew**

that my preparation was not sufficient. I knew that God Himself would have to enlighten me, to encourage me, to aid me, to guide me, to direct me, and as I knelt on my knees, I said to Him: *'As I fight for You and what is right, please stand by, and when I make a mistake, please God, shake me up so I will know that it is a terrible thing I do'*; and I talked on and on for quite a lengthy time and, as I did this, I did not feel a great surge of light, but suddenly I felt that I had to go out and fight. I had to find out why these men were so wrong, and why they let themselves get into this situation that was so wrong.

**Y**ou, too, in your time that you live, must stand for truth and you must ask The Father to help you, but also, do not stand by and let these men say the things they feel they can. Show them where they are wrong. Prove to them that truth must be followed, must be sought.

**Y**ou see, My children, you live in a time worse than Sodom and Gomorrah. Heaven has said it many, many times to impress, to let you know that you live in dangerous ways, in a dangerous area of time. God does not want to destroy mankind. He wants

**mankind to survive the elements, the agonies, the horror, the disaster of these times.**

**So, as you go forward to fight for what is right, keep in mind at all times that you cannot win without The Holy Eucharist within. This will be your strength, for as you receive The Sacred Host, you receive The Blessed Trinity, and This, My children, is the Most. Do not forget that as The Host touches your tongue, you receive the Power of God's Love and you receive the Strength of His Way and the Enlightenment for each day. I bless you with The Holy Eucharist and I say, 'Never let one day go by without This inside you.' So be it."**

NOVEMBER 6, 1971 AT 12:05 P.M.

## SAINT ANNE

**“My beloved sons, My beloved daughters, I am Saint Anne. The Words that have just been delivered through *this child* were straight from Heaven. They are All Truth and They are to help mankind know that man, at any age, can sin. Man, in any walk of life, must use his will to reach out to God’s Way. The need to save Souls is far greater than you know. God’s Plan was to have man enjoy Heaven. The Souls who neglect to help themselves in this way are sad Souls, in many ways.**

**If The Heavenly Father were to allow you, at this moment, to see the number in Purgatory, you would be shocked. If you were to see one touch of Hell, it would sicken you inside until you vomited your insides out. The way man is going in your day will lead him to these places, and that is one reason for This *Miracle Of The Beloved Saint Joseph*. It is to draw mankind away from the pits of Hell, from the sorrow of Purgatory.**

**T**here has been no time in the world except, of course, the time The Beloved Son of God walked the earth, that so much Teaching has been given, so much Love shown, so much Direction pointed out to mankind, as This Miracle now. The Holy Trinity decides just what Lessons the children will hear, will know, will be guided by at a given moment, through This Miracle of Divine Way.

**M**y children, at any age you can learn to pray. You can begin to sacrifice and you can learn the value of penance. All ages must learn about it and must accept it. All peoples of all over the world must know the Greatness of Sainthood, the paths to It, and the Love God has for It.

**I** walked in the world as you. I was a wife, I was a mother. We carried on the daily tasks, the daily way, always conscious of Divine Truth, Divine Way, Divine Love, as you must be in your day. You live in a time worse than Sodom and Gomorrah, and God is giving man this chance to turn His Way. *The Miracle Of The Beloved Saint Joseph* is a daily Miracle, a daily Way, a daily Truth.

**I** say to you now: ‘Do not live in the past for there is nothing about it you can do. Go forward with the strength of truth. Go forward, seeking the Wisdom and the Light from The Holy Ghost, and do not be sidetracked by others who are too weak to accept what is good.’

**R**emember, My children, as I stand Here in the Heavens I am your Heavenly Grandmother, and I worry for all My grandchildren all over the world. My Love is as this: a great concern for how you live, what you do, how you follow God’s Plan for you. As I mothered Mary, the Grace I felt was from The Heavenly Father. Grace is reward to each of you, as it was to me in that day.

**Y**ou must remember that Heaven is here for you, and God waits lovingly. So, as you leave this dwelling on this special day, do keep in mind that you must pray, and know within your heart, your whole being, that today can be the beginning for each of thee.

**A**s you entered in the door you were Blessed by Our Lord, and as you leave you will be Blessed again. Keep in mind this Blessing and know that

**with it there is Grace for your Faith, for your love for Him. I bless you with My Love and I say: ‘Stay close to Heaven with your mind and heart each day. Keep It ever in your sight and always know that you have the privilege to choose what is right, with your will.’ So be it.”**

NOVEMBER 9, 1971 AT 11:00 A.M.

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, I am a Saint of Great Renown and I have come through *this child* often. It is the Will of God that all men seek truth now. It is the Will of God that man follow God’s Way, God’s Plan. It is the Will of God that man begin to pray. It is the Will of God that man dismiss promiscuity from his way, and narcotics be driven away. They are affecting the minds of men, as alcoholism, all over the land.**

**Now I say to you, My children, you have wondered Who I am. I am Saint Joseph. I come direct to you through *this child*. I use her way, I use her throat, I use her mouth, I use her mind, to reach you. There are some children in My Presence now who say, ‘How can this be true?’ and I say to you: ‘Do not have little Faith in such a Miracle as This. Ask God to help you to have a Greater Faith and to accept What He would do.’**

**All over the world, men are playing games with their Souls. As of**

today, My children, keep in mind the Soul that God gave you, and know that it is this Soul that must return to Him one day. Ask yourself now, if you laid your Soul bare before all men here, how would you feel? How would you act? What would It look like to you? Would you be ashamed of It? Would you be happy about It? It is there before God each day.

And now I say: ‘If you have sinned in the past, which I know you have, ask God to forgive you. Ask God to help you, and from this moment on, tell Him that you will offer sacrifice and penance for what you have done against Him.’ Today could be the beginning of Sainthood for you. Ask yourself now: Do you desire Sainthood? for you know It is good.

As I bless you with My Love, I bless you first with The Father’s Love. As I bless you with the Heart of The Son, I bless you with Our Lady’s Heart as well, and I bless you with the Light of The Holy Ghost, for you see, My children, They are Three in One. So be it.”

NOVEMBER 9, 1971 AT 11:05 A.M.

SAINT ANNE

**“My beloved sons, My beloved daughters, This *Miracle Of The Beloved Saint Joseph* is to help you save your Soul. As you gather in this dwelling on this day, as Heaven looks at you in Heaven’s Way, Heaven sees the glow of your Soul, the Light that shines forth from Each One. The next time you kneel to pray, ask God to help you in your Soul’s way. Ask God to let you know what He wants of you. Ask God to hold your hand and teach you to pray.**

**I am Saint Anne. As I speak from the Realm of Heaven, I say many things to many children through *this child*. *The Miracle Of The Beloved Saint Joseph* is to help all children, of all colors, all races, all creeds, to come Here Where We are. Please know that Hell is as real as Heaven. Please know that Purgatory has many places. Please know that God does not want any child to partake in either of the wicked places. Satan beckons every moment of the day. Sometimes he uses your tongue, sometimes he uses**

**your ears, sometimes he uses your eyes, sometimes he uses your touch, sometimes he uses your whole being, but only when you allow it to be.**

**My children, I am truly your Heavenly Grandmother and you have not thought of Me in this way, but as all grandmothers love children, I love you in a special way. The time in the world now is very sad to God, for children are using their own wills to destroy their body and their Soul. As you use your will each day, to walk through each day, keep in mind one thing: If you use it wrong, Sainthood will be farther away. If you use your will correctly, Sainthood will be evident to you each day. As all children like reward for what they do, God has designed the Greatest Reward in the world for you, and that is to be a Saint one day with Him in the Realm of Heaven.**

**Man speaks of Heaven loosely, quickly, jokingly, but please believe Me, My children, Heaven is the Most Beautiful Thing that God could design for man. Heaven is Peace, Heaven is Love, Heaven is Happiness, Heaven is Joy, Heaven is All Truth, and if you use each day in a truthful way, you will come Here one day; and those**

whom you know, who find it easy to tell untruths, please, whatever you do, pray for them, for the habit will destroy them, will destroy their Souls; and as long as you are aware of the problem, it is up to you to pray for each Soul.

As I leave you now, I give you The Father's Blessing for It is the Greatest Form of Love; and I make it in the Sign you are used to, *The Sign of The Cross*, and I say: 'Do as The Father Wills, each day. Follow the Heart of The Son and you cannot go wrong. Follow the Light God has given you, through the Words of Truth, through what you know is right,' and now I say, 'I love every child.' So be it."

NOVEMBER 9, 1971 AT 11:15 A.M.

OUR LORD

**“My children, as I once taught on hilltops, from the water, in closed areas, I am teaching again; this time, direct from the Realm of Heaven Where I am. I am The Son of The Father, and I speak with Much Love today.**

**As you partake in The Miracle known to the world as ‘*The Miracle Of Saint Joseph*’, I, too, come to spread His Name, for It must be seen, must be heard, and It must become known throughout all lands. As I walked the earth, He was My earthly Father. In Heaven Here, I am His Father. Do not try to understand, but pray; and now I say to each child here: ‘You have taken the first step God’s Way. Whether it be out of curiosity, whim, desire, hope, Faith, charity, nonetheless, you used your will to take the first step.’**

**If I were to show you now the Crown that awaits each one here, I would be offering you a material gift. I smile at this when I say this to you, but I add, ‘The Crown is a Heavenly**

**Way, in a Heavenly Realm, and It is different than your day.'**

**To those who are dying, they must have hope. To those who are ill, you must give them hope. To those who have little Faith, you must help them understand God's Way; and to those who say they have no Faith, you must pray for them each day. Man speaks of charity but man does not express it, extend it, in little ways.**

**As I speak to you from the Realm of Heaven, you picture Me in many ways. Some children in the room picture Me on a Cross, some picture Me with an open Heart, and some picture Me in a white gown, standing before them, speaking in My Way. I could go on and on and tell each child here how they are picturing Me. Please, as you picture Me, know that the Words I speak direct through *this child* are Truth.**

**And now I give you a Way to travel to Here. Use your will to do all good. Use your will to pray each day. Use your will to sacrifice. Use your will to perform penance each day. Use your will to help others know of God, of All The Saints of Heaven, and what**

**importance it is to pray. Use your will to do all things God's Way.**

**Next, be sure that you open each day for yourself with the Sign that Heaven loves to see a child use, for each time you make *The Cross* you call on The Divine Three. The next thing I suggest is that you allow yourselves The Holy Eucharist, and as you walk to receive This, know that It is Divine Transfusion with your human means. No closer Love could God give to any child of His.**

**Now, when you leave His Home, where He waits for you each day, pray, for you see, when you receive The Holy Eucharist, We watch over you in a special way, for within you, you have Us, to walk through the day. Those who are ill and cannot go forward themselves, make a special point to see that We are brought to them in The Host. It is important, My little ones, for We are a Strength that nothing else can be.**

**Heaven has given man special prayers to say. Say them often, all through the day. When the '*Our Father Who Art in Heaven*' is spoken by a child, God knows the child is obedient, and**

**the prayer is so worthwhile. Never omit the Holy Rosary, for when you do, you ignore The Heavenly Mother, The Heavenly Queen. She is in charge of Souls, you know, and each day She gathers all the Rosaries that you do say and presents them at the Feet of The Holy Trinity. She bargains with Us often for She desires all the Souls to be released, and as this happens, She is difficult to refuse. So as We gather the Rosaries that you do say, We ask you on this day for you, also, to gather others to pray in this way.**

**I bless you with My Love. I bless you with the Truth. I bless you with the Faith to follow through. So be it.”**

NOVEMBER 11, 1971 AT 7:45 P.M.

**“My beloved children, I am a Saint now, but I did walk the world a long time ago. I walked with much effort for I was lame. I walked with much love for I did find that there had to be a God Above. I saw too much wonder around me each day and I knew no man could furnish this Greatness in man’s way.**

**As I walked the earth, my leg poured pus. The ache was too much at times, but I found that if I were to offer this pain to God it was relieved much. My Name is not important to you, but My Message is. Do not allow yourselves to become so worldly, so materialistic, so immodest, that you do not thank God, beseech Him and love Him, for the small things, in the small ways you are.**

**Too many men are crying out against God because they are blaming Him for all the sadness, all the despair. I say to you now: ‘How much of your will has caused what you feel? Has it been a selfish way? Are you full of self-**

**love, or do you give? Do you serve? Do you tolerate? Are you obedient to God's Rules, God's Commandments?'**

**As you gather tonight with Faith, in hope, with charity and in dignity, keep in mind from now on to thank God for what you are, who you are, what you have, and begin tonight to grow in depth in love, His Way.**

**As I bless you, it is God's Love. As I touch your heart, it is with His Way. As I cross your shoulders with His Light, it is so you will come Here one day. So be it."**

NOVEMBER 11, 1971 AT 7:53 P.M.

SAINT AUGUSTINE

**“My children, I will speak first to the sons in the room, the sons who are present, of all ages, all ways. As I speak to you now, you are not above prayer. Remember this, for I walked in a very harsh way. I am Saint Augustine. I say to you now, ‘Keep in mind My way, and keep in mind what I found the truth to be, and keep in mind of how I changed in many ways.’**

**As I speak to you on this night, I say much and I teach much through *this child* who has been designated by God to be the channel to reach you. First of all, set your lives right, and as you do this, learn to do it in the proper way, in the proper manner. Make a schedule for yourselves, and remember, as you keep the schedule, do not be easy on yourselves. Be firm, be tight, be taut, and know that as you walk in the way of man, you must walk for God and God alone. You must walk in a service way. You must walk in a giving way and you must walk in a loving way.**

**And now I switch over to the daughters in the room and I say: 'It will be through your prayers that many men will be saved. It will be through your example that many men will come Here. It will be through your modesty, your purity, your love for God and your devotion to The Holy Mother of All, that will draw many Souls This Way.'**

**And now I talk to each one in the room, separately and combined. Do not omit the Holy Rosary from your way for through this prayer you say, '*Hail Mary, full of Grace,*' and right there you acknowledge that One Woman did walk in a Great Way.**

**Remember, My children, as you gather on this night, you did not gather for fun, you did not gather out of fright, but you did gather to learn God's Direction, God's Way, God's Plan, and do not omit One Word from your way. I bless you with God's Love. So be it for today."**

NOVEMBER 11, 1971 AT 7:56 P.M.

SAINT ELIZABETH

**“My beloved children, I am Saint Elizabeth. As I speak through *this child* on this special night, to each one here, I say now, ‘Every moment you spend in God’s Way, God’s Service, will pay dividends with Grace one day.’ Man is so preoccupied with worldly gain, man pays little attention to Spiritual gain. Make it a note right now, that you will keep tab on your Spiritual growth and you will try hard to gain Grace and grow in Spiritual way. Do not allow yourselves to slide, for when you do, it is only yourselves you have to blame.**

**As I walked the earth I bore a son who had, and has a Special Name. He found what was right and he found his way, and he walked it, day by day. So you, too, must do this, in your little way. He found happiness in service to God, and there were many times he doubted his way, but as He stands Here in the Realm of Heaven, He wishes to say Direction your way.”**

NOVEMBER 11, 1971 AT 7:59 P.M.

## SAINT JOHN THE BAPTIST

**“My beloved children, I am truly John The Baptist, and as I speak to you, I speak in the firmness I spoke a long time ago; and as I gathered men around me and told them that one day this Man would walk the earth, I say it to you again on this night, and I say, ‘Again God sends *a child* with Messages for you.’**

**As I speak I say to you, ‘Do not walk with your head in the clouds but your feet on the ground and your head in the area of reach.’ I say to you now, ‘Walk with Faith, walk with hope, and yes, remember What Heaven does preach’; and I say to you with Love, ‘As I have walked the earth, I want you also to walk, with dignity and integrity, and do not allow the cults to gather you up and to swallow you into their little meaning.’**

**Follow the truth, follow the Ten Commandments. Follow the prayer God gave, ‘*Our Father*’. Say it daily, say it often, and above all things, say it with meaning, say it with feeling,**

**and know that what you say, you are acclaiming God in His Way.**

**I bless you tonight in a special way. It is a privilege given to Me by God to come through *this child* to teach again one day. So be it.”**

SAINT ANNE

**“My children, I am Saint Anne. I speak to you tonight because I love you. I speak to you tonight with a Heavenly Grandmother’s Way. I enfold you in My Arms and I say, ‘Follow The Father’s Will, follow The Father’s Way, follow The Father’s Teaching, so you will come Here one day.’**

**You are so little in God’s Eyes. You are so weak, so do not try to know all things, but be as a child and God will take care of you in every way. Do not feel you have to compete with The Saints or with God. Do not try to feel on an equal level with Him. You are not. Stand at His Knee as a child, pray at His Knee as a child; and oh, My children, visit Him in The Blessed Sacrament where He waits in loneliness for all men. As He waits there, He waits for you, and so many children pass by and say they have too much to do. This is selfishness on your part.**

**So remember, I am your Grandmother, and I request of you**

**today to stop by and say that you love Him, that you need Him, that you thank Him in your little way. So be it.”**

## OUR LORD

**“My beloved sons, My beloved daughters, I speak through *this child* to you and I speak now from the Heavenly Realm Where I am. I once taught Man to man and I taught with the Wisdom of The Heavenly Father, and now, as I stand in the Divine Way, I teach God’s Love, God’s Truth, in a Divine Way.**

**Since the time I walked the earth, there have been many prophets chosen by The Heavenly Father. Their tasks were set down for a definite purpose and in a definite way. This time, God The Father, The Heavenly One, The Creative One, speaks through *another child* to save mankind in a different way. All Heaven has come forward to save you. You are this important to God, for as you were born, you were born of His Love. Know this.**

**The world in which you live, on which you walk, is in a state of confusion. It is in a way worse than Sodom and Gomorrah.**

**These Words are being released to you direct from Heaven. I am The Son. As I stand Here, Where I am in Divine Way, I want each one to know that The Holy Trinity expects your Soul to come This Way. It is sadness Here when you treat It so lightly. It is sadness when We see children so busy at play they cannot work to save their Souls.**

**As you gather now in a room of your day, the glow of your Soul comes This Way. You do not see It but if I were to show you now, some of you would be sad, some of you would be happy. So as of this day, from this night, keep in mind that you must save the Soul given to you by God.**

**I taught on the hilltops These Same Words many years ago, and now again They are being taught in your time, in a way you can understand, through *a child* as you. Do not ask yourselves how much you have absorbed, but do ask yourselves how much you intend to give, to serve, to grow from this day on.**

**When temptation comes your way, walk away, My children. When sin is evident around you, ignore it, and do**

not let it touch you. Be example, walk in love, but walk in obedience above all things, for if you are not obedient to God and the Rules He set down for you, you cannot expect to glow with a Light that you will be proud of.

There is All Plan, there is All Order to God's Way. He set it up with His Will and with His Way, and if you will look back on the History of man, you will see that God put all things in order, for He did love man in His Way. So as of tonight, I suggest that you use your will to put your lives in order so that each thing that you do will be a credit to you.

And as I teach again through *this child*, I say, 'Be conscious of your Soul and Who gave It to you, and as you are conscious of these things, keep in mind to pray; for as you pray, you communicate with God Who created All Things.' As the Teachings are taught, as the Lessons are absorbed, as the Direction is given now, It was given in My day. Do not trust the books that you read, for they are man's thinking, man's personality, but I say, 'Trust the Ten Commandments, and above all things, trust in prayer.'

**And now, before I leave, My children, I want to say, ‘Receive The Holy Eucharist every day, for as you do, It is Divine Transfusion with human means, and as We enter your little being, We give you Strength, We give you Our Love, and many more things.’**

**I bless you in God’s Love and I bless you with My Heart that I gave one day, and I bless you with the Light of Heaven that is All Truth. Follow It, be guided by It, absorb It, and please, My children, be good. So be it.”**

## OUR BLESSED MOTHER

**“My beloved sons, My beloved daughters, I come to you today because I love you much. I come to you today to give you a Mother’s Touch. I come to you today to tell you that you must pray the Holy Rosary My Way.**

**I have appeared in many Visions all over the world, and as I come through This Miracle of Love, This Miracle of Hope, This Miracle of Truth, guided by Divine Way and governed by It, to perpetuate the Name, the Honor of The Beloved Saint Joseph, I come to give My children Direction, firsthand.**

**There is so much agony in the world, so much distortion of truth. There are so many children running around, seeking something new, and there are so many children thinking they are following God and His Plan, not realizing they are being drawn into satan’s plan.**

**My children, The Heavenly Father thought of all things to help you. He has given mankind His Hand, and each day He spends on the Altar**

of Love, extending His Whole Being to you. It is a privilege for you, and so many children ignore this privilege and they say they have better things to do, or they do not have the time, right now, to seek The God Who made each of you.

Man has shouted many years, 'Please, God, show Yourself to me'; and now, in this day of your time and in your way, He is doing just this. He is teaching from The Divine through *a child* as you, so you will be able to understand the Words direct. The simplicity that is being set forth from Here, from this Realm of The Divine, is truly Profound in Its Meaning, in Its Depth, in Its Love, and each child in My Presence here must know that as Heaven speaks through *this child*, Heaven waits on the Altar for each of you.

There is much desecration being done to The Holy Trinity. Man is ignoring the Power of God. Man is trying to relate to God on His Level. This cannot be done, My little ones; it is impossible. Man is weakness, God is Strength. Man is small, God is Great. Man is a creation of God, so man cannot be equal to his Creator.

**There are so many areas to be cleared up and so many children to be set straight; and so many, many, many, many prayers to be said to help the Souls Who did not have the chance that you have.**

**Oh, My children, keep in mind each day The Holy Eucharist, for It is Divine Transfusion with human means; and when The Holy Trinity enters you, in a small way but in the greatest way in the world, the Strength It gives you, the Love It extends to you is far beyond your knowledge.**

**And I ask each child here to grow in love with the prayer that draws Souls from Purgatory to Here, and that, My little ones, is the Holy Rosary. I ask you, as a Mother, to say the Beads of Truth, the Beads of Hope, the Beads that will help you, and when you say them, know that I listen intently to everything you say. All Heaven is alerted to a child who prays.**

**There is much Love that comes forward to you today from Heaven Where I am, and I say, 'Do not dismiss It in your little way, but fondle It so one day It will bring you This Way.'**

**Right now, in the Realm Where I am, there are Many Saints Who surround Me and say, ‘Dear Mother, help the children so they, too, will come This Way.’**

**And as I look about Me I see Some Other Saints close by, and I do smile and say, for there is One very close Here Who walked the ‘Little Way’. You know Her as ‘The Little Flower’. We know Her as the wise One, for She used the will that was strong to bring Her Here; and as She picked the flowers along the way, She gathered everyone She could, to lay them at the Feet when She did pray.**

**And as I look over to the left, I see the Great Saint Francis of Assisi. He smiles and says, ‘Oh Mother, please tell them of sacrifice and penance.’**

**And now I look slightly back and I see the One Who walked the earth in a louder voice than most, and yet dedicating all Her way to God. You know Her as Saint Teresa of Avila. She has come through This Miracle much because She says, ‘Children, go to Saint Joseph. He will answer your prayers and He will protect you in all ways.’**

**And now I look over and I see Many Saints, not of your day but farther back: Saint Hilary, Saint Bernard, Saint Athanasius, Saint Augustine, Saint Aloysius, and yes, right there, there are Some you do not know by Name, but They are All gathered Here today to teach each child the way.**

**And now, as I bless you, little ones, I leave you with a thought: Please, go to The Holy Eucharist and pray the Holy Rosary, and grow so in love with God that nothing else will count. So be it.”**

SAINT ANNE

**“My beloved children, I am your Heavenly Grandmother and as I speak to you through *this child*, I bless you with God’s Love that is so Worthwhile.**

**The time has come for man to awaken to the need for prayer. There are many men around, saying, ‘There is no need for Churches everywhere.’ They say that man can pray in quiet hideaway places. They say that man can pray at his daily tasks, so he need not go to a special place and give this time in this way.**

**Oh, My children, this is not true. God has designed the temple for you. The Tabernacle that sits there holds The Holy Trinity constantly. It is forever occupied. Remember this. Compare it with going home to a loved one, to talk, to respond, to communicate, for each time you enter to make a visit to This Blessed Sacrament, you say to God, *‘I love You, and I understand that I am welcome in Your Home where You remain for me to***

*come and discuss all things with You.'* It is not being taught, this privilege, and children are not learning the benefits of prayer. It is up to you, when you leave this dwelling, to let others see example from you in this way so they do not despair.

As I speak from a Realm far beyond yours, I speak with a Mother's Love and a Grandmother's Protection for you. Keep in mind that God has allowed mankind the privilege of knowing The Saints. God has allowed each of you here, and others also, to know that there is reward for your Soul, and that is to one day be a Saint and come Here.

Children are not being taught the Beauty of Sainthood, the magnificence of truth, and the purpose of trusting in God and His Rules. Children are being denied the Commandments God laid down for mankind, and children are being torn apart by falsehoods, by inadequacies, by distortions, and by men who are full of pride.

As I speak through *this child*, I say much to you, and I say also that I do love you. Do not let your age or your way of life make you feel it is not

**necessary for you to try to be a Saint, for you see, there are Many Saints Here Who arrived at loving God in a later life.**

**Oh, My children, if you but knew the Power God has and how He touches you, and if you but felt the littleness you are, you would go each day to Him as a child, and you would not act important, be prideful, or demand things of Him. You would be thankful, too, for who you are and what you are, and all the things He gave you.**

**Before I leave I want to say: ‘You gather today in God’s Name. Let this be an everyday way for you.’ Keep in mind The Holy Eucharist, the Power of It, the Beauty of It and the privilege of It, and whatever you do, do not forget the Holy Rosary that God gave you. It is not a thing of the past, or for those who are illiterate. It is a thing of love to The Beloved Mother of all men. The Souls must be saved and this is the grandest, greatest way to do it.**

**I bless you with God’s Love on this day, and I say, ‘I, your Grandmother, will hold your hand if you ask Me to, each day.’ So be it.”**

NOVEMBER 17, 1971 AT 11:22 A.M.

## SAINT BERNARD

**“I am Saint Bernard, My children, and I come today to let you know the youth of your day is in much need of knowing about The Saints, in Our Way. They must understand that they have help direct, and they must understand that We will intercede for them in many ways; and they must know that God has covered everything and can answer all their problems if they will but give Him a chance, and be sure that children of all ages know this, for you see, children become smug and say, ‘I do not need The Holy Trinity.’**

**There are so many men, right at this very moment, sinning against God. There are many sinning against His Will, and there are many, many saying: ‘I do not need Him. There is no such thing as a Supreme Being.’ You would be surprised, My children, if you knew how many men right now are saying these things I have revealed to you.**

**Help the youth but do not cater to them. Show them the strength you are. Show them the truth you know, and yes,**

**give them the Ten Commandments to follow. Teach them to follow a prayer, not in an emotional way, but in a quiet way, a loving way, and yes, teach them that God is Peace, not large gatherings that become boisterous, hazardous; yes, for you see, the evil one is there, directing everyone he sees, he feels, he knows. It is sad to say, but he is as real as you. It is sad to say, but he does know wicked ways to worm his way in.**

**And as I say these things, I speak from a Realm far beyond yours, but I speak with much interest, and yes, much concern for each child who yet walks the earth.**

**I bless you, My children, and I say, 'Follow God's Words, God's Way.' So be it."**

## THE SACRED HEART

**“My beloved children, I am The Son of The Father, and yet I am The Heart that shows all mankind the need of love, the purpose of love, the way of love, the beauty of love, the gift of love.**

**As I said, the Soul has a glow. My Heart also glows, in a different way. My Heart is lighted by the Love I have for man. It is a Supernatural Light, and the only way that man can depict this Light and show it to others, is by forming rays around My Heart with a color that man can understand as light.**

**I speak to you now to let you know that this Heart of Mine is always in the Tabernacle, where you must go. Kneel before It and ask all things of My Heart that you want to know, and if you feel I do not answer you in My Way, your way, know that I have answered you in the Heavenly Way, in God’s Way, and My Answer is the best for you.**

**Some of the children here in the room are familiar with My Heart,**

for they have much dedication to It, for they see It as Love, they see It as Purpose. They see It as the Beauty It is. There is a great need for more men to understand My Heart. There is a great need for men to hear more about My Heart. There is a great need for men to look to My Heart for Love.

I am The Sacred Heart. I have spoken through *this child* many, many, many, many, many times; and each time I do, it is for a definite purpose, for definite children. As I speak to you today, I say: 'Spread the Love of My Heart in every way. Spread it in every direction, for through The Heart I give strength. Through devotion to this way I give courage, and through loving this way I give much Grace.'

Before I leave you today, My children, I will bless you with The Heart that I hold before mankind so that mankind will see the Love of Heaven. As I show My Heart today, It is not pierced. No, It is solid, and as I show It to *the child*, I protect her from the Beauty of It. My children, stay close to My Heart, for as you do nothing can touch you, and you will shed sin, you will grow in strength. I bless you with the Rays of My Heart,

**and now with My Heart. So be it for today.”**

SAINT MARTIN DE PORRES

**“My beloved sons, My beloved daughters, it is true, I am Saint Martin de Porres. There are so many children learning My Name, learning My Way, and learning the Truths I once stood in.**

**As I speak to you tonight, it is the Way of Love and It is direct from The Divine. I use *this child* as a channel to you. Within her is a Chalice of Wisdom for you. Heaven is speaking direct. You have asked many times and in many ways for this contact. You have It now, but there are those of you in this room who find It difficult to believe, for you want to understand It. Let Me describe, My children, a slight bit of the knowledge that will help you.**

**God’s Power is so Great that It must be leveled off for man to accept in this state. So as you listen to My Words Divine, it is as a Vision was a long time ago. As the children saw, others did not see; and so, it is That**

**Power now through Which I reach thee.**

**I will speak first to the sons in this room here, and I say, ‘Walk cautiously and look where you are walking each day, for you live in a time worse than Sodom and Gomorrah, and you must learn to say “No” to those who bribe you, entice you, and encourage you to walk the wrong way.’ My sons, if you will but carry the Holy Rosary with you each day, it will be a weapon of love, a weapon of truth, a weapon so no one of evil can reach you.**

**As I have spoken to the sons, I now speak to the daughters in the room. You must walk in great example and you must pray much for those who cannot resist the temptation of the evil one.**

**I bless you, My children, with God’s Love, and I bless you with the Heart of The Son. I bless you with the Light that makes The Three of Them One. So be it.”**

NOVEMBER 22, 1971 AT 7:47 P.M.

**SAINT JOSEPH**

**“My children, I am about to tell you a story. I am putting it in this form so you will better understand the meanings of all things concerned.**

**There is right now a bed of white, and on this bed there is a man. He is very ill. He walked the earth as you do and now he has come to the end of the road.**

**I, My children, am Saint Joseph, and I tell you the story to make you think, to make you pray, for you see, this could be you one day.**

**I will visit with this man and I want you to hear what he has to say. He does not know Who I am. I now ask him what advice he would give others who are living on in this day. The man can barely talk, so We will wait awhile as We flash back on his life.**

**This man was of the world and very much in the world, and very often he ignored the Church, and the way to pray. One day, he was called into a great Church. How? He was ill. And**

as he stood at the foot of the stairs, he watched the Man of God come forward through the door and greet him, saying, 'Good morning, son, isn't it a beautiful day?' This man refused to answer for he did not feel the beauty of the day, but he could not help himself be drawn to this Man of God Who turned around with a smile on His Face and walked down the aisle. The man found himself following all the way.

As he entered the door, he looked for the Water that was usually there, and as he put his fingertips in, there was only one drop left there for him. He became angry at this and he said, 'Why did not someone fill this to the brim?' But what he did not realize at the time, My children, was that he had a great desire to be cleansed.

And then, he watched the Man of God walk down the aisle and walk over to a stand that held the lights that some people think so unworthwhile. The Man of God stood there and then suddenly walked around behind. The man walked up to the stand and found there was no light for him to light, and his anger increased for quite awhile. What he did not realize was this: he

desired the cleansing and then he wanted the way to be lighted for him.

And suddenly the Man of God came forward to the foot of the Altar and He knelt there to say His prayers. The man became so hostile for he said, 'Why would He be so humble and why would He do this in front of me?' but the Man of God did kneel and pray, and suddenly He lay prostrate across the stairs. It seemed quite awhile, My children, but all the time this man was waiting for something to happen to him, and as he also knelt, he found himself praying for the first time in a long time.

And suddenly the Man of God, He arose and walked over to the man. He knew that the man was screaming to be humble once again. And suddenly the Man of God said, 'Son, can I offer you a cup of coffee, in your way?' So the man did agree and he said, 'Yes. Where do we go?' So the Man of God brought him back to a little room. The table was small, just room for one; and as the Man of God did pour the coffee, it showed it had been used again and again. So when the man sipped the coffee, he said to himself, 'I will buy Him some as soon as I leave here.'

**But suddenly he said to the Man of God, 'Why have You been so kind to me? I do not deserve it.' And the Man of God said, 'Son, have you not come upon Whom I am?' He said, 'You are Jesus,' and the Man of God said, 'That is Who I am.' So the man said, 'Why do You feel this way toward me?' and Jesus said, 'Son, I never let go of your hand. It was you who strayed from Me.'**

**So now, My children, I, Saint Joseph, take you back to the bed of white, and again I will ask the child who lays here, ready to die, 'What advice do you have to give to all the children?' and he says to you, 'Never let go of His Hand.'**

**And now, My children, never before have I given a story like this, but there were some in the room here now with *this child*, who must remember the story Word for Word, Lesson by Lesson, and follow It. Keep in mind at all times the cleansing that you need; and keep in mind, My children, the Light that you need; and keep in mind the importance of humility, and do not forget the gift of charity, and whatever you do, keep in mind to never let go of His Hand.**

**I bless you with God's Love and I say, 'Tonight you must remember, for you were touched by The Divine. Tonight is important to you, for a Great Lesson has come to you; God's Will, My children, not only Mine.' So be it."**

NOVEMBER 22, 1971 AT 8:03 P.M.

### SAINT JOHN VIANNEY

**“My sons and My daughters, I am Saint John Vianney. I come through *this child* with much Love, with deep Love, and yes, with Direction.**

**You have read much, some of you, on My life. Let Us say now that man cannot write the full detail on any man’s life, for he cannot read the heart and he cannot speak what the heart did say. As I walked the earth, I walked loving God first, as you must; and My one way to serve Him was through man. Keep this in mind at all times.**

**My children, when you awake in the morning, plan to serve God totally each day, hour by hour, so as you work in this manner, you will grow deeper in love with God in your own way. All the exterior signs of love are good, but the greatest love in the world is the interior love that you must grow in. Do not forget this. Love with your heart, love with your mind.**

**I bless you with the Love of Heaven and with the Light from The**

**Divine. I bless you with the desire to serve and with the hope that one day you will be Here by My Side. So be it.”**

DECEMBER 7, 1971 AT 7:43 P.M.

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, a new experience for some, an old experience for a few. Those who have talked to *this child* before know how close Heaven is to This Miracle you now have in view. I am truly Saint Joseph and I speak to you on this night to draw you closer to God, to draw you to His Heart where He will hold you tight.**

**As you wander through the day, doing chores, having fun, keep in mind, My little ones, the Soul God gave you. If I were, at this moment, to place a heavy sack upon your shoulders, some of you would be too weak to carry it, others would feel it was light, but you would say, ‘What purpose is the sack to be carried today?’ You immediately wonder what the reason is, what the purpose is, what the advantages are.**

**The Heavenly Father did not place your Soul as a burden on your back. It is a Great Gift from Him and He wants It back. It was given to you so That Part of you would one day**

spend Eternity with Him. It is up to you in how you take care of the Soul in everything you do. Treat It as a Gift, treat It as a Privilege, treat It as a Great Purpose, and know that as you are conscious of It, It will grow. It will grow in a Light far beyond any Light you know, and the greater the Light that It becomes, the higher the place in Heaven you will be.

This night, you have learned a Lesson in how to treat the Soul that God gave thee. Be Blessed by this night, My little ones, for I speak from a Realm far beyond yours, and I speak through *a child* as you.

I tell you these things to make you aware of a Very Important Part of you. God said, 'I will make all men to My Image and Likeness,' and so He did. The Soul is to man as The Father is to The Trinity. The body is to man as The Son is to The Trinity, and the Guardian Angel is to man as The Holy Ghost is to The Trinity. So, My children, you are in the Image and Likeness of your Beloved Creator. Remember to pray so that one day your Soul will come This Way, and as you pray, pray with a love that you will grow interiorly with God Above.

**I bless you on this night and I say, 'I truly speak through *a child* of your day.' It is likened to the time We walked the earth in the way of man. It was The Son then Who taught the Divine Plan. I bless you with My Power from God, and I touch your hearts with His Love. I say to each child here, 'Keep in mind that the Soul is a Gift from The Divine, and never think of It as a burden for you in the way of mankind.' So be it."**

DECEMBER 7, 1971 AT 8:05 P.M.

SAINT MARY MAGDALENE

**“My beloved children, I am Saint Mary Magdalene. I walked in an earthly way with only earthly gain, pleasure. I did not feel a pang of hurt when I sinned. I ran when harm was about to begin, and as I ran, I felt the Presence of the Holy Man. At the time, I did not react to His Holiness, but I did react to His Words.**

**For the first time, I felt compassion from a man. He did not say much, but What He said, I felt His Touch. There were others around who hated me, and some of them were blind to the Man Who stood helping me. He saved my life in the physical way, but I did not know that This Very Man would save my Soul for the Eternal Way. I responded in a human way; in thanks, but not understanding. I responded with a nod, and then I went my way.**

**I could not resist finding Him on other days, and I asked myself what was drawing me to this Man. It was something I could not explain, something I did not know, and**

something unusual in man's way. My struggle was not over when those who wanted to harm me walked away. I had to persevere, I had to feel the need to serve and pray. I also had to realize that self-love was in the way.

And as I speak to you tonight through *this child* as you, I say, 'Strip yourselves of self-love and follow God this way.' He will not ask you to stand at the foot of a Cross, but He will ask you to stand up to the truth of your day. He will not ask you to suffer the way He suffered, but He will ask you to stand up to those who deny the Truth of His Way.

As you gather on this night, you are intermingled in many ways: in your degree of Faith, first; in your degree of love, first for each other, then for God Above. You differ in your way of life, you differ in your thoughts, you differ in your likes and dislikes, and you differ in what you've been taught; but as of this night, each child here before Me now hears the same Words, the same Directions, so you cannot differ in this, in the way you are being taught.

**Do not expect to change on hearing These Words, but persevere in wanting to change, and you will. All children did. Each one before Me here in this room tonight must save their Soul, for you see, It shines with a Great Light.**

**And those of you who are in a position to lead others have a great responsibility, for you must tell them truth, teach them love, but show them the path of Light. The great modern conveniences that you have now simulate light. That is not the light I mean, My children. The Light I am describing to you on this night is the Light of Love, the Light of Hope, the Light of Truth, the Light of The Holy Ghost that must guide you.**

**So, please think of My way and think of how I had to change to come This Way, and do not procrastinate, for when you do, you delay the Soul glowing in God's view.**

**I bless you, My little ones, with the Love that it will take to serve God first, and I bless you with self-discipline, and as I do, I say, 'Persevere in it each day, for as you do, you will grow in God's Way.' So be it."**

DECEMBER 8, 1971 AT 11:31 A.M.

## SAINT JOSEPH

**“My children, I am Saint Joseph, and as I speak to you in a way now, not usual to you, I must say that I have given many Words previous to These, to guide you.**

**Heaven sees the world in a great turmoil, great chaos, great disaster, and Heaven sees so few men ready to stand up for the truth, to stand up to save others from the abyss of Hell. Heaven has been alerted to the many corners where sin is being created, where sin is being accepted as the normal thing for man. The evil one, the enemy of God, has worked diligently for many, many years to create havoc, so that man would be so confused he would accept anything that would come into his way, and man would accept his physical desires first, because these would satisfy him for the moment.**

**Remember, My children, physical satisfaction is not always from God. The evil one uses this much to keep you going his way. Keep in mind that God is Strength and that satan is**

weakness. Keep in mind that humility is strength and pride is weakness, and keep in mind, too, that to serve man, to always be connected with man, is not as important as it seems; but to serve God, to grow in love with Him is of such Great Importance, for you see, it brings you a Crown in Heaven.

If a man were to walk into this room right now and offer each child here a crown of jewels, each one would say, 'How lovely,' and you would show an excitement because you would know that the jewels gave worth to the crown and beauty all around. Is this not so? I come through the Will of God to offer you a Crown Far Greater than any one around, and this Crown, My children, is that of Sainthood. Ask yourselves when you leave this dwelling, as you carry the Sword of Love for God, are you worthy to wear the Crown He offered thee today? And if you feel unworthy, then now is the time to turn and pray, and now is the time to begin to live a worthwhile way, to pray and to grow interiorly God's Way; and now is the time to accept the Goal of the Crown that waits for you each day.

There are many children who are well aware of the Beauty of God's Way.

**They spend less time in Purgatory, making reparation for their way. A wise man will live the physical life doing this each day, so when the time does come and the end of the physical is there for you to succumb, you will be ready with open arms and look forward to the day that God meets you Face to face with a Crown. There is no child born to the world who cannot have a Crown. There is no child born to the world who has not been given the Gift of Faith. There is no child born to the world who God says cannot come This Way. So, as you keep this Message in mind, remember that there are prayers.**

**As I bless you, I bless you with the Gift of Love, and I bless you with a desire for a Crown, and I bless you with the Truth that Each Word was given today. My children, let this day make you desire a Crown, and let this day help you to carry the Sword of Love, and let this day help you to walk to God alone, with only this prayer to guide you This Way. I bless you with My Mantle and I cover each of you here with It, and I say, ‘As long as you remain under My Mantle, I will not let you stray.’ So be it.”**

SAINT JOSEPH

**“My beloved sons, My beloved daughters, I have spoken much through *this child* to you on this night. You have come to hear the Words from Heaven. Some of you have come in skepticism, some of you have come in a critical way, but I say, ‘Open your heart, open your mind, and yes, let your ears hear What Heaven truly has to say.’**

**As I speak through *the child* I bless each one here in My Presence now, for you are but a small number of children that are to be touched by This Miracle of Mine. I am Saint Joseph. Nowhere in time has there been such a Miracle as Mine. Now The Heavenly Father has allowed this to be for man will recognize Me; also, for man to be saved and come Here to Eternity.**

**Many, many, many, many, many places are teaching the wrong things. They are not teaching respect for The Divine. They are not teaching children of all ages to accept truth. They are using facades to cover evil things.**

**And now I say to you, ‘Be Blessed by this night, My little ones, and know that you have truly come to a place in your time where Heaven has Blessed with The Divine.’ So be it.”**

DECEMBER 9, 1971 AT 7:55 P.M.

**SAINT JOHN OF THE CROSS**

**“I am Saint John of The Cross. I speak through This Miracle of a Great Saint Who walked the earth loving God without seeing Him, trusting Him without knowing Him, in obedience to Him because He knew it was right.**

**I, too, walked the earth, and in the time in which I lived, man was the same as in the time you live: curious, doubtful, belligerent, unkind; and then there were those who were kind, generous, compatible, compassionate, tolerant, obedient, trusting, loving. So you see, My children, the time in which you live only changed in some ways. Man is as he has always been.**

**The difference in the different periods of time is this: There have been times that children were more Spiritual, there have been times when children allowed satan to take more hold, and you live in a time now, worse than Sodom and Gomorrah, and if you remember, My children, The Heavenly Father at that time destroyed the sin. It had to be. He could not allow it to**

**fester and infiltrate other places, so He cut it off right then.**

**There are many learned men walking around, judging how God would do things and how He should do things, and I say to them now: ‘Better you would be not so learned and have more the wisdom. Better you would pray more and stop doing so much analyzing God’s Way. Better you would accept the Faith you have and stop determining what you feel and how you feel things should be.’**

**You live in a time of great sin and you live in a time of little Faith. Oh, there are many, many, many, many, many children running around, shouting the Name of God in many ways, but in reality, they are only shouting to hear themselves speak. It is a false shouting and it is not an intimate shouting with God.**

**Ask yourselves: Are you part of this group, shouting the Name and not practicing self-denial in any way? And are you accepting the Greatness of The Holy Eucharist for which It is? It is Divine Transfusion. Ask yourselves: Did you accept Divine Transfusion on this day, or did you ignore It and go**

**your own way? I wonder, My children, today, did you communicate with The Father? Did you pray for yourself first, and then other men?**

**I speak from a Realm far beyond your realm, but I, too, walked in your realm one day, and I, too, had a Soul to save, and I, too, had others trying to draw me away. So keep this in mind as you go through each day, and keep this in mind, My children, that it is necessary to pray.**

**I have spoken on this night to just a few children, compared to the number that stands on the globe God made, but I expect each of you to deliver the Words to others you know and help them, too. You are a channel of delivering This. You are the communication of This Message of Mine. I place the burden upon you to help mankind.**

**I bless you with the Love of The Father, and I bless you with the Blood of the Heart of The Son, and I bless you with the Light of The Holy Ghost that was instilled in each child at the moment of conception. So be it.”**

### SAINT FRANCIS OF ASSISI

**“My beloved children, I am Saint Francis of Assisi and I come in firmness to you tonight so you will know the Importance of What has been said and What will be said to you. Each child in this room must save his Soul and must come Here Where I am. Each of you will come Here in a different way. Some of you will have performed many small acts. Some of you will have given your whole way, and some of you will start today to understand the Beauty of your Soul, the Importance of your Soul, and the Gift It was from God one day.**

**As I say These Words to you on this night, I add: ‘For your sake, learn to pray.’ It is not just for someone else. It is not just for children. Prayer is for every age, every color, every creed, and as I say this on this night, I add: ‘The more you pray, the more you grow internally, interiorly with God’s Love, the happier you will be, for the more you serve Him, the more happiness you will radiate for Him.’**

**Please, My children, look at the way I felt I had to walk one day. I do not say, 'Walk in the same way,' but I do say, 'Take some of what I did, take some of what others did, and use it your way.' Keep in mind that God had in mind to make each child a Saint one day, and He does not limit you in a degree you can go; only you limit your Souls as you go.**

**The little ones are not being taught how to pray. They are not being told that God is Divine, and they are not being taught respect for The Holy Trinity, and the children are not being told the importance of the House of God. They are allowed to run through it without respecting any part of it.**

**It is up to you, when you know the truth, to stand up for it, stand in it, and project it to others. Is that not so? It is so easy for some children to pass a recipe around for a new idea; and now I have given you a burden tonight. I smile when I say this, for at first it will be a burden to you to stand up for the truth, but once you get used to it you will find the task is light. Pass on to others what you know will help them come Here and will help their Soul glow.**

**I cannot hand you the Crown on this night, but I can give you Words to help you reach for the Crown that waits Here for you, for one day, My children, you will come around, and will you be allowed entrance; or will you be asked to wait for awhile, and will you have to depend on others to pray for you? I wonder which category you will be in, or will you be doomed and go to Hell?**

**There is a Hell, My children. It is ugliness. It is hate. It is a terrible place. Children are not being taught the horrors of Hell. Man has grown so accustomed to invention, prevention, that he accepts all things that make things easy for him. And now I say on this night: ‘Man, learn to sacrifice. Learn the beauty of penance and you will feel security in life.’**

**I bless you with the way I walked, and I say, ‘Be aware of the importance of your way and be aware of how important you are to God, for He did create you with His Love, out of His Love, and He gave you the Faith to come Here one day.’ So be it.”**

DECEMBER 11, 1971 AT 11:15 A.M.

SAINT BERNADETTE

**“My beloved sons, My beloved daughters, as *the child* speaks in a soft manner, I speak through her to each one here and I say, ‘Keep the Holy Rosary close to you each day.’**

**When I walked the earth it was as in your time. The place I lived was different. It was a country way in many ways. I am Saint Bernadette, and as I speak to each child here before Me now, I say, ‘Do not dismiss prayer from your way, but do allow yourselves to say each day the Beads so close to Him.’ The Heavenly Mother waits each day for each child to say these Beads, and so many children pass them by and do not care to touch the Beads. Keep in mind, as you say these Beads, that you request of God to bless you, and then you say that you believe in Him. Do not forget that these words are important to Him.**

**My children, even the Holy Rosary is held together three ways, the Trinity of Love, holding the Mysteries of Truth for you in your day; and as**

**these Beads pass through your fingers, one by one, keep in mind that every prayer can help some other one. There are many Souls in Purgatory now who need your prayers so They will one day face The Holy God. So as you leave this dwelling on this day, make yourselves a promise in your way, that you will hold close to the Holy Rosary as was requested in My day. It has not changed, My little ones. Remember this and pray.**

**I bless you with the Beads of Love and with the Beads of Peace. I bless you with the Beads of Hope and say, ‘Hold them close to your heart for they will lead you to Here, and others along with you one day.’ So be it.”**

DECEMBER 11, 1971 AT 11:17 A.M.

SAINT ALPHONSUS LIGUORI

**“My beloved children, I am Saint Alphonsus. As I speak to you on this day, I want you to know that all things of greatness, all things of worth do not come easy; for I, too, walked on the earth and I found that those I loved the most did not understand what I wanted to do with my life, but I knew that I had to persevere in God’s Plan and in God’s Way, and I knew that I had to show God I loved Him, in spite of man. I went to My physical grave feeling the hurt of those I loved, for they could not see My Way, and I say to you on this day, ‘Pray for those who do not know how you feel about God, and when they ridicule you, pray harder for them for they need your prayers.’**

**Oh, My children, put God first above all things and pray for those who do not go along with your way. Do not hurt anyone in the way, but be gentle with them, be tolerant, be loving, be giving; but do not walk away from God for them, for you see, the more you serve God, the Greater your Place in Eternity.**

**As you live in the physical way, you work in the physical way, you walk in the physical way, and you must be a part of the way of man; but be sure that as you are a part of the way of man, you do not stray into the weaknesses man displays, man draws you to each day. You can be strong, My children, and you can be firm in loving God. You can be staunch in what you know is truth and this is what will help you, as well as others whom you know, whom you meet. Do not let anyone cause you to not love God ultimately, for when you do, unhappiness is yours.**

**I will give you a Lesson now in how to live among men and how to enjoy the love of God as man. Grow so in love with the art of prayer, with the dignity of prayer, with the personality of prayer, with the communication that prayer is. Grow in love with small prayer. Say these things to God: Tell Him you love Him while you are busy doing other things in the way of man, and the more you grow in doing it this way, the less temptation you will feel your way, for you will be preoccupied with loving Him and you will not see the occasion for sin. Do you understand, My children, what a**

**great Lesson this can be, and what a great way it can give thee to one day come to Eternity?**

**Do not become so involved in the pettiness of others, in the gossip all around, and do not let others make you weak, for they can, you know. So many children are leaning upon each other instead of leaning upon God. So many children cannot wait to be with another human being because they use the human being as a sounding board, and they say, ‘I will tell the other all my troubles, all my weaknesses, and I will be clear of them today.’ Not so, My children, for the other child cannot absorb your weaknesses. The other child cannot give you strength for they, too, are weak. Remember this. So the strength you need is in the prayer, for only God can see all the hurt, all the trouble that is there.**

**I love you and I say, ‘Love God first each day and use every moment that you can to pray, so when a decision comes and must be made, you will have the strength in all the times that you said, “*God, I love You today.*”’**

**I bless you with God’s Love, and I bless you with the Heart of The Son,**

**and I bless you with the Light of The Holy Ghost, and I bless you with the desire to pray. So be it.”**

DECEMBER 11, 1971 AT 11:35 A.M.

SAINT ELIZABETH

**“My children, I am Saint Elizabeth. I have come today to speak through *this child* to you and I have come to give you Love that is due. You come from different walks of life, and some of you have the ability to help others in your way, and some of you are so engrossed within yourselves you do not know how to pray, and some of you are so intent on living the generous way that you are forgetting the beauty of sacrifice along the way.**

**I say to you today to keep balance in your way, and to know that as you do, there’s a place for everything you must do.**

**This morning, did you pray? This morning, did you say, ‘*I offer this day to You, my God*’? I could count those here who said this.**

**Oh, My children, the son I had was so devoted to The Holy Trinity that he, too, gave his life out of love. Keep in mind that His Way was not your way, but it was His Way for God, and each child here in My Presence now**

**can serve God ultimately, by giving moments during the day of sacrifice, of penance. Keep in mind also, the little acts of love from you will help others grow in love with God.**

**I know the Words I say sound very simple in your day, but to hear Words, to read Words, will not help you unless you put Them into practice.**

**So now I leave you with God's Love, and I say: 'A Saint has spoken to you on this day. How much will you follow the Words that will lead you to Heaven one day?'**

**I bless you with a Love far beyond your knowledge, and I bless you with Truth far beyond the truth you know, and I bless you with The Holy Trinity that is All Things for you. So be it."**

## GOD THE FATHER

**“My beloved sons, My beloved daughters, you are truly My Creation. You are truly My Love. You are truly My most beautiful Gift to the world. It is true that I speak to you through a *child* as you.**

**One day I gave men Rules to live by and man found that as long as he kept these Rules, he felt peace. My enemy, in his jealousy, his anger, his hate, his envy, has tried to destroy these Rules I gave for all mankind to live by, to stand by, to put their trust in. The enemy does not want you to enjoy the Paradise I have waiting for you.**

**The physical you are is so small, My little ones, to the Greatness I have waiting for you. I have Eternal Love, I have Eternal Peace, I have Eternal Happiness, I have Eternal Joy, I have Eternal Life, as a Gift for each child I created. I give you the privilege to grow in Grace and I give you the privilege to choose the degree of Sainthood for you.**

**My Love is so Great, My Love is Divine, My Love is Pure. Remember, All Things I Am are good for you, and I say to you on this day, ‘Beware of the enemy for he preys in hidden corners, hidden ways, and sometimes he is bold enough to stand out in the open and lure you with deception his way.’**

**I have again announced Myself so man would know I am Here, so man would feel the security of Me and My Way, so man would know that I stand ready to defend man in every way. I have spoken through *this child* many, many times, and each time I give a Message to the world of Great Divine Truth, of Great Importance.**

**My children, when I created you, you were not a whim of Mine. I thought much about each creation that was directed to The Divine, and as I speak through *one* as you, I say, ‘You have the means to come Here one day.’ You have the Rules, and yes, I have given to the world a Sacrament of Truth, a Blessing of Divine Way, and each time a child receives this Gift, The Holy Eucharist, The Holy Trinity is present in a way the child cannot see, but in a way the child knows It’s real.**

**Oh, My children, be conscious of this Gift I have given to you and be conscious of the Sacrifice that It says, that It shows; and be aware of this Gift My Son gave to you, the physical life, the opening of the gates to Eternal Life, to Eternal Happiness.**

**As I hold *this child*, I hold her tight, for My Power comes through her to speak to you, and I use just the right amount of Power, for if I used too much she would vanish before your eyes, and that is how I adjust all things for all children. Know this, accept this as truth, lean on it, for it will give you courage and strength for all days.**

**I see so many little ones being taught wrong things. I see so many not being shown the Divine Way and I see so many children being drawn away from The Holy Eucharist. If man were to look into My Plan, he would see I have given him the correct things, and many versions of them, so that there could be no excuse to not use them.**

**As the Power deepens in *the child*, I transmit through her My Love to each one in My Presence here, and also, to all those who have come to This Miracle designed by Me for a favored**

**Son Who lived as man. The world must know Him, the world must Honor Him, the world must Revere Him.**

**Oh, My children, the Example He was, was all truth, complete trust in Me, obedience to My Will; and yet He lived a full life, a happy life, a life in the way of man, just as you must do until Eternity. There are so many children running around, trying to find new ways to enjoy Me. ‘The greatest,’ I say, ‘is to love The Holy Trinity and to keep the Words I gave, the Rules I drew up one day.’**

**I have allowed Many Saints to come forward to teach children how to pray, to alert children of the enemy who is all around. All Heaven is alerted to This Miracle of Divine Way, and The Miracle has been placed in your day, because through *this child* My Power will show and My Love will reign. I have chosen *a little one* as I always have. You have partaken in a Miracle, and I say, ‘Let the touch of My Voice, the sound of My Words give you strength to always turn My Way.’**

**I bless you with a Heavenly Love, I bless you with the Heart of The Son, and I bless you with the Light of The**

**Holy Ghost, the Light of Heaven for everyone. So be it.”**

### SAINT BERNADETTE

**“My children, I am Saint Bernadette and I come to you on this night to speak in a way you will understand and to help you know about Heaven Where I am.**

**When I was a small girl, I was allowed the privilege of seeing firsthand a Vision of The Heavenly Mother. The Beauty of this Vision was difficult to explain in fullness, but nonetheless, when I saw Her my heart leaped with love, and every fiber of my body enjoyed Her. I knew that if a Vision such as this could make me feel this way, to look forward to the Beatific Vision one day was What I must live for, work for, and to attain.**

**Each of you children here in this room, of all ages, was born to the world to enjoy the Beatific Vision. Nowhere did God say, ‘Yes for you, no for you; yes for you, no for you.’ Oh no, My children, each one here has a perfect chance to obtain this Glory. The Vision that was described to you was important to you and for you. It**

was to let you know that Hell is there, Purgatory is there, and Heaven waits for you.

As you leave this dwelling tonight, keep in mind that you have heard firsthand, Words from The Divine. You are Blessed at this hearing and you are Blessed in many ways, too many for you to understand. As The Heavenly Father speaks through *this child* who is as you, she is used as an instrument to give you Words to save you. Keep in mind, My children, the importance of prayer, the importance of obedience, the importance of trust in God, the importance of service to Him.

It would be nice if I could say to you that each child here in My Presence will enter the Kingdom of Heaven the moment the physical ends. Instead, I must say that it will be your decision. Do you know what I mean on this day? At the moment of conception each child is given a body, a Soul, a Guardian Angel, a will, and it is through this will that you survive many things, and it is through your Guardian Angel Who protects you, that you are guarded against many dangerous things. My children, use

**the will that you have in a correct way. Do not let stubbornness draw you to untruth. Do not let weakness govern you.**

**Heaven is speaking on this earthly night to you, because of God's Love for each of you. Do not become so wrapped up in the emotional side that you do not see the real side for each of thee.**

**My children, I walked the earth and I know how it is to walk as man, but I also know how it is to serve and to grow so in love with God that when the time does come for Him to take you by the hand, the joy of It, the happiness, the glow of It, is a Beauty beyond man's.**

**I bless you with God's Love and I say, 'Walk in truth each day.' So be it."**

DECEMBER 16, 1971 AT 7:58 P.M.

## OUR HEAVENLY MOTHER

**“My beloved children, I walked the earth in a womanly way. I was a Wife, I was a Mother, I was a Daughter, and as I walked this way, I had the tasks of My day and I had the responsibility of that time of life. When the Angel appeared to Me and passed on to Me God’s request of Me, My feeling at that moment was a great love, a great wonderment as to why He would choose Me. I immediately felt a tremendous responsibility.**

**My children, as I stand Here in the Heavens, I gather each one of you in My Arms because I am your Heavenly Mother, and I say to you on this night of Love, to clear your mind of falsehoods that are all around, of the wickedness you sometimes feel, of the indifference you accept as real, of the intolerance you have for things you do not agree with, for the lack of charity you often show.**

**My children, please, I beseech you that from this night you grow in Grace, in love, so that you will not**

falter and fall into the abyss of Hell. Do not feel so wise, so learned, so self-sufficient on your own. Kneel in humility to The Heavenly Father. Pray to be cleansed of the sin you know you have and request always to hold God's Hand, and when things seem to pile up upon you and you cannot handle the burden you feel facing you, please, think back to the day the Angel appeared to Me, telling Me God's Will for Me, and follow the plan that I followed when I was man. Never did a day go by that I did not seek help from God, to withstand the doubts I had, the lack of strength I felt. Please, My children, learn to pray.

There are so many lacks in your day. There are so many who are neglecting the importance of going to God on all issues, not just big ones. Ask yourselves now, if God were to stand in the middle of this room and place a cross on each one here, according to the Grace you have stored up to this time, how much weight could you bear? Or would you feel overconfident and ask for a heavier cross and fall under the weight into despair.

My children, it is because of Love I am here. It is because of God's

**Great Love for you He allows you, on this night, to hear Words direct, and They fall on the ears that He created, and They fall on the minds that He made, and They fall into the bodies; the chalice of truth He gave you.**

**So oftentimes I am seen holding a Child in My Arms Who was The Divine King. Even the madmen who whipped Him, crowned Him and said, ‘Make Him a king,’ and what they did not know was, He was already a King, but a Higher King than they could know, than they could ever crown. Many of these men were as you. They were led by others all around and they followed the group. Please, My children, only let God’s Hand lead you and only let yourselves accept truth, and do not follow every whim around, for if you do, you will fall into the abyss of Hell, and I could not bear this for I cherish you.**

**As I leave on this night, I say to you, ‘Grow so in love with God that every thought you have will be His Way and everything you do will be for Him, and you will find a joy in the physical life that nothing else can give’; a promise to you for serving as**

**you should do, as you must do, as God Wills it to be.**

**I bless you from a Heavenly Realm and I say, ‘When you read over My Words one day, do not be foolish, and be sure you pray, for I want to see each one of you in the Realm of Heaven one day.’ So be it.”**

**DECEMBER 18, 1971 AT 10:58 A.M.**

**SAINT BERNADETTE**

**“My beloved children, I am Saint Bernadette. As you entered this room, All Heaven was alerted to your presence, to your walking in, where We would speak to you of God’s Love for you.**

**I want each child in the room here now, to picture a great big garden of flowers with a path going down the center, and I will walk along with you. Now picture, at the end of this path, Our Heavenly Father, and We will call this path ‘the way of life’, the way you walk each day.**

**And now let us hold hands, you and I, and walk this path to God Who waits for us with Love. To the right of us are little flowers, blue, and we notice each one of these flowers is exactly like the next one. They are the same color, they are the same size, and they all have the same amount of petals. Let us, you and I, pick some of these flowers to begin a bouquet to hand to The Father today. As we bend down to pick them out of the ground,**

**each of us will pick a different amount. Some of you will pick many.**

**And now let us go on further along, and we come upon more flowers who have grown big and strong; these are multicolored. And now you and I will go in where these flowers are and pick them as they please our eye. Here again, you and I will pick a different amount.**

**Now, My children, walk along and we will choose the flowers. As we walk through the path of life, these flowers are not just flowers; they are your acts of love that you give to those you meet, those you live with.**

**Now, we are just about at the Feet of Our Heavenly Father. We begin to arrange these flowers. Ask yourselves, are you pleased with your bouquet? Ask yourselves, did you do enough to make the bouquet in a beautiful way? I, Saint Bernadette, ask each child here to think of the size of the bouquet. I ask the little ones and I ask the big people also.**

**Now, My children, we are at the Feet of God, and we will hand Him the bouquet before we enter the Kingdom to live on with Him for all days. This**

**is the way of life, My little ones, gathering acts that you do, so one day you will face your God with a total amount. Give Him the gift that He wants: your love to Him.**

**I bless you with My Way and I say, ‘I want each child here, of all ages, to keep close to them the Holy Rosary, for as you do, your Heavenly Mother will help you along the path, so that when you lay the bouquet at the Feet of The Father, it will be a great bouquet of love, and you will be happy to see Him at last.’ So be it.”**

## SAINT JOSEPH

**“My children, I know that you are excited, happy, joyful about the coming event to be. You are thinking of the excitement of the time and what will be given to thee.**

**A long time ago, a Child came into the world and wise men and shepherds brought gifts to Him. He was too little to see the gifts, and He had no awareness of the worth of each of them, but all through time man has grown in this custom of giving love this way, and now in your time, it is as this. The sharing of love, the giving of gifts, is to bring happiness to all. Keep in mind, My little ones, that there are many ways to share love, to give love, besides in a package, in a wrapping with a great ribbon attached; first of all, just telling those you love that you love them.**

**I am Saint Joseph. When We walked the earth as a Family, We lived as you live, We shared as you must share, We were obedient as you must be obedient. I was obedient to God’s**

**Will for Me; Mary was obedient to God's Will for Her, and Our Son was obedient to Us. This, My little ones, was the Example you must follow as you live in the physical way, for through obedience in this way, you will be a Saint one day.**

**When you feel the tug of disobedience, remind yourselves of Our Way. When you feel that someone is being unfair to you, pray; and when you feel that you do not have the energy to do what you are asked to do, keep in mind that Our Son had many tasks to perform in His day. The tasks for His age were equivalent to His age. He helped His Beloved Mother set the table for repast. He helped to gather the things necessary to keep Our home warm. He helped in the tasks that man would call menial or small. He helped Me in the workshop because it was necessary to do so. He did not always feel like doing it at that time but He knew it had to be done, and it was important to be obedient to Us.**

**So it is, My little ones, in your way and in the time you live. Obedience is love, obedience is security, obedience is sincerity, obedience is trust, and obedience is necessary for you to one**

**day become a Saint. Beware of people who you should not be obedient to, but you know who these people are, because they lead you in the wrong way.**

**On the morrow, begin the day with a prayer, asking God to help you with obedience every day. I, Saint Joseph, will openly ask you to answer Me right now: ‘My children, will you place much importance on obedience from now on?’ (You can answer Him.) Do not forget this day, for I have truly spoken to you from the Realm of Heaven, for I want you to come Here one day.**

**I bless you with God’s Love, and I bless you with obedience and I bless you with truth. My children, let it lead you to Heaven Where I am. So be it.”**

**DECEMBER 18, 1971 AT 11:17 A.M.**

**OUR HEAVENLY MOTHER**

**“My children, I am your Heavenly Mother and I embrace you in My Arms as I speak to you now, and I say, ‘I understand your little way and I love you, for God created you one special day.’ Each child was created out of God’s Love. Remember this when you pray. You are His Love. All children who are born to the world are born of God’s Love. Keep this knowledge close to you and hold it in your heart each day, so when you pray you will know God is close to you.**

**I am going to ask each child here to daily say the Beads I love dear. Say it with those you love and encourage others to do the same; and when you feel tired, through the Beads, ask your Guardian Angel to help you to the end. Keep these Beads close to you, My little ones, day and night, for they are a protection for you. Keep this in mind. Children of all ages should keep this habit every day, to say the Beads of Love, of Truth; the Beads, My Way.**

**I will not keep you longer for I am full aware that the love you came in here today is full, and now I say: 'I bless you and I enfold you in My Mantle for every day. Keep purity in mind, be modest, be obedient, and do not let others help you stray; and keep in mind the bouquet that the beloved Saint Bernadette requested you to give to God your way.' So be it."**

DECEMBER 18, 1971 AT 2:20 P.M.

**SAINT BERNADETTE**

**“My children, I am Saint Bernadette, and All the things I have said to you thus far, I want you to remember as you walk in the world among mankind making decisions, of which way you will decide: to be good, to be bad, or to be indifferent. Do you understand, My little ones?”**

**Let us, you and I, gather together and talk about going to God. There are many, many paths to take to reach Him, but some of the paths will give you Greater Glory in Heaven. Some of them will give you a smaller place. Some of these paths are rocky, some are smooth, some are happy, some are sad. The path you will take will be chosen by you and everything you do on this path will be your decision, through your will.**

**Now let us, you and I, walk a path to God. Let us pick one that is smooth. Let us choose a path of happiness and a way in which our lives will bear much fruit. This path can be for everyone if they choose. Now, to walk this path**

**we must live our daily lives, we must perform tasks for the physical way. We must take care of ourselves and we must pray, we must be obedient in every way. We must trust in God's Way.**

**Now, My little ones, we are walking down the path and suddenly there is a great rock in our way. Do you know who put that rock there for us? It was the evil one; so now it is time to pray. Shall we jump over the rock, shall we try to go around the rock, or shall we allow the rock to keep us from going on, God's Way and in His Way?**

**And so it is in your life. There will be many, many rocks no matter which path you choose to take, for as long as you are on the path to God, the evil one will throw in rocks, and you must become so alert in knowing how to cross these rocks, that no rock will make you stop. The wisest way to handle this situation is to pray, for prayer will either remove the rock or will give you the strength to cross over it and be on your way. The greatest prayer in the world that you can say is the Holy Rosary every day.**

**I bless you with God's Love; and when you feel that prayer is difficult to say, look My Way and I will help you pray. So be it."**

## SAINT JOSEPH

**“My beloved children, I am Saint Joseph. As I speak through *this child* to you, it is as it was in the day I walked the earth. The teachings were held in many open places and children would gather around as you. They would rest their bodies upon the earth and they would listen to words by someone who had the wisdom to teach. Many things you are learning today were taught then, perhaps in a different way, but in that time, also, We had a path to choose. We, too, ran across rocks in the road and We, too, had to pray in Our way. That is nothing new. The only difference, My little ones, in your time and Mine, is the mode of dress, the inventions you have of mankind, but all children then were born of God’s Love, as it is now.**

**All children then had to face obedience, as you must. All children then had to trust in God, as you must do. All children then had to be modest, had to be pure. All children then had to feed their bodies, be aware of cleanliness. All children then had**

tasks to do. You see, it is as it was then. All children then had Souls to save, as you do. All children then had to learn how to do things, as you do. All children then had to be concerned over how they would live their lives when they reached a certain age. All children then were aware of the responsibilities of family life.

**F**rom now on, when you feel disheartened, troubled, upset, fearful, angry, and that you are in the mood to waste time, remember back to how it was in Our time. The Child, Who was My Son, had many tasks to perform and He did them one by one. Nowhere is it written He enjoyed every one, for He, too, would become tired and He, too, did not always feel like doing what He had to at that moment; but remember, He, too, used His Will to do the Will of The Father. He, too, was obliged to be obedient to Us, His earthly Parents. Oh, My children, the next time you must make a decision and choose obedience or disobedience, do as We would.

**I** love you far more than you know. I love you in truth. I love you God's Way, for He did make you. I love you with the Love of the Heart of

**The Son, for it was this Heart that I walked the earth with. I love you with the Light that you must follow on the path you choose. I place you under My Mantle to protect you. I stand in the Heavens and I use *a child*, as you, to reach you, so you will grow so in love with God that you will desire to choose only the right path for you. So be it.”**

JANUARY 11, 1972 AT 7:45 P.M.

SAINT ATHANASIUS

**“My beloved sons, My beloved daughters, All that has been spoken thus far through *the child* has been Heaven speaking to you. Some of you are asking, ‘Which Saint?’ Heaven smiles at this and says, ‘One you must love, One you must know, One that stood in obedience, One that stood in trust, One that stood doing God’s Will.’**

**I, My children, am a Saint that some of you do not know. I am Saint Athanasius and I speak to you from a Realm unknown to you. The Saint Who spoke was The Beloved Saint Joseph, and as He spoke He extended to each child here much Grace, much Protection, much Direction and much Love. Nowhere in the world could you go and hear the Words so. Nowhere in the world could you stand, could you sit, could you lie, and hear the Words so direct from Heaven Where I am. As *this child* sits in the physical realm, Heaven uses her as a chalice of Words, a chalice for Truth, pouring All These Things to you.**

**Remember, My children, that you live in a time worse than Sodom and Gomorrah, and you live in a time when and where much heresy is everywhere; and you must learn to sift the truth, and you will find that the truth that you are learning, the truth that you are hearing, the truth that you are subjected to, is far less than you suspect or know. So learn to sift the truth in every way, and above all things, learn to pray, for as you pray for enlightenment this way, The Heavenly Father will come your way and He will give you the advantage of knowing the truth.**

**There are so many children walking around, smug in their way, deliberate in their way, and saying, 'Others do it, so can I,' but they do not look at the truth. Oh, My children, as you sit with *this child* in the physical way, keep in mind that you must become a Saint. If you face each day with this point of view, you will grow so in love with God, and you will feel such a joy, and you will learn to immediately know the truth.**

**The world has dismissed modesty, the world has rejected purity. The world has accepted all things sinful,**

ugly, full of turmoil, for so many in the world are saying, 'Let me enjoy this moment and I will worry about it later.' This is not the way to walk, this is not acceptance of truth; this is weakness, and remember, My children, God is Strength. Satan, the evil one, is all weakness.

In the time in which I lived, it was necessary for me to stand in truth when all others had conflicting ideas and would deny me many things; and I would kneel and pray to The Heavenly Father and I would say, *'Let me know what You Will for me to be,'* and then I would go before these men and I would say, 'I know I have the truth today, for God would not let me speak heresy.' And many men threw words at me, for they wanted to beat me down with their intelligence, their way; and I would speak to God while these men did speak to me, and suddenly would come forth the truth against the heresy.

I bless you, My children, and I say, 'There is a great need to pray, and there is a great need to love, but God's Way.' So be it."

JANUARY 11, 1972 AT 7:53 P.M.

### SAINT BERNADETTE

**“My children, I am Saint Bernadette, and I speak to you tonight on a special Subject. The Subject is loving The Heavenly Mother.**

**When I walked the earth it was easy to love such a Mother, for we knew that She stood in such Beauty, such Love, that we were drawn to Her in many ways, and yet there were many people in My time that rejected Her, as they do in your time; but when She taught the Holy Rosary to us, it was done with such Love, such Kindness, that we could not help but love Her more, and through This *Miracle Of The Beloved Saint Joseph*, again Heaven is teaching the necessity of this great prayer. The purpose of this prayer is to alert mankind to the Great Events that must be remembered.**

**So, as you take your Beads in hand and you progress through them, the first thing you do say is, ‘*I believe in God,*’ and if you will but remember, this important line tells The Heavenly Father you know He is Divine; and as**

**you pass your little fingers over the Beads of Truth, you repeat again and again the Great Truth. And as you reach a point when you stop and meditate on an Event of Great Importance, think, My children, of that time, and what it says from The Divine.**

**And when you grow in love with these prayers, the meditation will mean much to you and you will find a strength in each of them for you. When you reflect on what they say, you will feel God's Hand your way; and so, as you do pray to The Beloved Heavenly Queen, you will learn more of God and more of how He worked, and you will begin to understand Him in His Way.**

**Some children say, 'I do not like to be reminded of the Sorrowful Way.' Heaven smiles at this and says, 'Take one at a time, My child, and walk the way, so you will grow so in love with all the Great Times that were given to you to reflect upon, you will grow in understanding that the Sorrowful Ones are beautiful in their own way.'**

**Man says, 'I cannot bear to have Him scourged at the pillar,' and yet man, each day, rejects Him when he does not pray. Man says, 'I cannot**

**bear to speak of the Crucifixion,' and yet The Holy Eucharist is passed by, by man each day. Oh, My children, keep in mind that it was a very Important Day that He gave mankind His Body and Blood, to give mankind strength every day.**

**You are Blessed on this night with a Special Grace and through the Words I say. Go to The Holy Eucharist every day, and keep the Holy Rosary in close touch with your fingers in every way.**

**I say to the sons who are present here now, 'On your person, carry one each day, and when you feel temptation, you feel ugly, you feel intolerant, you feel disobedient, you feel fear, wrap your fingers around the Beads and call on your Heavenly Mother.' I say to the daughters, 'Have one ever present on your person, in your girlish way, so you can immediately touch it and chase satan away.'**

**The Rosary was not only of My day. The Holy Rosary will live forever, and this prayer can help you be crowned a Saint one day. Each time you say the Beads of Love, a Soul could come This Way; and when you gather**

**in a group and you begin to pray, speak to God and say, ‘*As I say these Beads, dear God, let Our Lady’s Hand touch a Soul so She can draw the Soul out of Purgatory to go Your Way.*’ This, My children, is one prayer that God does like to hear, for the Souls Who are in this state, Who desire to draw near.**

**I bless you with the Holy Rosary and I say, ‘Hold it dear.’ So be it.”**

JANUARY 11, 1972 AT 8:06 P.M.

## OUR LORD

**“My sons, if I were to walk in the room in your day and I were to beckon you to walk My Way, how many of you would follow and say, ‘I am ready to do as You Will’? How many of you would say, ‘There are so many things in the world I must do, there are so many things I have not yet completed, there are so many things I must experience before I can waste my days’? How many of you would say, ‘I have responsibilities another way’? How many of you would say, ‘I would, but I would like to know just what You have in mind for me each day’? How many of you would be reluctant to give any excuse?**

**My sons, I am beckoning you. I am not asking you to give up your way of life, but I am asking you to change some things in your life. I am asking you to follow a path that would be easy for you. I am asking you to learn to communicate with Me. I am asking you to offer prayers. I am asking you to be obedient to The Rules, to The Commandments. I am asking you to let**

**your whole being radiate love for The Holy Trinity. I am asking that you do not pass by The Holy Eucharist without accepting It for you. I'm asking that you do not make excuses for time. I'm asking you to grow close to the Holy Rosary so that purity and modesty, patience, tolerance, kindness, will be such a part of you, so that one day you will be counted in the Divine.**

**If each child here in this room knew the Love that is extended to you, as you stand in the human way, childlike, looking God's Way, the Protection is there in all ways. As I beckon you, My sons, I say: 'Your entrance here tonight to *The Miracle Of The Beloved Saint Joseph* was My doing, not yours. The will you used to reach where you are was Love from The Holy Trinity for you.'**

**As I once gathered a group of men around Me, I gather you. I will tell you a story, as I told them. The creation of the world did not just happen. It was a Great Plan. All things in the universe had purpose, had plan, had place. The Greatest Creation, as you know, was you, and I say to you Face to face: 'How will you handle what you are, the Purpose of your life? Are**

**you planning on just day by day, or are you planning on future gain?’ You are all wise in this way, and each of you, I know, is planning to come This Way. Then, I say, My sons: ‘Do not settle for less, but look forward to more, and I will give you the Grace to pass every test. Do not doubt how I speak, for I speak All Truth. Do not blind yourselves to the Vision of Me, for I am truly here with you.’**

**Now, as I have given you the Goal God wants for you, I say this: ‘When I leave your presence in the physical way, how will you handle each day? Will you let other men draw you away? Will you let other men cause you to sin? Will you let other men talk you out of coming Here Where I am? Will you let weakness take over? Will you allow yourselves to desire, to such a great degree, material gain, that you will forget your Purpose and Aim? Will you spend so much time making excuses that you will reject The Divine? Will you let the world tug at your Soul, that the world will look all aglow?’ The glow that the world has is man-made. The glow of the Cross is God-made. The glow of the world will not last. The glow of the Cross is the Light of Eternity, is the Power of**

**God. I ask you, My sons: ‘What path will you take? The one I have offered? I hope so.’**

**As you leave this dwelling on this night, I will touch your heart with the Light: the Light of the Cross, the Light of The Holy Ghost, the Light of God’s Power that is truly the Most; and any time that you feel drawn away from Me, oh My sons, pray, and I will hear your words and draw you My Way.**

**I bless you with The Heart I gave and I say, ‘Remember, I have beckoned you on this day.’ So be it.”**

JANUARY 12, 1972 AT 11:02 A.M.

## SAINT ATHANASIUS

**“My beloved sons, My beloved daughters, I come to you on this day through *this child* who speaks direct to you, who is guided by The Divine and who is governed totally by God.**

**As I speak, I am a Saint, and I walked the earth as you; and as I did, I had many tasks to perform and many problems, many sorrows, oh yes, and much anxiety, for I lived in a time of great dilemma. I lived in a time of heresy. I lived in a time where men felt so righteous, and they were so full of untruth.**

**I am Saint Athanasius, and as I fought in My day for truth and as I fought in My day to show men the way to God, so it is here with you. Through *This Miracle Of Saint Joseph*, I come. It is the Will of God I say These Things to you.**

**Oh, My sons, you have a great burden upon you in this day, for you must express purity, modesty, and you must let others know that this is what you want in your way. There are so**

few children, walking the way of the physical way, who are ready to stand up for what God does want each day; and each of you in the room, I say today, 'Watch out for the men who cause you to stray from the Commandments that The Beloved God gave one day.'

I stand in the Heavens Where I am and when God says, 'Athanasius, go forward and help those men,' I immediately obey, for I know that when I do, Souls will come This Way. There will be Saints Who will speak to you today, for All Heaven is alerted to your gathering in this group.

This *Miracle Of The Beloved Saint Joseph* is to draw you God's Way. As the rays of the sun give you heat, the Rays of the Love that are transmitted through This Miracle of Divine Way will draw you to Sainthood one day.

I bless you with The Father's Love and I bless you with The Son's Heart and I bless you with The Light to lead you This Way. So be it."

JANUARY 12, 1972 AT 11:09 A.M.

## VISION

**I will describe what I am seeing. I see with the Eyes of my Soul and God said this is a pure sight, pure vision. There are Three Saints standing about a foot apart. They are smiling at me because I am trying to tell Who They are, and when They smile, I smile, because it is an automatic way. The One Saint in the middle stands majestic as a king.**

## SAINT FRANCIS OF ASSISI

**“When I walked the earth, I did not project this sight to any man I met. I walked many times alone and I was very conscious of God and His Throne. He offered suffering to me one day. I accepted it, and yet, I feared in His Way. There is so little known about many of the personal talks I had with God alone.**

**I am Saint Francis of Assisi. *The child* requested I tell you My Name. I will speak slower than usual through her today, for I have a Message I must convey.**

**The degree of purity in the world now is so small that man would need a magnifying glass to see it at all. This came about because of man's lack of respect for The Commandments God gave in full time. The sins of promiscuity are many and children of all ages are indulging freely. Many of these sins attack each Commandment there is. When man speaks of gluttony, he thinks only of repast. I want each child here to think much of this: You can be gluttonous in many ways. I ask each one to find out what each Commandment contains and how each one affects your way.**

**The evil one is working much in your day. He is attacking the old and the young. He is encouraging man to be imaginative instead of facing the truth. I say to you on this day, 'Use your imagination in a harmless way.'**

**As I hold *the child* with Divine Power, it is a Miracle, My speaking to you. Recognize this, accept It as It is, and then follow through.**

**Many children are shouting, 'We live in a modern world, not a modest world,' and I say to you: 'How sinful can you be? How ridiculous can you**

**think? How shallow can you feel?' To be immodest, to be impure, does not give you freedom; it is bondage. The greatest freedom in the world is to follow God's Will. There is a joy in it, a happiness, a glow in it, a light in it, a purpose in it that nothing else can give. Think about this, My children, each day that you live.**

**I have said much to you today. Another Saint will speak. I expect each child before Me here to go over again and again the Words they did hear. Do not make excuses when you think you are weak, but ask The Heavenly Father to give you strength to be strong, to conquer the weakness where you are wrong; and then hang onto The Commandments of Truth, The Commandments He gave for each of you.**

**I bless you with God's Love and I say, 'Follow the Light to The Commandments He gave.' So be it."**

**JANUARY 12, 1972 AT 11:17 A.M.**

**SAINT ANDREW**

**“All the Words the beloved Saint Francis delivered to you were given with Love, and now I will add Mine too.**

**All children walk the world so unsure of what awaits them Here. They are unsure because they do not trust in the Words of Truth that have been given to all men. Begin today, My little ones, to trust in God’s Way, and do not be so willing to feel, to think, to follow man’s way. It is an unsure path and has many weaknesses.**

**Man has been given all things to make him a Saint. Man has been given the Rules to live by, prayers to say, and The Holy Eucharist every day. This is Divine Transfusion with human means. Ask yourselves, My little ones, how many times, how many excuses you make to not receive. It is sadness Here when children make weak excuses to not receive The Holy Trinity.**

**When the Man of God reaches out and says the words he says, look at your**

**God and tell Him you love Him; such a simple little act, such a loving act. The Greatest Communication in the world: Transfusion with the Supernatural. As this occurs, the silence you feel, that you express, is understood all the way. You cannot feel a great strength surge through your body, but believe Me, My children, it does occur, and the Grace you gain for this act of love, your way, cannot be compared with anything in the world. Hold Him close, hold Him tight, and cherish every moment until the next time. God has given man all the ways to Here.**

**I bless you with God's Love, for it is His Will that I speak to you here. So be it."**

**JANUARY 12, 1972 AT 11:25 A.M.**

**SAINT BERNARD**

**“My beloved children, the time in which you live is an emotional time. This is sad, for satan uses this in many ways. Where there is God, there is peace, tranquillity. The Greatest Gift in the world He gives to man, The Holy Eucharist, does not create an emotional drain on the body, for you see, your littleness, your weakness could not stand the Great Power, the Great Love that this Miracle is for man. So The Heavenly Father, in His Understanding, gives It in the quiet, gives It in a peaceful way to every man.**

**Do not look for great signs, My little ones. Accept God’s Love as you know it must be. Every breath you take is His Love. Every move you make is His Love. Everything you have is His Love. Every word you say should show His Love.**

**The very young are being drawn into a world, a time, of hysteria. They are being told to be emotional; that’s where they find God. This is not so.**

**How long can emotion last without tearing down the physical?**

**As each of you are present in this room, Heaven speaks, and yet there is a peace. Is this not so? And would this not say to you that This is Truth and the other is imagination; or worse still, the evil one, who envies God and envies man, for man has a chance to be a Saint?**

**I come to you today to plead for the young, to plead on their behalf. They must be shown truth. They must be taught God's Will, and they must be shown God's Love through you.**

**All Heaven could speak for hours, but Heaven is fully aware of your littleness and how much you can retain, how much you can absorb, how much you can use.**

**Oh, My children, do not abuse What you have learned today through This Miracle of The Beloved Saint. Do not reject It, for It will make you a Saint. I, too, bless you and I offer you Grace. God requested that I do. So be it."**

**JANUARY 13, 1972 AT 7:36 P.M.**

**SAINT JOSEPH**

**“My beloved sons, My beloved daughters, many of you present here in this dwelling, man’s way, understand that to pray means words from you, expressing ideas, desires, wishes. Yes, this is one way to pray, but let Me tell you, My beloved children, of many ways you can pray. Prayer, first of all, is communication God’s Way. Prayer is Grace-rewarding so that one day when you arrive in the Realm of Heaven Where I am, you will be a Saint. Prayer, in many ways, gives you strength.**

**Now, here are many ways you can pray: first of all are the sayings in thanksgiving for the privilege of being man, for you are God’s Greatest Creation, the one He loves the most. His Love for you far surpasses the sun, the moon, the earth, the universe. Be thankful of this, My children, for it is God’s Gift to you.**

**Another way to pray is to accept the tasks you must perform every day. Do them with love for Him. Do them with willingness that they will perform**

a greater act to help someone else, man's way. It is sadness to God when a child frets so over his daily tasks. Remember this, for you can make each one a prayer in your way. So many men speak of this great brotherly love. One of the greatest ways to show it is to perform a job well-done. Another way to pray is to give of yourself where truth is concerned, and in God's Way.

Another way to pray would be to look to the Ten Commandments every day, and make sure that you go through Them, one by one, and accept Them as a Rule God gave. Each one of These Commandments is special in a certain way and each one gives you the chance to pray.

Another way to pray, My children, is to say the prayers Heaven has requested be said. You know which prayer I mean; it is the Beads, for you see, these Beads say to God you believe all the Special Events, you accept them in a loving way. The repetition of the prayer is a beauty that sometimes you do not recognize, but nonetheless, it is there. If you will but stop and meditate on the Important Events that took place, you will find a warmth in the prayer, and each time you say to

**The Heavenly Mother, ‘Hail’, it is as if you are saying ‘Hello’ to a friend. This, again, must be remembered by every man. Do not think the prayer monotonous, but when you say it, think of Her and think of Her obedience to God, for She was but a Girl.**

**And now, when you accept the meditations that say ‘Sorrow’, keep in mind that each one of these says to you a brighter tomorrow, and each of these great thoughts, great times, great days, has given you life in a special way.**

**And certainly not the last one, but the Greatest Gift to all men is God in His Way, The Holy Eucharist every day. No day would pass by that you would reject or refuse repast, for you say, ‘I enjoy the food of my way.’ Ah yes, My children, and you say, ‘I need the health it brings me today.’ What better way to start each day than the Transfusion of Divine Way, the Gift of Love, the Beauty of Him, the Food He Is, the strength He gives. He even allows this to be a prayer from you. So often children forget to thank Him for this Food and yet It is the Greatest Gift any day.**

**I could go on and on to teach you how to pray, but I ask you, in your little way, to add what you think to this list, so one day you will be a Saint. For those of you who have wondered Who I am, I say, ‘I am Saint Joseph, and I have come with Love your way.’ So be it.”**

JANUARY 13, 1972 AT 7:46 P.M.

SAINT AGATHA

**“So few children have heard My Way, heard My Name, that so few children understand that All Saints Who are Here love man; and so few children realize that to walk the physical way is a Gift from God, for you see, the Gift of walking this way is to come Here one day. There are so many children walking the earth and wasting so much time because they do not understand the road of life leads to a Greater Life in The Divine.**

**Oh, My sons, if you but knew how many men are Here Who walked the same way you do, you, too, would stop and pray and say, ‘Oh, dear God, help me all the way.’ There are Many Saints standing Here now, in the Realm Where I am, Who had many tiresome days, and many times they would forget to pray; but they were so in love with God that they would stop and say, ‘I am sorry, God, for neglecting You today.’ I ask you on this night, My sons, to remember this when you forget to pray, even if it is some time later in the day, for God does love to hear a child apologize for**

**this, and then He knows the child does care. So, you see, it will help you in many ways and give you Grace.**

**The daughters in the room, I say: ‘Modesty and purity must be your way. The time in which you live has real strength, if you stand up to it where decency is needed, where purity should be seen, and yes, where modesty should be the way.’**

**As I stand Here in the Realm of Heaven Where I am, We see so many children that will fall into sin because of lack of thought, because of wasting time, because of not caring truly about God and The Divine. So please, My children, on this night make yourselves a promise you will think more of what God wants and what is best for you; and keep in mind that to be modest will please Him all through.**

**I bless you with God’s Love and I say, ‘Do not ignore the Words I say, for if you do, you will be sad when you go away.’ So be it.”**

JANUARY 13, 1972 AT 8:00 P.M.

SAINT PETER

**“I am Saint Peter. My children, as I speak through *this child* on this night, I will say All Things direct and with much truth, and I will say Things that God has decreed must be.**

**The edifices in His Honor must be filled with children such as thee. You must not forget that in His Home you will feel close to Him and you will feel the desire to pray. You must understand, also, that these edifices were built for this and that there He waits for each of thee.**

**Keep in mind, the visits to Him during the day, during the night, are what He likes to see; and when you enter, be reverent, My children, for it is the place of The Holy King. Encourage others to make visits to The Blessed One Who is there at all times, and encourage the little ones to pray in this edifice that was built to honor The King. Many times people are distracted and they say, ‘I do not have the time to go there today.’ This**

is sadness to The Father for He says, 'I feel neglect My Way.'

**M**y little ones, as I speak to you from the Realm of Heaven, I say, 'Make it a point to visit these edifices where you will speak in person to The Holy King each day.' Do not pass by and say, 'I do not have the time,' and do not ignore that That is where He lives, and you must enter and say, '*I love You, God, thank You for this day.*'

**T**here are so many children running around, busily doing little things, but they do not have the time to stop and say '*Hello*' to The King. I say to you on this night, as I stand as Peter in the Heavens: Go to Him, pray to Him and request His Love from Him, and as you do, kneel before as a child, and as you say, '*God, I love You,*' know He hears what you say.

**I** shout from the Heavens because man must be alerted to this place. Man is ignoring it in every way, and man is saying, 'Let us gather in prayer groups and pray.' The edifices were built for this purpose, and there He is in The Blessed Sacrament, for all men to come to, to see, to love and to say, 'I have visited my God today.' So be it."

OUR LORD

**“My beloved children, as I hung on the Cross for each child here, I was accompanied by two men. Each of these men, The Father held dear. One man was too stubborn to realize that to be humble is a great Gift. He could not bend his will for one moment, for he had grown so self-sufficient and depended solely on man. The story of him, you have heard much; and oftentimes when you did, you would hope that you would not take the same path he did.**

**The other man, fearful and yet thankful, also very humble, he had taken a wrong turn and he knew that it was his will. Oh, My children, before he was dead to the world, I spoke with him as I speak to you. The Love he felt was direct, for you see, as I speak through *this child*, it is as then, direct. There is no in-between. I speak in a manner you understand, as I did to him then, on that Hill. Some of you will ignore What was said and some of you will follow through. Remember,**

**My children, whichever direction you take, it will be your will.**

**This time that was spent on this Hill for you, this Hill of Love, this Hill of Salvation that was so true, will never be spent again, for there is nothing like This in view. There is no need for it for any of you, but This Miracle that has been set forth upon the earth, bearing the Name of The Beloved Man, of The Beloved Saint, Who walked with Me in the human way, is bringing direct to mankind the Words in the same way.**

**As I looked to the right and I looked to the left, I look at you now from Heaven Where I am. There is no need for Me to come into the room in a physical way for My Power is so Strong, so Great, and I use *this child* as the instrument. So keep in mind, My little ones, as you leave this dwelling tonight, you have your will to choose wrong or right.**

**I bless you with the Cross I bore and I do say to you, ‘Make *The Sign of The Cross* again and again and keep it close to you.’ It is a small prayer for man to say, but the meaning of this prayer is the greatest prayer of your**

**day, for it says to God The Father a greeting of love, for when you say, '*In the Name of The Father*', you express recognition to Him Who is Above; and when you touch your breast, I hold you close to My Heart, for when you call My Name, I look to see which way your 'will' will take you on this day; and as you cross your shoulders left to right, The Holy Ghost gives you Grace, showers Light. So this is not just a prayer or just a few words. This act of recognition says to God, '*I am Yours.*' So be it."**

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, nowhere in the world is there such a Miracle as This, direct to you. I, Saint Joseph, speak through *this child* who is as you. She is flesh, she is blood, she is human life, and yet each of you here must walk the physical as she. Keep in mind, My little ones, that in this physical form, you can become a Saint. That is What God has destined for you. Do not treat this lightly, for it is God’s Will for you.**

**Keep in mind at all times that each day is to bring you closer to Him in His Way. When you awaken in the morning, as Mary and I once did, be sure, My children, that you offer the day to The Holy Trinity and say, ‘*Dear God, guide me this day and help me to guide others Your Way.*’ These words are important to God, for when He hears you say them, He reacts to them.**

**Keep in mind also, the necessity to pray, whatever role you play in life. Whatever your tasks are each day, use**

them wisely God's Way and do not waste time, for when you do, remember, My children, you cause yourselves a lower place in Heaven Where I am. This may not be understandable to you, but use every moment you can to serve God in His Plan. Do not let waste of time become a habit with you. Use this time to grow in Sainthood as God Wills.

Each of you in the presence here, where I speak through *a child* as you, can, from this day forward, become a Saint, and God Wills you do. Any age can begin this day. God does not limit you; only you limit yourselves this way.

As Mary and I walked the earth, We had a Child to care for. We, too, had many days of unhappiness, sickness, sorrow for others, disturbing events, but as We did, We offered each thing in love to Him, as you must do.

I am truly Saint Joseph and I do speak to you. On this night I ask each child before Me here to carry My Name on your lips, for it is God's Will you do. I am known in many ways of Protection, for I protected as I walked the earth. Keep this in mind, My children, and as you need protection,

**come My Way, call My Name, and keep in mind I will hear what you have to say.**

**The Power between Heaven and earth is far greater than you know. It is instant reaction on Our Part to a child who calls in a moment, at a time of need, of just desire to speak. Oh, My children, if you but knew the Beauty that is Here, you would offer each day and you would act through each day as if it were the last on earth, and you would look forward to the time that you would spend with The Divine. So do not fear, watch out, for wasting time will hold you back on the climb to Heaven Where I am.**

**I bless you with God's Love and I say, 'Walk in trust God's Way, walk in obedience to His Will,' and oh, My children, keep in mind at all times The Commandments He gave you, for if you follow each one of These, you will please Him, for He will say, 'The child respects My Rules.' So be it."**

JANUARY 18, 1972 AT 7:50 P.M.

SAINT THERESE OF LISIEUX

**“I will explain to you, My children, a small bit of how This Great Miracle is. It is comparable to your Soul. It is within *the child* I am; for I am the Power, God’s Power, to seep into her being, to be a Part of her being, so I can use the faculty to speak to you.**

**I walked the earth in the human way and now I am in Heaven to stay. I am ‘The Little Flower’, and as I speak through *this child*, I smile through her to each of you, and I say, ‘This is truly The Miracle of your day.’ I am as much within her as I am on the outside, and that is why This is such a Personal Miracle in your day.**

**I want each child here to be a Saint, and if you did not have the desire thus far to be One, leave this dwelling tonight and express the desire to God to become One. It is All Beauty Here. It is All Love, It is All Joy, It is All Happiness, and yes, We are obedient Here as you must be on earth.**

**It is God’s Will that This Miracle be put forth among mankind, and All**

Heaven has come forward to react to It, to respond to It, to work in It; and so you, too, must work this way, work together God's Way; but when you walk, walk around and hold His Hand so you will feel free to discuss with Him, at a moment's notice, what you will, what you feel like, what you want.

Oh, My children, I, too, walked the earth, and I smile through *the child* when I say this, because many books have been written of My Way. It is true, I was willful. It is true, many times I would fall, but it is also true that as I walked the earth, I had Sainthood as My Goal and I would not settle for less, for I knew that the day would come and I would die in the physical way, but I also knew that there was a Life ahead; and so you, too, must know of this Great Life ahead. It is not like the physical one at all. It is Special in every way.

So, My children, gather your bouquet. Let each flower that you choose be one of beauty; and a little act, a little flower will come a long way, for The Heavenly Father looks at each flower that you give Him one day, and sometimes, at the very small ones,

**He will laugh and say, ‘Oh, child, that one was difficult for you that day,’ and you will smile and say, ‘Yes, my God, but I am so happy to be able to hand it to You today.’ And sometimes He will see more pleasure in the little ones you gather, for He will see a beauty in them, a struggle in them, a desire to please Him in them, and sometime you will see the glow so great as He gathers all the little flowers and He takes your hand and says, ‘My child, you are now a Saint.’**

**I bless you, children, with God’s Love, and I say, ‘Smile, be happy, and be a Saint.’ So be it.”**

### SAINT JOHN, THE APOSTLE

**“My beloved sons, My beloved daughters, I walked with The Son of God when He walked the earth. He taught us as it is being taught in your day through *this child*. Many times we sat upon a lawn, upon a hill, but sometimes we sat in boats along the way. Many times we gathered at a tree stump and He would sit and teach us how to pray. There were many times, as we walked in this way, others along the road gathered to hear the Words that He did say. There was no book in His Hand for He taught with Love, He taught with Wisdom, He taught The Father’s Way.**

**And so it is again in your day. It is being taught Direct from Here. It is told to each of you, how to come Here. There is no book in *this child’s* hand, for if a book was there, it would mean that part of it was man’s.**

**And so, My children, as I walked, I listened to Him say, ‘My sons, follow God’s Will each day and pray, for as you pray, you grow closer to The**

**Divine, and as you pray, you gain much strength with Him. Keep this in mind.'**

**Oh, My children, My Name is John, and as I walked, I listened intently to many Words that He did say. And in the time we lived and in the time of day that we walked His Way, there were many, many heresies around, and many, many men who argued, thinking they would argue Him down, and we all knew that through Him came the Wisdom of The Divine, the Truth for all mankind.**

**And sometimes, as we walked, we gathered together and played games to break the monotony of the day, and He would always remind us there was a time for this, but then there was a time to work so we could live, so we could nourish the body, so we could strengthen ourselves, and so we would be ready to hear What He would say and we would have the stamina that was necessary in our day, for He was a great believer in keeping busy. He would tell us what wasted time would do, and how things could crop up in this wasted time, and how, in a waste of time, we could delay loving God.**

**Oh, My children, keep in mind the necessity to walk each day following The Divine, and keep in mind as you are taught on this night, through *this child* as you, that you are not learning from a book but Direct from Here to you; and as you gather in a dwelling of your day, we gathered on a hill in our day.**

**And to the sons in the room, I especially say, ‘Be mindful that you must stress to others, modesty and purity and obedience God’s Way,’ for many, many, many will listen to what you have to say and they will follow, for they will say, ‘If he feels that strong about this in our day, there must be something to it.’ Oh, My sons, keep this in mind and do it.**

**I bless you with God’s Love and I bless you with the Truth that I have spoken, and I bless you with the desire to do What I did say, and I bless you with the Wisdom of the Heavens, and I bless you with effort for each one to do it. So be it.”**

**JANUARY 18, 1972 AT 8:10 P.M.**

**SAINT TERESA OF AVILA**

**“My sons and My daughters, I am Saint Teresa of Avila, and I come to you on this night to speak direct, because there have been so many Locutions, so far, telling man how to become a Saint, and it has been treated lightly, it has been treated firmly, and it has been treated suggestively. Now I say to you, ‘I do not suggest it, I command it: Be a Saint.’**

**I walked the earth. I did not have an easy road, and each day that I walked there was a disturbance around, but this is part of the physical life, and as you have these disturbances, ask God to help you on the way, and above all things, My children, pray. And as you walk, keep in mind the Protection of The Beloved Saint Joseph. It is always there for each of you each day.**

**I walked with His Mantle around me for I could not bear to have Him go away. And as each convent came up and it was directed God’s Way, I would say to this Beloved Saint, ‘You’ve got to follow me another day,’ and He did,**

**My children, every way, every day; and so you, too, must take the Protection of His Mantle and carry It with you each day, for as you do, you will become a Saint one day. So be it.”**

**JANUARY 19, 1972 AT 10:56 A.M.**

**SAINT ANDREW**

**“My beloved sons, My beloved daughters, you have come today to hear Heaven speak. You will, My children, for no child requests such a thing from Heaven and does not receive Heaven’s Love in return.**

**I am Saint Andrew and I come today to speak with a deep Love and much Reverence, and to each child here I say, ‘Today will help you on the way to become a Saint.’ Do not procrastinate on your way and do not waste time, for when you do, you will delay the Crown that awaits each of you. The Crown in Heaven is not a crown as you know a crown to be. The Crown is seeing God Himself and the Love He will reach out to each of thee.**

**I walked the earth. I was man and I, too, had to abide by God’s Plan. I, too, had to obey the rules, the regulations that were set down that day. So few men now are alert to obedience and so few men now accept**

**the beauty of obedience. So few men now accept authority in any way.**

**My sons and My daughters, I say to you on this day: ‘Sainthood is waiting for each of you. Will you reject It? Do not forget, a wise child listens, a loving child projects, reacts; a selfish child rejects. Which are you?’ So be it.”**

JANUARY 19, 1972 AT 11:12 A.M.

SAINT PETER

**“My children, there is so much controversy now on all things, not just a few. There is much dilemma among men on issues that mean so little to your Soul. There are many men seeking high acclaim in the world, and what they do not know is that acclaim from man, in the way of man, is short-lived. Many of these men are eager to please only because they will gain from it.**

**My children, as you stand in a dwelling of your day, as you listen to Words direct from Heaven in Our Way, I say, ‘Be conscious of the Soul you have, each day.’ At the moment of conception, a child is to be brought into the world, this child is God’s Love, this child has a Soul. And as this Soul grows with the physical, this Soul looks to the physical for Its growth, Its glow. So many children come into the world and are not told about this Soul. They are not told that this Soul will one day spend Eternity with God, in His Way.**

**Man has dismissed the idea of a Soul and man has rejected the idea of a Guardian Angel. Please believe Me, My children, They are real. And as you gather in this dwelling, each of you are three; you are as The Holy Trinity. Your physical, of course, can be related to The Son, but keep in mind your Soul can be related, in many ways, to The Father; and keep in mind that your Guardian Angel can be related to The Holy Ghost, for It is your Light, your Guardian.**

**So I have said These Words so you will understand, so you will not just relate to man. It is important, My children, that as you walk each day, you understand you are in charge of a Soul that God gave you one day. The Soul will glow as you serve God, as you learn to love Him in your way.**

**I am a Saint but I walked the earth. My Name is Peter and I have come in Love. There were many times when I did weaken in the way of man; and then the Teaching that He gave us on the water, on the land, made me think that there was more to life than just being man. So you, too, keep in mind this Lesson that I give. You are three, My children. Cherish this as**

**you live in the physical way so one day you will enjoy Heaven, God's Way.**

**I usually speak quite abrupt when I come through *this child* to children, but today I have come in, not more Love, but more understanding of some children in My Presence here who would be frightened of My way if I spoke as I usually do. So I bless you with God's Love and I say, 'Keep in mind the Holy Way.' So be it."**

JANUARY 20, 1972 AT 7:34 P.M.

### SAINT ALPHONSUS LIGUORI

**“My beloved sons, My beloved daughters, I am Saint Alphonsus. Many of you know of My life, of the words that were written about Me; and many of you have read some things of My way. And now I say to you on this night: For many of you it is the first time that you are hearing a Saint speak direct from the Realm of Heaven; for many of you, you have heard Others speak, but not I; but I come on this night because there is a child in this presence who has been denied many things, who feels unloved. There is a child in this presence now who says, ‘No one cares about me.’ There is a child in the presence now who says: *‘Please, God, let me follow Thee. I do not want to be solely in the way of man.’*”**

**You see, My children, Heaven knows all things and Heaven has a Plan. You are part of Heaven’s Plan that The Heavenly Father has designed This Miracle to be. He has designed this night for you with Me. All Heaven has come forward to speak through**

**This *Miracle Of The Beloved Saint Joseph*. All Heaven has reacted to This Miracle that is so Great. This Beloved Saint must become known throughout the world for What He is, for What He was, for Who He is, for Who He was; how He reacted with obedience, how He walked in trust, and how He cared for The Divine Son, no matter what the cost.**

**Oh, My children, there will be Other Saints Who will speak, for God has designed it this way. I bless you with My Love and I say, ‘Open your heart, open your mind, and walk with hope to The Divine.’ So be it.”**

JANUARY 20, 1972 AT 7:37 P.M.

SAINT JOHN VIANNEY

**“My children, for centuries man has prayed for Heaven to come in a direct way, for Heaven to answer prayers line by line, word by word. Man says, ‘I want to touch some Part of Heaven my way.’ Of course, My children, all through time God has given children a Touch of The Divine, and sometimes children are too busy to recognize What God is giving.**

**Through This Miracle, Heaven is extending Love, Heaven is giving Wisdom from Above. Heaven is teaching mankind how to be a Saint, because it is God’s Will that each child here in this room become a Saint. For some of you, up to this time, you did not think this way, and you thought to be a Saint was far out of reach for you any day. This, My child, My children, was wrong thinking in your way, for God would not deny any man the Beauty of His Way.**

**Whatever age you are, whatever way you live, whatever vocation that you follow, keep in mind that you**

can be a Saint. The Rules are easy to follow and the way is shown by the Light. The Rules were given to you by God. They are The Commandments and each one bears a certain Light. So many children are now hearing not to obey These Rules: 'They are of the past,' or, 'They truly do not exist for They have fallen along the way.' This, My children, is Not Truth, for as sure as The Heavenly Father made the universe, He gave mankind The Rules to live by to become a Saint.

*The child* has requested Whom I am. I smile at this and say, 'I walked the physical way one day. I am Saint John Vianney.' As I speak through *this child*, I will give you the Direction so worthwhile.

First, My little ones, do not ignore the Gift of prayer and what it should mean to each one here. It is your communication with The Divine Three. There are many prayers for you to say, and many, many that will fit your way. When I walked the earth, it was my love for God, not man; and yet I learned to love man because of my love for God.

**O**ne night, as I lay in my cell, in my room in the dwelling of my day, I looked up to the Heavens in an imaginary way and I asked The Heavenly Father to touch me with His Light, for I felt selfish in my way, and yes, I often feared the night. I did not feel His Hand as such, I did not see the lightning in the sky, and I did not see a figure standing before my eyes; but suddenly, within, I felt a Warmth, I felt a Light and I knew that He had touched me in His Way, not mine, and I felt a Great Truth, and yet I knew that this feeling would not last, and I knew I would have to walk with man and face many tests.

**T**he second Gift that God did give was the Greatest Gift of all, the physical Transfusion of Himself to each one and all. So many children bypass this Gift of Love from Him, and they do not think to stop and accept It from the Man of God who waits within. Do not be foolish, children, and reject a Gift like This, for as you accept It, you will gain strength, you will gain courage, you will be enjoined, and nothing on earth can give you This.

**T**he Power through Which I reach you tonight is a Power of Divine Way,

and I use an instrument as you, *a child* who walks your way.

**The third way is to keep in mind The Rules that He did give one day, The Rules that cover everything and, in reality, cover every sin that you could make. Oh, My children, have Them before your eyes each day so you can study Them and realize what They say.**

**I could add many things to this list. I could go on and on, but if you will but follow these few, more will come, for the deeper that you grow in love with God, the more He will enlighten you His Way and the more He will magnify your love in His Way.**

**So many children are not being taught the beauty of truth. So many children are not being taught the right they have to pray, the need they have to pray, the necessity there is to praying.**

**The time in which you live is a time worse than Sodom and Gomorrah, and yet, so many children say, 'It cannot be, I'm enjoying today, and I hope to enjoy tomorrow, and if it was like that horrible time, I would not be enjoying the physical.' This, My**

children, is foolish thinking. Real joy is loving Him, real happiness is serving Him, real acceptance of His Way is recognizing the Purpose of the physical way.

There are so many children in this presence here who can, on this night, begin the path, the road to Sainthood, and hold it dear. Each one can, but some of you have doubts of your own, and some of you say, 'It's not for me, it's too late.' Oh please, My children, do not feel this way, and as you grow in love with Him Who Is, you will radiate His Love and your love for Him, and through this love radiating from you, others will begin to follow you this way.

Do not ask for great signs. It is not what He wants for you. Do not ask for Him to show you proof of everything that you must do. Oh, My children, keep in mind the importance of obedience, of penance, of making reparation for the sins you have made, and then along the line, keep in mind that you must help others up this way.

I beg of you on this night to keep in mind Each Word that I have said, and also keep in mind that the small drop

**of love that you do give is multiplied millions upon millions upon millions upon millions, and then multiplied again and again, for His Generosity is Far Greater than you know. His Love for you is for you all.**

**I bless you from the Heavens with His Love, and I bless you with the Heart of The Son, and I bless you with the Light of The Holy Ghost; Separately and as One. So be it.”**

JANUARY 20, 1972 AT 8:10 P.M.

### SAINT THERESE OF LISIEUX

**“All Heaven is planning on this joyous night for more Souls are being enlightened to the way God Wills it to be. I am ‘The Little Flower’ and I come to each of you on this night to say, ‘Draw your bouquets and then make them work for you as you work for Heaven.’ My children, each of you in this room likes a particular flower. Some of you like bouquets with many different types in each one. Now I say, ‘Whatever kind of a bouquet you like, begin to pick it on this night and bring it to the Feet of The Father.’**

**I know that many of you have read My book. It told many things about My way, and each of you, in reading it, knew I chose ‘the little way’, and when I say ‘the little way’, I smile at this, for each of you, too, can choose ‘the little way’ to God, your way.**

**Now, let Us begin first by asking you a question. On this day, did you offer God your love? Did you say to Him, ‘*Thank You for this day*’? I wonder how many here did, and I**

wonder how many of you will do it on the morrow. You can, you know. It's simple. All you have to do is think it, and all you have to do is say it: '*I love You, God.*' It is such a little act. It is 'the little way'.

So, each day from now on, when you awaken to the light, say, '*Good morning, God, I love You,*' and I promise each child here, that if you continue to do this every day, you will find a beauty of 'the little way'. So be it."

JANUARY 22, 1972 AT 11:05 A.M.

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, as I speak through *this child*, Heaven calls her Its ‘*Little Fork*’; the fork to draw you into the Realm Where We are, Where We stay; the fork that will not let you go; the fork that says, ‘Stay here, there is security in this way.’**

**I am Saint Joseph, and as I teach through *this child*, I teach with Great Love and I teach with much understanding. As it was in the day of My Son as He walked the earth, I walk again now through *a child* such as you. It is designed by God The Father to help you.**

**All over the world men are causing much harm to each other. You live in a time worse than Sodom and Gomorrah. There are so many children around just living in the world, not caring what happens to them, not realizing there is Another World.**

**Please, My children, when you leave this dwelling today, know, that you must fall in love with God, His Way.**

**You must follow His Words, seek Him out and pray; and do not think only your way, but ask Him what way He wants you to walk, and how He wants your will to be used, for He gave you a will for all things, but mainly to bring the Soul back to Him.**

**Oh, My children, if you but knew the Power that comes through *this child*. It is a Greater Power than the power used to raise the rockets off the earth, for the Power is One Alone; It is Divine. You know that you could not stand under the power of the rocket and live, is this not so? for there would be no protection for you from man, and no man could protect you enough from this blow; and yet, God, in His Love for you, sends a Power through *this child* and protects her from the degree of It, and yet the task is so worthwhile. So keep in mind, My little ones, that He knows the degree that all things should be. Depend upon Him, trust in Him, and be obedient to Him in all things.**

**Do not walk from this dwelling today and say, 'It was not so,' but walk from this dwelling today and say, 'My heart is filled with love for Him,' and as you do, you will feel Grace pour in.**

**You do not see the Grace, that is true, but you do know this, My children, that Grace is real, as you. It is reward for things you do, it is your way to gain Heaven, Here for you.**

**I bless you with God's Love and I say, 'Please, My children, always walk His Way.' So be it."**

JANUARY 22, 1972 AT 11:12 A.M.

SAINT ALOYSIUS

**“My beloved children, I am Saint Aloysius, and I say to each one here: ‘Be a Saint, walk the way. You can do it, and in trying to do this, you will hold life dear.’**

**So many children go around pessimistically, saying, ‘This is a terrible life I have; there is so much sorrow all around.’ I say to you now from beneath the Crown, ‘Use each day, spend each day, love each day, for God gave it to you so you would bear a Crown, so one day you would be able to say, “*I thank You, God, for letting me come This Way.*”’ The joy that is Here no words can explain. There is no man in the world who can describe Heaven as It Truly Is this way.**

**And there is no vocation you could choose that would not help you come This Way, unless, of course, you were dedicated to the other way. The man who bakes bread has a great chance to become a Great Saint. The man who uses his fingers to sew with thread has a great chance to be a**

**Saint. The man who cuts another's hair has a great chance to become a Saint. The man who cares for the body has a great chance to become a Saint. The man who preaches God has a great chance to become a Saint. The man who works with his hands, who toils in the soil, has a great chance to become a Saint.**

**God did not lay out one rule and say, 'Be this or you will be a fool.' No. God says, 'Use the life I have given to be a Saint,' and in this dwelling where you stay, all you children in this way have different tasks to perform each day; and some of you are similar in your way, and yet some of you are much different from the others, and each of you can become a Saint.**

**When God gave man the Ten Commandments, He did not go through the line and say, 'These Commandments are just for those who walk a certain way,' but He gave the Ten Commandments for the whole of mankind. Keep this in mind, My little ones, and know that These Commandments must be taught, so men will grow God's Way. Do not eliminate Them from your way, and have Them in your home so others**

will know They exist, for you see, so many men have put Them in a drawer, ashamed of Them, or saying, 'They no longer exist.' Not so. They exist in fullness and They will be The Rules you walk by to Heaven, Where you will meet The Holy Three.

As I leave, I bless each child in My Presence here, and I know that This Miracle of The Beloved Saint is different than you've ever experienced on the earth, but hold It dear, for through This Miracle, it will be the beginning for many Saints. I bless you with God's Love and I say, 'Behold, *the instrument* is to draw you God's Way.' So be it."

JANUARY 22, 1972 AT 11:20 A.M.

### SAINT FRANCIS OF ASSISI

**“My beloved sons, My beloved daughters, nowhere in time has a Miracle such as This been given to the world. Nowhere in time have so Many Saints taken Part in a Miracle of such Great Purpose, such Great Love. Nowhere in time have so Many Saints come forward to teach mankind how to come Here.**

**As I speak from the Realm of Heaven, I walk now in the Power of God and through His Way, and when I was man, I found consolation when I knelt to pray; and as I prayed, I grew closer to God, but I grew more in love with His Way. You would, too, if you would take the time to pray. So many children ignore the beauty of prayer, the need for prayer. They say, ‘It takes time today.’**

**Man places so much emphasis on the necessities of life and that is why the world you live in has so much strife. Man is not happy with just a small amount. Man is greedy, man is gluttonous, and these are sins, but**

man does not consider them sins, for he says, 'I live in a different day.' Not so, My children. There were many in My day who lived a very pleasurable life, a very indulgent way, and they placed much emphasis on the riches of the day. I do not say, 'Be poor.' I do not say, 'Only love the way of living out of the ground, on the ground,' but I do say, 'Do not overemphasize the material way.'

**Yes, it is right for the Churches, the Basilicas, the Cathedrals to be great, so when you look into them, you will see at least a facsimile of Heaven. These are necessary for man, for when man walks in, he says, 'This is so beautiful, I feel the Presence of God.' So, men who say, 'Basilicas should not be built, Cathedrals should be cast away and Churches should diminish,' this is not so. This is only man's greed to have his own way. Think, My children, of the meaning of the word 'greed', and think, My children, of the word 'gluttonous', and ask yourselves how many sins can be committed against these two things.**

**All Heaven is One of Beauty, and God enjoys the beauty that He allows you to have. He enjoys the grandeur of**

many things that He has allowed you to have. He does not say, 'Sleep on the ground.' He does not say, 'Do not eat to survive.' He does not say, 'Work and be proud of your way of work,' but He does say, 'Be humble,' and He does say, 'Do not think only of that, but share it with Me, what you have, for I gave it to you.'

So many men say that they own the land they live on. So many men are proud to have many possessions such as this, and if man would but realize that the possession was created by The Holy King, and He is the First Owner of the land and He will remain this Owner for all time to be. He is allowing you the privilege of standing on this land and saying, 'I have bought this parcel; isn't it grand?' But if you will look into this land, you will see that The Creator is the Owner in reality, for one thought from Him could take it away. So rather than be proud of only yourself in that way, I suggest to each child here that, as you stand on this land, you kneel and pray, to thank Him for allowing you to be there on it.

Oh, My children, keep in mind the gift of obedience, the privilege of

**obedience, the power of humility, the love and strength that trust in Him is, and you will come This Way.**

**I bless you with God's Love and I say, 'You are fortunate children to be able to receive Words direct, Divine Way.' So be it."**

## OUR LORD

**“My sons, My daughters, so much has been said from the Realm of Heaven, and now I enter through *the child* to you, to give My Approval on All that was said and all the things you must do. I am The Son of The Father, and I walked the earth, and keep in mind, My children, that from the moment of My Birth I was aware of the day that I would come Here, Where I am to stay.**

**During the Crucifixion, when My Body was wracked with pain, I inwardly would scream to Him, ‘Oh, God, how much longer do I have to stay?’ He would whisper Words of Love and give Me the picture that had to be: the Souls that would be arriving to live with The Divine Three. Even with this in mind, it was My Love for Him that helped Me endure Calvary for mankind.**

**Man speaks of love, but man does not know real love until he falls in love with He Who Is, for this love is pure, it is direct, it is a consoling love. It is**

not a prideful love. It is a deliberate love, it has all the aspects of purity.

**M**an speaks out and he says, 'The Son of God suffered for me,' but man does really not realize the pain and the agony, and as I speak through *this child*, if I were to show you the Crucifixion Scene, your emotions could not stand it, her physical could not endure it, and you would feel the agony; but in God's Love for each of you, He protects you from this scene, and yet there was a day when many men stood by and watched Me. They were not cannibalistic, they were humans such as thee; but they forgot decency and they forgot the beauty of love, they forgot to trust, they forgot obedience, and they forgot that man is weak and God is Strength. Oh, there were so many things forgotten at that Crucifixion Scene, and satan has tried very hard to make a plan so that you would forget that day of agony.

**P**lease, believe Me, My little ones, that to follow the evil one is to know hate, envy. There is no love in his way, there is only jealousy. He is jealous of you, for you still can return to Heaven, Where your Soul first began. The Faith that you were given, the Love that you

were shown, were Gifts from God to give you strength and courage. I, too, had these Gifts. Oh, My children, if you but knew the Beauty that is Here, if you but knew the Love The Saints feel Here, you would live no other way but to come This Way.

As I speak through *this child*, I speak in a natural way, I speak with Words you understand, and I speak in a language of your way. How else could you know What Heaven wanted you to know? If it came in another tongue your way, you would have to depend on another man to interpret What I did say. This man could misinterpret My Words and give you others, his way, and that is why This Miracle of a Beloved Saint has a Purity in It, a Beauty around It, a Peace, for the Words to you are simple, They are direct, They are complete.

As I bless you from the Heavens, you do not see My Hand, as you must accept it in Faith, in trust, as Joseph did in another land. Keep in mind, My little ones, that each of you has a chance to walk the physical in obedience, in trust, love, service. Do not deny yourselves this way, for if you do, the evil one will take you his

way, and Heaven cannot bear this. The Heavenly Father says: 'Do not let the children stray. Teach them all you can each day,' and that is why *This Miracle Of The Beloved Saint Joseph* is so Important to man, for through This Miracle of Love, of Hope, It speaks to every man.

**A**s you entered the door you gained Grace. As you leave, you will be blessed in many ways. You cannot feel the Blessing, you cannot see the Hand, but I say to you on this day of Love, 'Trust, for as you trust, the Love you will receive, the Grace you will receive, will be magnified time and again.' So be it."

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, much has been spoken to you up to this time, and much has been said from The Divine. As It was spoken through *the child*, you thought perhaps it was her who was speaking to you, but I, Saint Joseph, used her way to reach you, and as she is one with Me at all times, what her emotions are, are truly The Divine’s. So, I ask each child in this room now to understand that This Miracle that has been set before men is to make each one a Saint.**

**Nowhere in the world is there Teaching such as This. Nowhere in the world is *a child* being used such as this, and nowhere in the world is there a Miracle for Me such as This; and God has designed this place, God has designed this way, and through This Miracle for Me, He is teaching in many ways.**

**Keep in mind, My little ones, that as I speak through her, you must learn and you must follow What is said, for as you do, remember, that the moment**

**the physical ends, Heaven is evident to you in some form, for The Angels stand around and They wait for The Father to decide which way you will go, up or down; and what joy there is in Heaven when a child does leave the earth and God says: 'Take the child This Way. The child does not have to spend any time in reparation.' The Heavens sing out, The Angels sing psalms, and The Saints All gather around to greet a new Soul. Oh yes, My children, these are things you do not see, nor do you hear about them, for man is not sure just how it's done. When a Soul leaves the earth, because of disobedience to the Commandments given by God, All Heaven has a sadness for the Soul.**

**So keep in mind, My little ones, that through This Miracle for Me, This Miracle of Love, This Miracle of Hope, much will be learned by such as thee. If, at this moment, right now, I were to offer each child in this room a crown filled with jewels of great worth, each of you would be in joy, and you would wonder though, where you would wear this great piece. Is this not so? Some of you would worry immediately as to its worth. Some of you would wonder how you would care for this jeweled crown, and some of you might even**

reject it, for you would say, 'I do not have any need for this in my way.' So the Crown that is offered every child who is born to the earth, the Crown is the Sight of God, and every child could accept This and every child would understand This.

Man speaks of a physical way. Man speaks of a physical road. Man speaks of a physical hurt. This is true. Man knows the physical for he experiences it every day. He is aware of the need to eat, the need to sleep, and now man is being told the need to pray, the Importance of the Spiritual. When man stands on a desert, he becomes dry if he does not have a liquid inside; and suddenly he becomes so dry he cannot bear it, and if no liquid is given to him, he will die in the physical.

Let us compare this now, My little ones, with the liquid for the Soul, the food It needs to grow, to glow. When a newborn baby is brought out for the attention of others, there's a sweetness, there's an innocence, there's a joy; and all children gather around to look at this Gift from God, this life that started from two seeds, for in each baby there is Something

more seen than just the physical. Is this not so? Of course, My children, you see a Soul, not physical to the eye. You see the innocence of It, the glow, the brightness that is there. You see the need for taking care. Please keep this in mind.

**This Miracle of Mine is a Teaching Miracle. It is a Miracle of Giving, a Miracle of Serving, a Miracle of Sharing. There are many facets to This Miracle God has designed. All Heaven has waited for This Miracle to happen, for All Heaven has come forward to perpetuate It at a time that is, in many ways, worse than Sodom and Gomorrah, for man has accepted the easy way, the simple way, the treacherous way, the hazardous way, and how he terms it, 'the joyful way'. Not so, for man struggles to be happy, he struggles to enjoy, he struggles to participate, he struggles to enjoy the emotional, and consequently, his physical cannot take all this stress. So keep in mind that loving God is peace, tranquillity, it is love; and this, My children, does come from Above.**

**I bless you with God's Love and I say, 'On this beautiful day, you have learned much from God through Me,**

**through *an instrument* of your day.’  
So be it.”**

JANUARY 26, 1972 AT 11:25 A.M.

SAINT THERESE OF LISIEUX

**“You know, My children, there are so many children hanging to threads, threads they feel will bring them to the Feet of God. If the children were to stand firm on the ground, with truth as their way, and their head attached to the physical, they would feel a strength. Children use imagination in many ways of work: drawing sketches, painting pictures, and other things; but, when it comes to God, do not walk with your head in the clouds, but stay on earth.**

**I am Saint Therese, ‘The Little Flower’, and I have come today through *this child* to speak to you, for I say, ‘How can you gather flowers if you have your heads in the clouds?’ Keep this in mind as you walk through the fields, which is the field of life: The flowers that you pick will be your acts of love; and know that all is right. Pick the little ones, My children. These are little acts from you: acts of charity, acts of love, acts of hope, so as you walk each day, you will feel the fragrance of the day and you will have**

**the Odor of Sanctity always in your way.**

**As you walk farther on in the road of life and you are more capable of picking the bigger flowers, for it sometimes takes more strength to choose this kind, the little acts of love you did perform will have helped you grow strong enough for greater acts this way.**

**There are so many children on the outside of this dwelling who want to come God's Way, and no one cares enough to teach them that every day can be this way. So many men are making great issues, complicated ideas, thinking this is the way, when in reality, My children, the simple way, the giving way, the way of acts of love each day, is the most beautiful way to God, to Heaven, to Sainthood. There are some children in the room, in the dwelling right here now, who, if what they hear is complicated, they feel security in it. Do not allow this to be your way, for if you do, you will stray.**

**I bless you with God's Love, and I say, 'Gather the flowers, small at first, and then decorate the bouquet with**

**large ones, and then come This Way.’  
So be it.”**

## SAINT ATHANASIUS

**“My children, you do live in a time of heresy, you do live in a time where satan is all over the world. I am Saint Athanasius, and as I speak through *this child*, I compare this time with a time in which I lived, the time where many men were falling into heresy and they were accepting it because they felt it was correct, and as I fought them in my way, I fought them with truth, and that is why It came through *this child* today, only truth; for when you fight with truth as your Sword of Love for God, you have the greatest strength, the greatest power, and you can be sure that truth will serve a Greater Crown, and truth will glow and heresy will hide.**

**Oh, My children, if you but knew the littleness of the physical, you would kneel right now and say to God, ‘*Let me only be aware of the Spiritual,*’ for the Spiritual will live on and on, and you will see, one day, that the physical was so weak that it could not have come This Way.**

**My children, as you pray, keep in mind, those who are involved in heresy will fall into the abyss of Hell, and God does not want this. So keep in mind also, that you must pray to counteract the heresy of your day.**

**It is true that promiscuity is all about and homosexuality is everywhere; narcotics, yes, and alcoholism also, but these are only parts of the main fare; these are parts that cause the other sins. So keep in mind, My children, that satan has given you many things to draw you from the Realm of Heaven Where God is.**

**I bless you with God's Love and I bless you with the Heart of The Son, and I bless you with the desire to pray that heresy will fade away. So be it."**

### SAINT ELIZABETH

**“My beloved sons, My beloved daughters, I am a Saint in Heaven through the Grace of God. When I walked the earth, I mothered a son. To you, He is known as John. He is known more for the way He walked in the water. He was alert to the Wisdom of God, to the necessity of Baptism. He is known as Saint John The Baptist.**

**His desire to live for God alone, in the Light of God alone, for the purpose which God had decreed, made him outstanding in his day, but to some men he was a fool, for he placed his love, his attention, on what would be, what should be, what must be. Many times he faced men, teaching them, preaching to them, showing them love. It was not ignorance that made some walk away: some, it was envy; some, it was a lack of Faith; some, with jealousy. I would say that ignorance of what he did say was a small degree.**

**Again, in your time, you have many men walking around teaching and preaching, but they are following**

**other men. They are not following truth. Keep this in mind.**

**Here in the Heavens Where I speak from, I speak through the Power of God, through the Will of His, and I say, 'As My John walked the earth daring to love God, His Way, you too, must walk in your day.'**

**The Baptism is a cherished truth for all men. It has more meaning than you know. You have learned through words, through direction, that it washes away a sin committed a long time ago. This beloved Sacrament should be delved into, and respected in many ways. It is important to every man to know this, for as it is a Sacrament, it must be seen for the value it is.**

**There are too many children ignoring this Gift from God. There are too many children waiting for it to be done until a later date. There are too many children passing it by, saying, 'It's really not necessary in our day.' Oh, My children, that is not so. God said, 'It is Important,' and He has requested that I, on this night of yours, tell you so, for if you are aware of children who have not been given**

**this time of order, this way of life, you have a responsibility to speak up, speak out, and teach about it.**

**As I bless you on this night, it is God's Blessing with the Water of Truth, the Water of Life. So be it."**

**JANUARY 27, 1972 AT 8:03 P.M.**

**OUR LORD**

**“My beloved sons, My beloved daughters, All Heaven stands by when children arrive at The Miracle that stands Solid, Logically, Beautifully, and for the Light to guide each man. I am The Son of The Father, and I speak of What I expect, What I want, What I desire.**

**There will be no more Crucifixion Scene of Me. It was sufficient one time, as Baptism is sufficient to wipe away what it must. The Crucifixion stands this way: Salvation for all mankind. This does not mean, though, My children, when you are baptized and you accept this suffering I had on the Cross one day, that you would do nothing in your way. God gave you a will to use, to grow, to deliver yourselves to Him one day. Use this will willingly, His Way.**

**There were many times that I sat with the Apostles. I loved each one, perhaps in a different way, but I loved them, for I knew they were to carry on God’s Truth, God’s Way; and as I spoke**

to them individually, I gave each man Wisdom that he could handle in his way. I did not speak to two and expect both men to handle What they heard equally; and so I speak on this night to each child here. I know What Teaching each of you will grasp, and I know how much each of you will absorb, and I know how much each of you will retain. I speak through *this child*, and to your eyes It looks natural. It is far from natural, It is Supernatural.

My children, when you awaken in the morning, keep in mind one thing: This day was given to you by God and He desires you to use it well, and also, that you will spend some time thinking of Him. So many times children awaken in the morning and there is no thought of God around, no feeling for Him. Children are too preoccupied with the worldly living. It is necessary, My little ones, to be aware that you must feed the Soul that is definitely there. God did not make man, man alone. He had a Greater Plan. The Plan was beautiful, for it was assurance to every man of a Greater Part of him that would one day spend Eternity with God.

**When man makes a physical object, he knows the object will not last, and what spurs man on with this object is that another one will follow, perhaps; and so it is with the physical way: the human body will go away, but there will be a Greater Part Who will last for all days.**

**The Lesson I have taught, My children, is One of Love, and if you will but keep It in mind, you will be aware of the Power that came from It, and as you think of this, be sure that you do pray, for as you pray you will grow in Our Way.**

**I bless you with The Father's Light and with My Heart, and I bless you with the Light to absorb the Teaching of this day so that your Soul will come right Here, and that is important. So be it."**

**JANUARY 28, 1972 AT 8:55 A.M.**

## **GOD THE FATHER**

**“All the coves on the Hill of Love will be dedicated to Particular Saints, depicting several ways man has walked and can walk, to the Feet of God in Eternity.**

**One cove is to be dedicated to Mary Magdalene. This will have Special Graces attached to it to show man that God forgives weakness, and it is up to the will of the child to then follow His Will. Reward awaits such a child.**

**Another cove is to be dedicated and to sponsor Saint Dominic. In this cove much must be revealed about Him, showing children that he walked a natural way and performed God’s Will, placing his will into Divine Way.**

**Another cove must show Saint John The Baptist. His role in the way of man is to be picked up for the beauty, the necessity and the purpose it was, it is. The Sacrament must be shown here for the Greatness it is. It must draw attention to the purificating effect Baptism covers.**

**There will be many coves on this Hill of Love, this island for man to retreat to. You will be Blessed for your Faith in how I would work, you will be Blessed for your love for My Work. So be it.”**

JANUARY 31, 1972 AT 9:53 A.M.

## OUR LORD

**“The beauty that wood is will be seen in the main Basilica. The dome will be for all to look to the sky. This dome will depict the Beauty of Heaven. The many woods in this edifice will show the trade of The Son Who walked in obedience, trust, and love. It will also depict the tree that was used for The Divine Purpose: Me to hang upon. Wood will be evident for many reasons. First, because it was created by God and it has a beauty all its own. Secondly, it will show that many used God’s Own Creation to crucify His Own Son. Third, it will show the trade, the way of life Another Son walked in, using the Heavenly creation to take care of Us.**

**Oh, My children, all things in this great edifice will have a reason behind them, a purpose to them, and a story surrounding them. Man will go through, learning. Man will feel the Presence of God everywhere. Man will feel the warmth of his birth, the purpose of it. Man will recognize that as all things God created had reason,**

so also did the creation of him. You see, My children, man has lost sight of the Divinity, the Magnitude, the Generosity, the Love, that God has and that He Is.

*The child* walks a tightrope, yes, but only man will shake that rope, for it is the Strength of Our Hand that helps her stand strong, staunch, firm, in obedience and trust.

Many men will begin to come forward after the first announcement of this Hill of Love is made. Only We will be able to sustain *the child* through the blows to come.

I bless you with My Love and I say, 'The edifice that will depict This Beloved Saint, where all men must honor Him, know Him, revere Him and love Him, will truly come into effect.' So be it."

FEBRUARY 2, 1972 AT 11:08 A.M.

## SAINT JOSEPH

**“My beloved sons, My beloved daughters, as I speak through *this child*, I speak with Love and with Understanding of your way, as you walk in the physical way. I, too, walked in the physical form. I, too, suffered when I was upon earth. I, too, performed tasks like you, like everyone. I, too, had responsibility of a Family. I, too, had to pray, for this was communication with God also in My day.**

**And now I come to you through *this child, the instrument* of Hope, of Truth. I am Saint Joseph. Some of you in My Presence here have not prayed to Me. You know of Me, you know My Name, but you have not accepted that I am Protection in every way. Some of you have very strong wills and these wills could be used God’s Way, but so very often you have accepted another way. Oh, My children, the time has come for the whole world to know My Name, to honor and revere Me in this way.**

**As *the child* speaks Words of Mine, Every Word is guided by The Divine. Through her, I have come to teach you God's Way. So, I will begin in this way: Accept the physical, My little ones. Accept it in the greatness it is, in the purpose it is, the beauty it is, and use the will that is within you to grow to a greater life, to grow in a greater degree God's Way. Use the will you have to help your Faith grow in God.**

**Use the will you have to obey His Commandments; They are ten in number, and when was the last time, My little ones, you renewed your interest in Them? For some, it was a long time; for some, it was not too long ago. This interest must be renewed by you, for it will be through these Ten Commandments that you will better understand God's Will for you, you will better understand the Truth He laid down for every man.**

**Man is dismissing These Commandments, for man says, 'We live in a different time.' Man says, 'They no longer should be looked to for They were for other men of another time.' This is not so, My children. God's Ten Commandments are for you, and each**

Commandment has a beauty all its own; and each Commandment, if you will look into the true meaning of it, the fullness it is, you will find that each day you allow your weakness to help you sin against one or two.

So many children now are forgetting the Fourth One. They say, 'It's not for me,' and God says, 'As they honor man, as they honor the family, they automatically honor Me.' And if every child in My Presence here would look into this Commandment, it says much more than man sees. I could go down the line, My little ones, but I have opened the door; I have opened The Tablets for you again, to peer into and to see, to learn God's Love for each of thee.

It is His Will that I come to the earth now, through *this child*, for you to know more about Me. It is His Will that you understand your life and the Purpose of it. It is His Will that you pray: communication each day. It is not God Who lets go of your hand but you who let go of His, and you try to hide from Him each day, for you feel if you are hidden in a dwelling of your day, He cannot see you. This is not so. Men are sinning all over the world and

they feel, as long as they are covered by a material thing, it's all right, for they say, 'No one can see,' and they forget The One Who Created All Things has no problem looking through the small material way.

And now, My children, I come in firmness today, but I come in a Greater Love than anyone can know. I say, 'Do not throw the Ten Commandments away, but have Them on your wall so you can look at Them and see what They do say. Look into Every Word that God put forth, and as you do, thank Him for caring, for loving you this much.'

Oh, My children, God is Truth. Do not deny this, each of you. And when you are handed a cross to bear, know it is not dislike for you but Love for you from Here. God sometimes has to allow certain children a greater cross than others. It is not because He wants to, but there is a need and He knows the children who will accept the cross.

Oh, My children, accept this as Truth, for, from this day on, your lives must bear much fruit. No matter what your age, no matter what your

**vocation, no matter how you must live, let your whole being speak out God's Love and your desire to serve Him.**

**I bless you with My Protection for It is always there. Call upon It, request It, accept It; but even greater than My Protection is God's Love for each one here. Accept It, love It, and thank Him for It. So be it for now, children dear."**

FEBRUARY 2, 1972 AT 11:24 A.M.

SAINT ANNE

**“What grandmother would not cling to a child who seeks protection, love, when the child is concerned for God’s Will to be done? Many times a grandmother spends time with the child when the parents are weary or the parents are busy. This is not My Role in Heaven, for your Heavenly Parents are never too busy for you. Remember this, My children, when you pray, and everything you do. My Role is to perpetuate God’s Will, to seek you out, to encourage you to stay close to your Parents, to cling to What They Are, Who They Are, and above all things, to perform each day so one day you will stand next to Them, Here Where I stay.**

**All over the world, My little ones, I go to help children such as you cling to the Parents, The Heavenly Ones. I have come on this day to teach you about the beauty of the clinging, the depending upon your Heavenly Parents, and I have also come to stress the beauty of going in prayer, in love, to The Beloved Saint Joseph, Who was**

**the Protector for My Daughter, Who was the Protector for The Divine Son, Who was given the responsibility by God Himself to walk with this Child Who was to bear the Cross for the Salvation of everyone.**

**Do not walk away from this dwelling with your own thoughts twisted, but open your hearts and open your minds to the Protection This Miracle is. Open your hearts, open your minds, open your eyes to how God would work to save you in the way of mankind.**

**There are some places that I look into the dwellings and My heart goes out, because there is one child in this dwelling who is seeking God's Help and the others could not care; and as your Heavenly Grandmother, I stay close to there, ever ready to protect the child who wants protection in an atmosphere of despair.**

**As you are present in this room, each child here has a different thought about life, a different desire, a different despair. Some of you live each day, using your own will to accomplish what you feel must be done that day. This is right, but I ask**

**you now to look at the will, dissect it, and find out if you use it God's Way, or just to get your own way. This is important, My little ones, more than you know.**

**I watch the little ones. Some are let run where they may and some are protected every way. I watch their little wills at work and I see danger many days, for those in charge of these little ones are not teaching the wills God's Way. They are letting the will develop its way to get what it wants, teaching the child, allowing the child self-love, and in some ways, My children, self-destruction.**

**When a child is born to the earth, the will has been there since the moment of conception. This will says, 'I am hungry.' This will says, 'I need help.' This will says, 'I want to move.' This will says, 'I want to cry.' This will says, 'I want my way.' So, it is up to those in charge of this child to guide and guard the will each day.**

**My children, if you will but pray for those who cannot do what they must, pray for those who have little trust in God's Way, and pray for those who disobey the Commandments God**

**gave all of us. Pray for those who are weak and who cater to their weakness, causing themselves destruction. Pray for those who are flip where God is concerned. Pray for those who are too preoccupied to accept the Gift He gives each day on the Altar of Love; and ask yourselves, My little ones: Are you one who rejects this Gift? Are you one who uses your own will to reject His? Some of you will have to say, 'Yes.'**

**Remember What was said before. God knows all things, and even when you are hidden by a material thing, He knows your excuses. You are loved much, My children, more than you can know. Do not allow your will to keep you from Sainthood where you are all destined to go.**

**I bless you with My Grandmotherly Love, and with My Hope that from this day on you will accept the Gift from your Heavenly Parents and you will grow closer to Them, as it is Their Will. So be it."**

FEBRUARY 2, 1972 AT 1:45 P.M.

## OUR LORD

**“My beloved children, My firmness today was to instill in man the purpose of this Hill that is directed by Divine Way. It is not just a hill, it is a Hill of Hope, a Hill of Truth, a Hill of History, a Hill depicting Bible History, a Hill teaching mankind the Glory of Sainthood, the Beauty of The Divine. It is a Hill to teach mankind of God’s Creations, to show man the beauty of a tree, to show man how man uses a tree: decoration, dwelling, Crucifixion for Me. Man’s use of God’s Creations are many. Man, at a moment, decides, ‘I will use His Creation for destruction,’ or, ‘I will use His Creation for beauty, I will use His Creation for what pleases me.’**

**Even the mines in the earth will be seen on this Hill. God created the world. There will be all things, showing their worth, their purpose, their need in the way of man. Oh, My children, diamonds come from the earth, emeralds are cut from the earth, rubies are given up by the earth. I could go on and on. Gold comes**

from the earth, silver comes from the earth.

**M**an owns nothing where God is concerned. In this Hill will be man's donation to God of things God first owned. They will be put to use for His Will. Many men will hate to let go of the things he has stored up for himself, and yet you will find that some will realize that the belonging was God's first. Even the ground upon which plants will grow will be designed by Heaven. The plant was created by God; man might have been the instrument for a particular plant to grow.

**T**his Hill is comprised of different slopes. This Hill cannot capsize. This Hill is to help man grow to a degree in God's Way that nothing else can. This Hill is to draw man like a magnet, this Hill is to keep man alert to God's Will.

**T**here will be a passage for the lame, for the ill, and they will be brought to the edifice, and they will hear the words said over the Ultimate Gift which will be given as bread. They will be filled with love, they will be given hope, they will be shown the beauty of God's Creation, the world. They will be handed gently, a prayer to

be said. They will go away, feeling that God cares. They will leave the Hill, knowing that this Hill is dedicated to help man.

There is to be no unhappiness on this Hill, there is to be no dissension on this Hill, there is to be no self-righteousness on this Hill, there is to be no unrest on this Hill. This Hill is to give man solitude, to serenity, peace, tranquillity, hope, love, trust. This Hill is to give man a Touch of God Himself. This Hill is to show man the Spiritual trek of life, and the slopes will show man that he must reach one first and then another, and then another and another, to reach the top. This Hill will benefit man in every way. This Hill is to bring man to Judgment Day. This Hill is to crowd Heaven with Souls. This Hill is to draw man to Heaven Where I am.

Oh, My children, as I use *this instrument, small*, it will be Our Power, Our Way, Our Will, that will show through her. The more responsibility that comes will show her smallness, and We will show to a degree where it must be.

**I bless you with Love, and it is a privilege, My children, to partake in this Hill of Hope for The Divinity. So be it.”**

SAINT PETER

**“Men say: ‘I want signs. I want direction. I want proof. I want someone to show me what God Wills for me to do.’ God has heard these prayers over centuries, since the Crucifixion time. Men have been allowed to know certain things, and certain men have been given definite tasks to perform, to fulfill God’s Will. Now, upon the earth that God created, He is sending forth Great Messages to teach man the Way to Here, to lead man to Here, to give man Light on what God expects of each man.**

**Man is also learning the importance of striving for Sainthood, reaching a Goal. Man is being taught the Purpose of life, the dignity of it, oh, and yes, the magnitude it can be. There are men who are absorbing and retaining What they learn from Here. There are those who are trying very hard to dissect It, to analyze It, to perfect It. Those men are sadness to Here, for you see, they are detaining themselves on the path to Here. There are some men who are willing to accept**

anything, for you see, they feel a great need, but they do not have the ability to sift truth from untruth, right from wrong, love from deceit. God says, 'Pray,' and these men are too busy accepting all things man's way, so they do not have the time to pray.

There are men all over the world trying hard to say *this child* through whom I speak is not real, she is false, and Heaven says: 'This Miracle is to give man Hope, to give man a Treasure of Light, a Beam of Truth. This Miracle is to show man God's Love through a Beloved Saint. This Miracle is to show man that All Heaven waits for each man to come Here one day. This Miracle is Greater than the sun, the moon, the earth and all the planets. It is Greater than the whole universe, for you see, My children, it is God's Love, God's Way. This Miracle has been given to the world to implant in man's mind the Divine Way, to show man the Beauty of The Holy Trinity, to show man that to be a Saint can be walked in the natural way.'

Oh, My children, if you but knew the Magnitude of This Miracle you would do nothing but kneel to pray. You would reach out each day and say

to God, *'Let every thought I have, every act I do, be Your Way.'*

**My children, I come to you on this day and I say, 'The Miracle will be to lead men to the Hill. It will be to serve men on this Hill, but It will be to give men strength in the Hill.' The Hill, if it were wrapped in a package like you wrap a package, it would glow with the Grace that is put there for you. No man, in wrapping this package, could stand all the Grace he would feel, for you see, his arms and his hands and his feet and his legs would have to pull the package close to tug at the wrapping, and this would be too much for man at one time; but when man's feet stands on this Hill, absorbs the Grace, and it comes up through the whole being, it will enrich the Soul, it will enrich the mind, it will give Faith to the blind. Oh, My children, Heaven does love you, and as I speak through *this child*, it is truly God's Will.**

**Have you come upon Whom I am? I ask each child here to say a Name. I smile at this, for you see, you are so used to hearing Heaven that none of you have come upon Whom I am. To each of you, you have chosen One you felt close to in some ways. Oh, My**

**children, I purposely spoke different today. I am Saint Peter. So be it for now.”**

## OUR BLESSED MOTHER

**“My beloved sons, My beloved daughters, it will be the prayer to Me, the Rosary that I hold dear, that will be laid out upon this Hill, almost to the foot of it. It will protect this Hill from the evil one. This Rosary of Light, of Truth, will fence in the Hill, and it will be seen from the air, it will be seen from the roads, and people will wonder why it’s there. It will be the boundary line of this Hill of Love. It will be the line that, when man crosses it, he will feel The Divine. The area of land that will be encompassed by these Beads will give men hope, love, for All Eternity.**

**I stand in the Heavens on this day that man celebrates in Honor of the Presentation, My Way, and I speak to children who know, with no doubt, that the Miracle of Love is among them and all about. As the Rosary lies in a special place evident to the sky, evident to land, and perhaps even seen by those on the sea, children will be reminded of Me, and this pleases The Divine Three. The Beads of Love,**

the Beads of Hope, the Beads that save many Souls, will be shown to the world this way for Me. Few men will be able to walk the extent these Beads will cover, but inside, where I will stand, the Chapel of My Way, men can draw close to the Beads that will surround the edifice for Me, and when men reach the Crucifix and touch the Feet of My Son, they will gain Grace from beginning to end. Remind them of this.

As it was said, all things on this Hill will have facts. Children will walk and learn. Children will come to receive knowledge, wisdom, truth, that no place else can give. There will be a path up this Hill for those who are ill, and as this path becomes crowded with crutches, with racks for children to lie upon, these children will feel the warmth of the Hill, the Grace, and no children will lack receiving the Grace, no matter how dark the Soul may be. It is a Hill of Hope for all mankind to walk upon and receive God's Love.

As I speak through *this child*, you are all aware it is I Who is speaking, not she, and as you are fully aware of this, I say to you now, 'The Grace that you will receive on this Hill of Love

will be as truthful, as evident as These Words.' Souls are to be saved. Life is to be seen. Men must see beginning. Men must feel the flow of God's Love, as if a chalice were standing in the sky and the chalice were flowing down to each level of the Hill, absorbing the children who come by. The chalice will not be seen to the eye but it will always be there day and night. It will be a Hill of service, catering; a Hill of Love, a Hill to give men hope.

As I bless you on this day, I say, 'As The Heavenly Son draws His Hand to a point, the edifice must rise His Way, and as The Heavenly Father has designed the whole Hill, We are All ready to give Direction through *the child* this way.'

Cling to the Rosary, My children, hang on to it tight, for through the prayers on these Beads, Souls will arrive Here for All Eternity.

Pilgrims will come from all over the world, delighted to see a place dedicated this way. Men will come and try to imitate this place, for you see, they will feel the Grace and they will not always know what it is they feel; and they will try to return to their

**countries and tell others what they experienced, and they will say, ‘Why can we not have this Hill of Hope?’**

**This will be the only place in the world such as this, and those who cannot come will receive the Words that pour forth through the chalice of Love. The Books are to be translated in languages for all over, so no child is left out, left without Heaven’s Words. The day must come, the children will be able to speak to each other, and all will understand the meaning of this Hill in your land. God has designed a plan for men to know of this place in other lands. Not one thing has gone unthought of. Keep this in mind. And as men, in a laboring way, put one board on top of the other, each one they place will be done for a reason other than men’s; it will have Divine Way.**

**The Tabernacles on this Hill will all have a distinction. The main edifice will be shown as the Ark of the Covenant. Mine will have pearl surrounding It. God has designed It this way, and the one in the Room of Saints will have the color of ruby all over It. It will depict the blood that was shed out of love for God by the martyrs**

of the first days, and by all those who gave their life, clinging to Him. It will also depict the Blood My Son gave for man. In these Tabernacles, the Body and Blood of The Divine Three will rest and It will be given to every man who comes for the Ultimate Gift.

Oh, My children, this Hill of Love is God's Love for man, not man's for God. This Hill of Love will face many tests because man will fight God's Way for it to be done; and He will stand firm through *this child*, and she must stop men who are not willing to do God's Will. There is a Great Light Heaven is giving to man. *The beacon* is small but the Rays are running wild to every man, for the Power behind *the beacon* is stronger than any power man knows. The Power is God.

I love you, and I ask you to save your Souls. So be it."
